

Thirteen Days A Memoir Of The Cuban Missile Crisis

Sergo Anastasovich Mikoian

Thirteen Days: A Memoir of the Cuban Missile Crisis Robert F. Kennedy, 2011-04-25 A minor classic in its laconic, spare, compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history.—Arthur M. Schlesinger, Jr. During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba, few people shared the behind-the-scenes story as it is told here by the late Senator Robert F. Kennedy. In this unique account, he describes each of the participants during the sometimes hour-to-hour negotiations, with particular attention to the actions and views of his brother, President John F. Kennedy. In a new foreword, the distinguished historian and Kennedy adviser Arthur Schlesinger, Jr., discusses the book's enduring importance and the significance of new information about the crisis that has come to light, especially from the Soviet Union.

Thirteen Days Robert F. Kennedy, 1971 A resissue of the gripping and bestselling account of the perilous showdown between the United States and Soviet Union in 1962. Includes a new Foreword by Arthur Schlesinger, Jr.

Thirteen Days Robert F. Kennedy, Richard E. Neustadt, Graham T. Allison, 1971

Thirteen Days Robert F. Kennedy, 1969-02-01 A resissue of the gripping and bestselling account of the perilous showdown between the United States and Soviet Union in 1962. Includes a new Foreword by Arthur Schlesinger, Jr.

13 Days in October Howard Brinkley, 2012-12-09 Never has the world come as close to the catastrophic destruction that nearly came to pass in October 1962. The United States and the Soviet Union, uneasy allies in World War II but Cold War rivals after the defeat of Germany, squared off over the discovery of Soviet nuclear missiles in Cuba. This launched 13 days of tense negotiations between the two nations, as both President John F. Kennedy and Soviet Premier Nikita Khrushchev prepared for the possibility of nuclear war. While neither man wanted a war and understood the potential consequences, the situation was not merely in their hands. Khrushchev faced pressure from Soviets to take a hardline stance against the U.S., while Kennedy faced the real possibility of a military coup if he did not follow the strong recommendations of his military advisors to destroy the missiles. As Attorney General Robert Kennedy said, The 10 or 12 people who participated in all these discussions were bright and energetic people. We had perhaps amongst the most able in the country and if any one of a half a dozen of them were president, the world would have been very likely plunged into catastrophic war. Read more about the history of this short crisis in this book. HistoryCaps is an imprint of BookCaps Study Guides. With each book, a brief period of history is recapped. We publish a wide array of topics (from baseball and music to science and philosophy), so check our growing catalogue regularly to see our newest books.

Thirteen Days Robert F. Kennedy, 1969-02-01 A resissue of the gripping and bestselling account of the perilous showdown between the United States and Soviet Union in 1962. Includes a new Foreword by Arthur Schlesinger, Jr.

13 Days Robert F. Kennedy, 2015-12-22

The Cuban Missile Crisis in American Memory Sheldon M Stern, 2012-09-05 “Marshals irrefutable evidence to succinctly demolish the mythic version of the crisis . . . sober analysis.” —The Atlantic This book exposes the misconceptions, half-truths, and outright lies that have shaped the still dominant but largely mythical version of what happened in the White House during those harrowing two weeks of secret Cuban missile crisis deliberations. More than a half-century after the event, it is surely time to demonstrate, once and for all, that Robert F. Kennedy’s *Thirteen Days* and the personal memoirs of other ExComm members cannot be taken seriously as historically accurate accounts of the ExComm meetings. This book, from the first historian to listen to and evaluate the White House tapes made during the crisis, does exactly that. “Stern is not alone in questioning the precision of the transcripts offered, but he has made the most painstaking attempt to clarify what was really said and done.” —Journal of American History

Thirteen Days Robert F. Kennedy, 1969

DEFCON-2 Norman Polmar, 2006-01-01 The closest we've ever come to the end of the world DEFCON-2 is the best single volume on the Cuban Missile Crisis published and is an important contribution to the history of the Cold War. Beyond the military and political facts of the crisis, Polmar and Gresham sketch the personalities that created and coped with the crisis. They also show us how close we came to the edge without becoming sensationalistic.—Larry Bond, bestselling author of *Dangerous Ground* Spy-satellite and aerial-reconnaissance photos reveal that one of the United States's bitterest enemies may be acquiring weapons of mass destruction and the means to use them against the American homeland. Administration officials refuse to accept intelligence professionals' interpretation of these images and order an end to spy missions over the offending nation. More than a month later, after vicious infighting, the president orders the spy missions to resume. The new photos reveal an array of ballistic missiles, capable of carrying nuclear warheads and striking deep within U.S. territory. It appears that the missiles will be fully operational within one week. This is not a plot setup for a suspense novel; it is the true story of the most terrifying moment in the 45-year Cold War between the United States and the Soviet Union: the Cuban Missile Crisis. DEFCON-2 tells this tale as it has never been told before—from both sides, with the help of hundreds of recently declassified U.S. and Soviet documents, as well as interviews with numerous former spies, military figures, and government officials who speak out here for the first time.

