## **A Woman's Guide To... (Diaper Version)**

Gwendoline Summers, Forrest Grant, Florence Grant, Maggie Joyce, 2022-04-06 Gwendoline Summers has a special style of writing to women about some of the unique options available to them. She knows what it is like to baby her husband. Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be. This is not an enforced babying guide, but rather one to help women who already KNOW that their partners need the security of diapers, a pacifier and a babyish lifestyle, to achieve that goal. The second book covers the subject in a more extensive way about making your partner into a Sissy Baby - a baby girl And the third book brings up an interesting question: is potty training a thing of the past and is it time to reject it both for your partner and yourself? This book is not just for women with AB partners but for ALL women whether their partners are AB or not! She takes it step by step on how to slowly get your partner into diapers and other baby items. If your partner is AB then you are already partway there, but if they are non-AB, this book is still for you. It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface.

### My Secret Needs And Desires - diaper edition

Martin Coster, 2021-02-26 An AB Discovery 'After Dark' Book Our inner secret needs and desires can be bizarre and embarrassing and seemingly at odds with everyone else. And then you read about someone who likes the same inexplicably odd and

even 'dirty' things that you do. Martin Coster bring us two stories of the 'heavier' side of ABDL with bedwetting, dirty diapers, wearing of used diapers. spanking, sex and more. 1 - Sissy Baby Sonya has a very deep 'need and desire' that she wants to fulfill and only one person can do it for her. Dirty nappies abound... and more. 2 - Incontinent woman Alison discovers a surprising aspect of her mysterious neighbour after watching him steal her used diapers. Definitely ABDL 'out on the edge' NOTES: contains extreme use of dirty diapers, wet beds and 'toileting'.

Diaper Service #2 Martin Coster,2023-04-13 A follow-on story from Martin Coster about the activities of the (sadly) fictional reverse Diaper Supply Company, Mistrel. We read the tales of several customers and the activities that this unique business gets up to behind closed doors!

**Diapers, Bedwetters and Babies** Forrest Grant,2019-09-10 The story continues with a new bedwetter moving into the house. Bronwyn is more than simply a chronic edge-to-edge bedwetter. She also wears diapers and uses a baby's dummy. A new larger house at Baker St means more voyages of discovery into why both boarders are such bad bedwetters and why they are showing infantile traits. Alice's backstory comes to bear as the three meet a group of Adult Babies and their lives are turned upside down. A wonderful story of discovery, nappies, love and bedwetting. And in the end, it is about overcoming the past and embracing the future, diapered and safe.

The Second Lives of Diapers Martin Coster,Forrest Grant,2022-03-09 An AB Discovery

'After Dark' book Martin Coster knows only too well that not every used diaper ends up in the trash or the washing machine. Some have a second wearing. While it is an embarrassing secret, it is remarkably common and Martin brings us stories of such events, some of which have a tinge of true life to them. Read five stories of couples who discovered the secret that few talk about but so many want and enjoy.

Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be. **Using Diapers In Your Relationship** Evelyn Hughes, This book is intended as a primer for those who wish to implement diaper discipline and dominance into their relationship. You don't need experience or even to be wearing diapers yet. This

is a guide for serious people about a serious journey into upending the way we traditionally operate our relationships by involving diapers and changing the way we look at adult behaviour and discipline. Join Evelyn as she explains her ways of introducing and using diapers as part of YOUR relationship.

The Clothesline Of Shame - Extended Edition Ben Pathen, Michael Bent, 2021-07-02 AB Discovery is proud to present the revised and extended edition of the classic ABDL book - The Clothesline of Shame. More characters, more action and more... diapers and plastic pants! Young Benjamin often rode past the house and saw diapers and plastic baby pants hung up on the clothesline out back. They called to him and he dreamed about them. Finally, he had to touch them and then, to take some. He was a teenager now and surely should know better, but the deep desires of his heart and loins called to the plastic pants and so he stole one. But he was caught... Now he had to spill the deep secret of his heart. He wanted to be a baby again. How would Miss Goodwin - his former teacher - react to that embarrassing admission? It was not his first time, not by far. We read about how Benjamin started off with his fetish for plastic pants and nappies and the characters that helped him. We also meet some new characters and we see if the Washing Line still has a place to entice and entrap young boys and men who crave the tightness of diapers and the slippery feel of plastic pants. We hear of David and James. We learn of baby Millie and Benjamin's Aunt and the roles they played in his upbringing. And we see

the possibilities of the future as baby Jerry enters the back garden of Sally Goodwin and a new generation of babies is about to arrive... NOTE: This is the 'diaper version' of the 'nappy book' The Washing Line - Extended Edition

### **The Bedwetter's Travel Guide - diaper version**

Forrest Grant, 2021-03-02 Forrest Grant's epic first book - the Joy of Bedwetting - introduced us to Forrest's world. Now we learn a little bit more about the man and his bedwetting interests with his third fictional outing. Forrest Grant received a mysterious travel guide in the mail called The Bedwetters Travel Guide. It was a listing of all the world's destinations that have bedwetter-positive accommodation places. It lists private homes, B&Bs, hotels and more, all places where a wet bed is accepted and even promoted. A place where just because a bed is wet is not necessarily a reason to immediately launder it. Forrest takes us on his journey through the weird, the wonderful and the always-wet locations where his bedwetting is not a limitation. He wets the bed wherever he goes and finally, there is nothing to hide. Follow his journey around the world as he goes to six very different places where his wet bed is accepted and appreciated. An erotic story that will appeal to many. The Bedwetter's Travel Guide - where you can go and sleep diaperless and unconcerned!

