*Light in the Shoe Shop* Agnes Day,2013-03-06 Light in the Shoe Shop offers readers a unique and intimate glance into the day-to-day experience of living the cloistered life in feminine mode. In her “cobbler’s contemplations”—no metaphor here: the author did indeed make and mend her sisters’ shoes for many years—Mother Agnes reveals the very simple secret of monastic life, a secret she shows to be an inseparable combination of mindfulness and fidelity. It is continual mindfulness of God’s transformative presence and action and, in response, equally continual fidelity to each of the minutely detailed ways in which that loving divine presence woos the contemplative’s heart. Even those who strive for a more contemplative life outside of literal cloisters will find her reflections to be a great gift and inspiration. “This book is decidedly not just one more item in the picturesque genre of the ‘nun’s story.’ Rather, for all its slenderness, the volume bears a strong witness to the fact that a human life that stakes its all on loving will gradually become transfused with light.” From the foreword by Simeon Leiva, OCSO

**The Light in Hidden Places** Sharon Cameron,2020-03-03 The extraordinary story of Stefania Podgórska, a Polish teenager who chose bravery and humanity by hiding thirteen Jews in her attic during WWII, from #1 New York Times bestselling author Sharon Cameron - now a Reese's Book Club YA Pick! One knock at the door, and Stefania has a choice to make... It is 1943, and for four years, sixteen-year-old Stefania has been working for the Diamant family in their grocery store in Przemyśl, Poland, singing her way into their lives and hearts. She has even made a promise to one of their sons, Izio -- a betrothal they must keep secret since she is Catholic and the Diamants are Jewish. But everything changes when the German army invades Przemyśl. The Diamants are forced into the ghetto, and Stefania is alone in an occupied city, the only one left to care for Helena, her six-year-old sister. And then comes the knock at the door. Izio's brother Max has jumped from the train headed to a death camp. Stefania and Helena make the extraordinary decision to hide Max, and eventually twelve more Jews. Then they must wait, every day, for the next knock at the door, the one that will mean death. When the knock finally comes, it is two Nazi officers, requisitioning Stefania's house for the German army. With two Nazis below, thirteen hidden Jews above, and a little sister by her side, Stefania has one more excruciating choice to make. This remarkable tale of courage and humanity, based on a true story, is now a Reese's Book Club YA Pick!