High Noon in the Cold War Max Frankel, 2004 An examination of the Cuban Missile Crisis analyzes the roles, objectives, and actions of John Kennedy and Nikita Khrushchev during the October 1962 showdown between the U.S. and Soviet Union.

The Soviet Cuban Missile Crisis Sergo Anastasovich Mikoiñ, 2012 300 pages of documents include: telegrams, memoranda of conversations, instructions to diplomats, etc.

The Cuban Missile Crisis Don Munton, David A. Welch, 2012 In *The Cuban Missile Crisis: A Concise History, Second Edition*, Don Munton and David A. Welch distill the best current scholarship on the Cuban missile crisis into a brief and accessible narrative history. The authors draw on newly available documents to provide a comprehensive treatment of its causes, events, consequences, and significance. Stressing the importance of context in relation to the genesis, conduct, and resolution of the crisis, Munton and Welch examine events from the U.S., Soviet, and Cuban angles, revealing the vital role that differences in national perspectives played at every stage. While the book provides a concise, up-to-date look at this pivotal event, it also notes gaps and mysteries in the historical record and highlights important persistent interpretive disputes. The authors provide a detailed guide to relevant literature and film for those who wish to explore further. Commemorating the 50th anniversary of the crisis, this revised and updated edition of *The Cuban Missile Crisis* is ideal for undergraduate courses on the 1960s, U.S. foreign policy, the Cold War, twentieth-century world history, and comparative foreign policy.

Thirteen Days/Ninety Miles Norman H. Finkelstein, 2000 From October 15-28, 1962, the world teetered on the brink of nuclear war. This book recreated the events of that time and examines the personalities of the major characters especially John F. Kennedy and Nikita Khrushchev. Using recently declassified information, Norman H. Finkelstein traces the missile crisis from its origins down to a breathtaking finale. In a starred review, Booklist said, “Young adult readers who enjoy suspense stories will be hard-pressed to find a more dramatic, well-written account of a historical event.”

Kennedy Tapes Concise Edition Ernest R May, Philip D Zelikow, 2002-02-05 October 1962: the United States and the Soviet Union stood eyeball to eyeball, each brandishing enough nuclear weapons to obliterate civilization in the Northern Hemisphere. It was one of the most dangerous moments in world history. Day by day, for two weeks, the inner circle of President Kennedy's National Security Council debated what to do, twice coming to the brink of attacking Soviet military units in Cuba -- units equipped for nuclear retaliation. And through it all, unbeknownst to any of the participants except the President himself, tape was rolling, capturing for posterity the deliberations that might have ended the world as we know it. Now available in this new concise edition, *The Kennedy Tapes* retains its gripping sense of history in the making. Book jacket.

The Missile Crisis Elie Abel, 1968 President Kennedy's decisive action during the 1962 nuclear confrontation between Russia and the U.S. over missile sites in Cuba is chronicled.

Nuclear Folly: A History of the Cuban Missile Crisis Serhii Plokyh, 2021-04-13 The definitive history....With his masterly book, Mr. Plokyh has sounded a warning bell. — The Economist A harrowing account of the Cuban missile crisis and how the US and USSR came to the brink of nuclear apocalypse. Nearly thirty years after the end of the Cold War, today's world leaders are abandoning disarmament treaties, building up their nuclear arsenals, and

exchanging threats of nuclear strikes. To survive this new atomic age, we must relearn the lessons of the most dangerous moment of the Cold War: the Cuban missile crisis. Serhii Plokhyy's *Nuclear Folly* offers an international perspective on the crisis, tracing the tortuous decision-making that produced and then resolved it, which involved John Kennedy and his advisers, Nikita Khrushchev and Fidel Castro, and their commanders on the ground. In breathtaking detail, Plokhyy vividly recounts the young JFK being played by the canny Khrushchev; the hotheaded Castro willing to defy the USSR and threatening to align himself with China; the Soviet troops on the ground clearing jungle foliage in the tropical heat, and desperately trying to conceal nuclear installations on Cuba, which were nonetheless easily spotted by U-2 spy planes; and the hair-raising near misses at sea that nearly caused a Soviet nuclear-armed submarine to fire its weapons. More often than not, the Americans and Soviets misread each other, operated under false information, and came perilously close to nuclear catastrophe. Despite these errors, nuclear war was ultimately avoided for one central reason: fear, and the realization that any escalation on either the Soviets' or the Americans' part would lead to mutual destruction. Drawing on a range of Soviet archival sources, including previously classified KGB documents, as well as White House tapes, Plokhyy masterfully illustrates the drama and anxiety of those tense days, and provides a way for us to grapple with the problems posed in our present day.

