*English French French English Word to Word Dictionary* Fequiere Vilsaint,France Robert-Dubois,2008 The English French Dictionary is a practical instrument to help both English and French learners of the other language to improve their language skills and clarify issues of orthography. It contains 27,000 word entries and expressions, many with multiple meanings. We depart dramatically from our previous edition by first using a word frequency list of the English language to select frequent entries in common English communication. Second, we added special vocabulary from secondary school content fields such as social sciences, physical sciences, biological sciences, mathematics, language arts etc. The result is a comprehensive list of English entries with French equivalents in all areas covered in school curricula.

The Cambridge French-English Thesaurus Marie-Noëlle Lamy,Richard Towell,1998 This is the first ever bilingual thesaurus of its kind. The book is aimed at all English-speaking learners and users of French at an intermediate to advanced level, and is structured in a uniquely helpful way. The book is arranged thematically rather than alphabetically, with fifteen part titles subdivided into a total of 142 subheadings which are further subdivided into topic categories. In each category learners will find synonyms and related French words and phrases of use for writing or speaking about the topic, as well as sayings, metaphors, proverbs, famous quotations or usage notes connected with the topic. Every word, phrase and example has an English translation. Illustrations provide additional help, and there is a special section on conversational gambits. Two alphabetical indexes of more than 8,000 words each, one listing English vocabulary and the other French, help readers find what they're looking for easily.
