*Released* Matthew McHenry,2013-02 I was no longer controlled by the emptiness, anger, drugs, alcohol, pill abuse, and all my old worthless ways. The first year after I decided to become a Christian was difficult, confusing, and lonely. I steered away from my fake friends, went to church alone, and started my search for the truth by studying all religions. Empty... empty was a regular feeling I had felt haunted by since I was a young child feeling like I had no purpose in life. My journey began figuring out what religion is right and what exactly is in the Bible? Who is God? What is he all about? What am I going to have to do in order to go to Heaven and please God? The experience began as I discovered what the Bible said and what people who claimed to be Christians said were usually two different things. You are just going to have to do something, Matt. You're not going to get a good job and you just need to take something for even minimum wage to have something. They also said statements of defeat where I wondered if I had the same Bible they read at all. I didn't believe the contradictions. I found ministries that took the Bible for what it said as they believed for better, lived better, and they talked with confidence. They took seriously the task of gaining wisdom to eat right, talk right, study, and to expect the promises of God to his followers. Released is for the unbelieving and those experiencing Christian confusion. Take my experiences and the setbacks I had to overcome to motivate your own life. God can forgive anything, and he is the only thing in this world that will never let you down, because they will. The acceptance of Jesus is the best decision we can ever make. I am living proof . . .

*The Scooter Bible* Eric Dregni,2022-06-21 The Scooter Bible is an entertaining, colorful, and authoritative history of the little motorbikes that could. Beginning with the first motor scooter in 1902, Eric Dregni is your guide to everything from the postwar American scooter boom to the golden age of Italian and European scooters, the rise of Mod scooter culture in England . . . right up to modern electric scooters. Today, nostalgia for vintage Vespas, Piaggios, Cushman's, Lambrettas, and other top brands drive a new thirst for retro-inspired scooters in showrooms around the world. This revised and updated edition of The Scooter Bible brings the story up to date with the drive for zero emissions via electric vehicles.

Throughout, author Eric Dregni offers you a wealth of imagery: historic black-and-white photos, evocative period advertisements, manufacturer photos, and more—over 500 images! Along the way, he also shows you scooter evolution, changing technologies, and scooter appearances in popular culture. And as the most comprehensive scooter book ever, *The Scooter Bible* also includes the world’s most exhaustive encyclopedia of scooter brands, from Puddlejumper to Piaggio, Ducati to Doodlebug, and Zündapp Bella to Genuine Stella. *The Scooter Bible* is all you need before kick-starting your scooter engine to life and praying for ever more speed. Indeed, scooters are mechanical marvels on two wheels. Streamlined spuds. Mutant oddballs of Jet Age styling gone berserk. Innovative inventions shoehorned like sardines into miniaturized monocoque bodies. Engineering and styling enigmas (the stranger the better). They are the weird and the wonderful. And they are all here in *The Scooter Bible*.