Gambling with Armageddon Martin J. Sherwin, 2020-10-13 From the Pulitzer Prize-winning author of *American Prometheus* comes the first effort to set the Cuban Missile Crisis, with its potential for nuclear holocaust, in a wider historical narrative of the Cold War—how such a crisis arose, and why at the very last possible moment it didn't happen. In this groundbreaking look at the Cuban Missile Crisis, Martin Sherwin not only gives us a riveting sometimes hour-by-hour explanation of the crisis itself, but also explores the origins, scope, and consequences of the evolving place of nuclear weapons in the post-World War II world. Mining new sources and materials, and going far beyond the scope of earlier works on this critical face-off between the United States and the Soviet Union—triggered when Khrushchev began installing missiles in Cuba at Castro's behest—Sherwin shows how this volatile event was an integral part of the wider Cold War and was a consequence of nuclear arms. *Gambling with Armageddon* looks in particular at the original debate in the Truman Administration about using the Atomic Bomb; the way in which President Eisenhower relied on the threat of massive retaliation to project U.S. power in the early Cold War era; and how President Kennedy, though unprepared to deal with the Bay of Pigs debacle, came of age during the Cuban Missile Crisis. Here too is a clarifying picture of what was going on in Khrushchev's Soviet Union. Martin Sherwin has spent his career in the study of nuclear weapons and how they have shaped our world. *Gambling with Armageddon* is an outstanding capstone to his work thus far.

One Minute to Midnight Michael Dobbs, 2008-06-03 In October 1962, at the height of the Cold War, the United States and the Soviet Union came to the brink of nuclear conflict over the placement of Soviet missiles in Cuba. In this hour-by-hour chronicle of those tense days, veteran Washington Post reporter Michael Dobbs reveals just how close we came to Armageddon. Here, for the first time, are gripping accounts of Khrushchev's plan to destroy the U.S. naval base at Guantánamo; the handling of Soviet nuclear warheads on Cuba; and the extraordinary story of a U-2 spy plane that got lost over Russia at the peak of the crisis. Written like a thriller, *One Minute to Midnight* is an exhaustively researched account of what Arthur Schlesinger, Jr. called "the most dangerous moment in human history," and the definitive book on the Cuban missile crisis.

"One Hell of a Gamble": Khrushchev, Castro, and Kennedy, 1958-1964 Aleksandr Fursenko, Timothy Naftali, 1998-08-17 Provides an account of the most dangerous moment of the Cold War--the Cuban Missile Crisis.

The book delves into *Thirteen Days A Memoir Of The Cuban Missile Crisis*. *Thirteen Days A Memoir Of The Cuban Missile Crisis* is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into *Thirteen Days A Memoir Of The Cuban Missile Crisis*, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to *Thirteen Days A Memoir Of The Cuban Missile Crisis*
- Chapter 2: Essential Elements of *Thirteen Days A Memoir Of The Cuban Missile Crisis*
- Chapter 3: *Thirteen Days A Memoir Of The Cuban Missile Crisis* in Everyday Life
- Chapter 4: *Thirteen Days A Memoir Of The Cuban Missile Crisis* in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of *Thirteen Days A Memoir Of The Cuban Missile Crisis*. This chapter will explore what *Thirteen Days A Memoir Of The Cuban Missile Crisis* is, why *Thirteen Days A Memoir Of The Cuban Missile Crisis* is vital, and how to effectively learn about *Thirteen Days A Memoir Of The Cuban Missile Crisis*.

3. In chapter 2, this book will delve into the foundational concepts of *Thirteen Days A Memoir Of The Cuban Missile Crisis*. The second chapter will elucidate the essential principles that must be understood to grasp *Thirteen Days A Memoir Of The Cuban Missile Crisis* in its entirety.

4. In chapter 3, the author will examine the practical applications of *Thirteen Days A Memoir Of The Cuban Missile Crisis* in daily life. This chapter will showcase real-world examples of how *Thirteen Days A Memoir Of The Cuban Missile Crisis* can be effectively utilized in everyday scenarios.

5. In chapter 4, the author will scrutinize the relevance of *Thirteen Days A Memoir Of The Cuban Missile Crisis* in specific contexts. This chapter will explore how *Thirteen Days A Memoir Of The Cuban Missile Crisis* is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about *Thirteen Days A Memoir Of The Cuban Missile Crisis*. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of *Thirteen Days A Memoir Of The Cuban Missile Crisis*.

Table of Contents *Thirteen Days A Memoir Of The Cuban Missile Crisis*

Thirteen Days A Memoir Of The Cuban Missile Crisis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Thirteen Days A Memoir Of The Cuban Missile Crisis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Thirteen Days A Memoir Of The Cuban Missile Crisis has opened up a world of possibilities. Downloading Thirteen Days A Memoir Of The Cuban Missile Crisis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Thirteen Days A Memoir Of The Cuban Missile Crisis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Thirteen Days A Memoir Of The Cuban Missile Crisis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Thirteen Days A Memoir Of The Cuban Missile Crisis. Some websites may

offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Thirteen Days A Memoir Of The Cuban Missile Crisis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Thirteen Days A Memoir Of The Cuban Missile Crisis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Thirteen Days A Memoir Of The Cuban Missile Crisis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Thirteen Days A Memoir Of The Cuban Missile Crisis is one of the best book in our library for free trial. We provide copy of Thirteen Days A Memoir Of The Cuban Missile Crisis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Thirteen Days A Memoir Of The Cuban Missile Crisis. Where to download Thirteen Days A Memoir Of The Cuban Missile Crisis online for free? Are you looking for Thirteen Days A Memoir Of The Cuban Missile Crisis PDF? This is definitely going to save you time and cash in something you should think about.
