This guide is all about helping you find an excellent carpet cleaning company among the scam artists and the exaggerators. Who am I? I am a cleaning industry professional with over 16 years of experience. I am a Master Cleaning Technician certified by the Institute of Inspection Cleaning and Restoration Certification (IICRC). I have published many articles in the industry as a customer advocate. I have also served as a quality advocate, helping other cleaning businesses improve and creating more successful relationships between clients and businesses. Most importantly, I have cleaned thousands of carpets. However, even my happiest customers have had a complaint: It had taken too long to find me! You will learn how to identify a professional carpet cleaning company. As an advocate for quality in business, I have dedicated my career to locating and uplifting carpet cleaning businesses that want to create good relationships with clients through excellent service. I will give you the ability to see these companies through my eyes, giving you the same ability to identify the best company for you. I will also teach you about tile and grout cleaning, along with do-it-yourself tips for spots, spills, and stains. If you experience a small accident in between cleanings (we all do), this is essential information for you to have. You will not be doing the professional's job for him; however, you will be helping to preserve the overall look and feel of your carpet until the professional can come in and restore it to that next level.
