Encyclopedia of World Geography: South America, 1994

South America James Franklin Chamberlain, Arthur Henry Chamberlain, 1913

World Geography - South America Julia Jasmine, Wendy Chang, Kathy Bruce, 1995 This book was designed to present an overview of the geography of the continent of South America. It is divided into five sections to match the themes of the Geographic Education National Implementation Project (GENIP), an educational project backed by the nation's most prestigious geographers. Each section contains a selection of teaching pages, maps, activities, interesting facts, review questions, and puzzles or games. A plan for using the material to construct a geography centre is also included, as well as ideas for putting together a book as a culminating activity. You will also find a glossary of the specialised vocabulary used by geographers. This will make it easier for your students to talk about the world in which they live.