**Home Detention- Rubber Pants Version** Michael Bent, 2021-04-17 Jordan Airesdale has been given twelve months home detention for breaking and entering. His angry - and concerned - mother and sister have bought a new bigger home in the

country where her wayward child would rediscover discipline and parenting in a new way - wearing nappies. Desperate times require desperate measures. Did the revolutionary book Saving My Son hold the clues and guidelines for taking her broken son and fixing him again? And the old nursery in the new house? Was that just incidental or a harbinger of things to come? Read on and see...

**Katie's Washing Line - diaper version** Andrew Stephens, 2023-12-14 In this delightful tale of friendship and discovery, we meet Ron, who is struggling with loneliness and confusion over his identity and Katie, a young woman who wears diapers and plastic pants and hangs them out to dry on an old-fashioned washing line. An unexpected meeting begins a wonderful and unusual journey for both, making an enjoyable and satisfying story for everyone.

How Diapers Began.. Ben Pathen, Terry Masters, 2024-01-24 For most of us there was that 'sense' of wanting diapers from our earliest memories. But there was also usually an incident or a series of events that cemented the need and deep desire for diapers. These three stories talk about just that - how Diapers Began Contains: Mrs Jackson's House Diaper Research The Trainer

**Coming Of Age In Diapers** Andrew Stephens, 2024-03-04 Wanting to be a baby again, wanting to wear diapers, to suck on a dummy/pacifier, or preferring soft toys to older interests didn't magically appear at 18. It began when we were younger, usually MUCH younger. For many now adult babies, we wanted all these things

from our pre-teen years and even as preschoolers. We effectively 'came of age' while internally wanting to reject growing up, staying as babies in diapers and wetting the bed, and having all the items and activities that went with it. This book contains four stories of a young boy wanting to remain not just as a baby, but as a baby girl. It is a struggle that many of us go through.

Contains: Me, Myself Christine From Boy To Baby Girl Baby Stacey and the Confused Babysitter Magic

**Who Wants to be a Baby... Again? (Vol 5)** Ben Pathen, 2020-07-22 It is arguably the most common theme in ABDL fiction – becoming a baby again, perhaps forever and perhaps completely so. For many Adult Babies, the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention. For the vast majority of adult babies, the expression of our inner infant is complicated by endless compromises and limits on what we can actually do. Our partners limit us. Our finances limit us. Social acceptance – and the lack thereof – limits us. Friends, employment, family and other issues limit us. But fiction can overcome all of these. In fiction, we can bend the rules of probability, break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish. In these three books, you will read of adults that become complete babies once more. If they are not originally completely willing to become babies again, they quickly discover the joys, the peace and comfort of diapers, baby clothes, bottle feeds and baby toys. Infancy is entrancing to almost

everyone, but for those special people – adult babies – infancy is only a diaper-change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book. Enjoy your stay in the world of refreshing infancy. BOOKS: Melissa and her mother find a baby Aunt Janet's Reluctant Baby Baby Jacob and his Psychiatrist

*My Retraining* Terry Masters, 2023-08-20 Young Jamie had a problem. He was violent, unruly, unhappy and... still wetting the bed every night. His mother had given up on him but his sister Terri had an idea and as a psychiatric nurse she decided that what he needed was to be... Retrained. Retrained from birth again... and in diapers.

*Diapered at Home: The making of a baby* Michael Bent, 2019-11-05 Jordan Airesdale has been given twelve months home detention for breaking and entering. His angry - and concerned - mother and sister have bought a new bigger home in the country where her wayward child would rediscover discipline and parenting in a new way - wearing diapers. Desperate times require desperate measures. Did the book *Saving My Son* hold the clues and guidelines for taking her broken son and fixing him again? His mother is about to test out these new theories on rescuing wayward teenagers with baby treatment. She has the diapers and plastic pants and she has the will to enforce them. But will her son respond and more importantly, will he become happy and safe once again like he was as a young child? A second childhood is on offer as an alternative to

continuing the trajectory to jail. Will he take the offer? But a surprise awaits them all. Jordan is not all they thought he was. He was something - someone - quite different.

**Helping My Neighbour** Martin Coster, 2023-04-03  
Martin was ecstatic when he found that his neighbour was wearing diapers full-time just like him. But she was doing it for medical reasons while Martin was a sissy adult baby. But Martin had a special secret - he liked to wear pre-worn diapers but they were hard to find... until now. From the Martin Coster book: *My secret Needs and Desires*

**Melissa and Her Mother Find a Baby** Ben Pathen, Michael Bent, Melissa wants a baby. Not that this is unusual for a young woman, And her mother wanted a grandchild - also not unusual. But

there was an important issue... and his name was Thomas. Years earlier, the handsome – if short – Thomas resisted the romantic overtures of Melissa and a woman spurned is... a problem. Melissa had hoped that Thomas would give her a baby in the more traditional method, but she had been rejected. Together, Melissa and her mother decided that they would indeed have a baby and grandchild. And Thomas would be involved, regardless. But not as anyone would have guessed. Thomas himself, was going to be the baby - diapers and all.

*From Boy To Baby Girl - Diaper Version* Andrew Stephens, 2024-02-08 John is a bedwetter. For most kids starting school, this is no big deal but John still wore nappies to school. But by age 12, wetting the bed IS a big deal as is still wearing nappies to bed. But by the time John left school he was still wetting the bed and while not allowed to wear nappies any more, still took opportunities to do so whenever he could. And the reason is simple... and complex. John is still a baby. A baby girl. And so nappies make perfect sense and using a toilet... does not.
