Where Butterflies Grow Joanne Ryder,1996-06-01 In a field of lacy leaves, a small caterpillar hatches, grows, and sheds its skin, becoming a smooth, green creeper. It eats and changes some more, then in a sequence of remarkable close-ups, spins a slicken sling in which to pupate—until it finally bursts forth as a brilliant black swallowtail butterfly. Includes suggestions on how children can grow butterfly gardens in their own gardens.

Pirates Don't Change Diapers Melinda Long,2007 Braid Beard and his pirate crew return to retrieve the treasure they buried in Jeremy Jacob's backyard, but first they must help calm his baby sister, Bonney Anne, whom they awoke from her nap.

Down the Road Alice Schertle,2000 Mama and Papa agree that eggs for breakfast would be nice, but they're too busy to go to the store. So they decide that Hetty is old enough to go by herself. Although she practices walking smoothly up the hill so she won't break the precious eggs, she can't help running all the way down. Young readers will hold their breath as Hetty tries her very best to get those eggs home safely. The story is remarkable for its evocative imagery, and the loving interchange between the characters sets a charming tone. The words are perfectly complemented by Lewis's dazzling, impressionistic watercolors that show the joyous power of love and depict a warmly supportive world in which Hetty ventures forth toward independence. A fine book that speaks straight to the heart.--Booklist

What Lies Between Us Nayomi Munaweera, 2016-02-16 In the idyllic hill country of Sri Lanka, a young girl grows up with her loving family; but even in the midst of this paradise, terror lurks in the shadows. When tragedy strikes, she and her mother must seek safety by immigrating to America. There the girl reinvents herself as an American teenager to survive, with the help of her cousin; but even as she assimilates and thrives, the secrets and scars of her past follow her into adulthood. In this new

country of freedom, everything she has built begins to crumble around her, and her hold on reality becomes more and more tenuous. When the past and the present collide, she sees only one terrible choice. From Nayomi Munaweera, the award-winning author of *Island of a Thousand Mirrors*, comes the confession of a woman, driven by the demons of her past to commit a single and possibly unforgivable crime. Praise for *Island of a Thousand Mirrors*: The paradisiacal landscapes of Sri Lanka are as astonishing as the barbarity of its revolution, and Munaweera evokes the power of both in a lyrical debut novel worthy of shelving alongside her countryman Michael Ondaatje or her fellow writer of the multigenerational immigrant experience Jhumpa Lahiri. - Publishers Weekly The beating heart of *Island of a Thousand Mirrors* is not so much its human characters but Sri Lanka itself and the vivid, occasionally incandescent, language used to describe this teardrop in the Indian Ocean. - The New York Times Book Review

Poet Don Tate,2018-09-18 Award-winning author-illustrator Don Tate celebrates the first southern Black writer to be published in this first-ever picture book biography of George Moses Horton. George loved words, but he was also enslaved. Forced to work long hours, he was unable to attend school or learn how to read. But he was determined—he listened to the white children's lessons and learned the alphabet. Then he taught himself to read. Soon, he began composing poetry in his head and

reciting it aloud as he sold fruits and vegetables on a nearby college campus. News of the enslaved poet traveled quickly among the students, and before long, George had customers for his poems. But George was still enslaved. Would he ever be free? In this powerful biography, Don Tate tells an inspiring and moving story of talent and determination.
