Stubborn Love Janet Whitson,2022-02-19 One ex-black ops Marine. One stubborn single mom. And a stalker planning to teach her a lesson.After ending his stint with the Marine corps, Jim Donovan dialed back his alpha attitude and befriended military widow Sally Johnston. That was three years ago. Now the new partner in Jim's veterinary clinic is hitting on Sally, and there's an unknown stalker on her tail. Following his own code of honor, Jim must protect the woman he loves, but won't allow himself to chase her. She's going to have to come to him. Sally doesn't want protection or to fall in love. She'll consider a fling with Jim's new colleague, but Jim himself is off the menu. Keeping his friendship is more important. And the anonymous messages? Sally won't play that game. She'll do what has worked for her in the past—ignore them until they stop. She and her son have made it fine so far. That isn't going to change now. But from the woods behind her home, cold eyes watch Sally's every move, and an unhinged mind plans vengeance for imagined sins. I previously published a steamy version of this story using my former pen name, Susan Craig. I have rewritten it as a closed-door romantic suspense. I like it better this way, and hope you will too!

**Stubborn Love** Faith Loveright,2012-09-06 Pat was an ex-junky turned good cop, whose life was turned upside down when his sister and her husband died, leaving him to care for their daughter. If suddenly becoming a father figure wasn't a big enough problem for the bachelor, finding out that he had to return to his childhood home to raise her certainly was. He wasn't about to give up his job with the police force, along with his dream to someday become a narcotics officer, so he did the only thing that he could think of, and called on an old friend to help him out. What he didn't realize was that his old best friend had fallen in love with him long ago, and he had managed to break her heart. Too bad he couldn't remember what happened. He had said things to her, and done things with her when he was high that he couldn't recall, so her attitude towards him stumped him. Now to make matters more complicated, with Jessica living under the same roof as him, and looking better than ever, he couldn't stop thinking about her. For the first time in his life, he found himself wanting to settle down. But could he ever get her to take down the walls that she had built around her heart, and let him in? To make matters worse, Jessica was raped by a very powerful man who managed to impregnate her, and now that he knows about the baby, he is out for blood. In order to save Jessica and her daughter, Pat puts his own name on the birth certificate and insists that the two of them get married. Now, they are man and wife, and he

is more confused than ever by her hot and cold reactions to him. All he knows is that he wants his marriage to be the real deal, and he has no idea how to go about making it that way. It seems like the harder he tries, the more distance he manages to put between the two of them. Could he ever fix things with his best friend and reluctant wife that he now longed for more with? Was there any way that she could ever forgive him for the mistakes that he had made in the past? An even more pressing question; would they ever be free of the constant flow of goons that were out to find a flaw in their cover story about the baby? Would they ever REALLY be safe? Did he have it in him as a cop to make sure that these men never got the chance to harm his family? He didn't know, but he certainly intended to try.

*No Longer Lost* Angel Payne, Victoria Blue, 2019-05-07 A strong installment to a delightfully steamy series. ~Library Journal Lost... When a stalker forces me from my home and lands me on Mac's front door—and into the warmth of his bed—I can't avoid the truth any longer. I'm in love with him. I need him. I'm lost without him... Found... What the hell was I thinking, falling in love with a stubborn spitfire like Taylor Mathews? For the first time in my life, a woman is driving me insane with need. *The Sheikh's Stubborn Employee* Leslie North, Emily Baker is in a heap of trouble. Her beloved horse farm is struggling financially, and she's just found out her late father sold her favorite horse to a sheikh from a country she's never heard of. The buyer, Zaman Abdul-Rahman is sexy as all get-out, the sort of man who makes a fling with a sheikh seem like a good idea. But Emily isn't looking for romance, and certainly not with the overbearing alpha male who shows up to take away her beloved and pregnant horse, Riah. Emily refuses to let him until Zaman makes her a generous offer: he's taking Riah, but he'll also buy another horse and bring Emily to Qadir for six months to train it for an important race. Despite her hesitation, Emily knows the influx of cash will be enough to save the farm. Before she knows it, she's traveling to the tiny kingdom and being seduced, not only by this beautiful foreign land but by Zaman, who's just too gorgeous to resist. Zaman isn't the sort of man to fall for a woman, especially one with such a fierce streak of independence. But he can't help being wildly attracted to the beautiful American, and he secretly admires her strength and intelligence. Emily will only be in Qadir for six months, so what's the problem with giving into their searing passion for a short fling? After all, he's an expert at not growing too attached to anyone. This time, though, things are different. Emily is different. Maddeningly hard-headed. Thoroughly lovely. And...pregnant with his child. At the news, Zaman's world shifts dramatically. His protective instincts kick into high gear—and end up pushing Emily away. It soon becomes clear, though, that the only race he wants to win is the one for Emily's heart...
