The Slob Aron Beauregard,2020-11-18 SOME STAINS DON'T COME OUT... Raised in a household so filthy it was stomach-spilling, Vera involuntarily evolved into a neat freak. Upon discovering she and her disabled husband Daniel are expecting, she needs fast cash. Her obsession with cleanliness sprouts the concept that her skills can be put to use in a unique way. She takes a stab at the booming door-to-door vacuum sales business of 1988. All is going well until she arrives at the steps of a house that will change her forever. The steps of an evil that resurrects the ghastly memories she so desperately tried to wash away. Nothing will prepare you for the nastiness, disorder and sickening horror brought forth by... The Slob.

Dark Assembly Aron Beauregard,2020-06-10 TAKE PRIDE IN YOUR DYSFUNCTION: This assembly of putrid tales will drag you into the darkest regions of humanity. It will push extremes and test the mental and moral boundaries of those who choose to participate. Meet a woman who carries a dead baby inside her womb and also the belief that her stillborn fetus will somehow find life again. Connect with a nomadic punk-rocker who's out to make a quick buck when he's presented with a sickening conundrum. Join two teenage psychopaths as they bring hell to the suburbs on Devil's Night. Follow a child of the streets who finally steered away from a life of crime only to be drawn back by a bizarre new drug. Take part in a gruesome and nefarious ritual that can restore one's innocence, or worm your way into the dark web beside a sadistic pedophile with a bottomless desire to kill and destroy. How should you feel after digesting these admittedly obscene and repulsive stories? Ask yourself if enjoying them makes you a horrible person or if hating them somehow justifies your journey into this storm of violence and perversion. For the sick and willing, please join in our Dark Assembly...

Yellow Aron Beauregard,2021 WHAT WOULD YOU DO IF THEY TOOK EVERYTHING? Oliver Fitch has a troubling issue; he lives in a state of constant terror. After purchasing a convenience store in a once civil society, the streets around him have rapidly devolved into utter lawlessness. They're now festering with sinister gutter scum that only live to harass and intimidate him. His pathetic profits are gouged under the threat of violence and there isn't a damn thing he can do about it. Because in a city with no rules, where the sun never shines, the authorities are no help. In fact, they're an equal part of the problem. The relentless fear of confrontation is so obvious that even Oliver's wife Lydia has grown to resent his spineless existence. The absence of bravado opens the door to a horrific home invasion that leaves the miserable pair savagely maimed. From there, things only get worse until the criminal leeches have taken everything. Until there's nothing left inside but hate and the gnawing hunger for revenge. Until a switch finally flips and

Oliver realizes that they all have to die.

Hallucinations Aron Beauregard,2020-08-22 THE MADNESS IS MELTING BUT WILL NEVER DISAPPEAR In the grips of a bad trip, the hellish and overwhelming delusions are inescapable. Scarier than the overpowering visuals and boundless paranoia is the promise that there's no way out. Are you prepared to take that psychedelic pilgrimage?Are you ready to gaze upon an absurd growth that's gobbling up the entire world? Or take an unknown substance and hop on a private jet that spirals out of control? Would you let a young girl that spreads nasty rumors bend your ear to further her bizarre agenda? Pizza Face Aron Beauregard,2020-02-07 What if you were the cock of the walk in high school? Worshipped by all for your flawless appearance and

arrogant persona, until you woke up one morning to find that your once pristine skin had been stolen and replaced with a pus-oozing malformed flesh-scape? What if shadows were given a will of their own? What if the family dog stumbled upon a new class of bizarre and highly aggressive animals? What if there was a way to still physically be with a loved one after they passed on? What if the plants around us found a different kind of solace in the affection we display? Find out the answers in *Pizza Face*. Five unfathomable tales of disturbing mutation paired with ten original, malevolent artworks trapped within.

Try the **New Candy** Aron Beauregard, 2019-05-09 A book may seem like a rather harmless form of escape or entertainment but fair warning, this volume holds a breed of abhorrence most would prefer to escape FROM. The repulsive revelations of a disturbed mind. Ten tales of torment portraying the ghastly and macabre. A budding teenager comes along to house sit with his poor excuse for a father, only to find out the house has some disturbing secrets. Sew Sorry Daniel J Volpe, Aron Beauregard, 2021-10-09 YOU GET WHAT YOU EARN Henry's mother has enough money to live more than comfortably. But the only comfort she can concentrate on is her bizarre obsession. She can't help but constantly seek out the donation bins on the darker side of the city. The only problem is, she isn't putting clothing into them, she's taking it out. Until one frigid night when she accidentally unveils her selfish secret to everyone. After the revelation, the layer of shame left lathered on Henry becomes backbreaking. As Halloween approaches, macabre ideas manifesting in Henry's head spark a series of events that will lead to sins far worse than stealing. Garrison is hungry and cold. The only thing in his sights is finding a way to turn a dollar and his next foul meal. His own perseverance knows no bounds. His diabolical deeds are hidden in the shadowy alleys. He aims to survive, no matter who he has to trick or turn out in the process. But after burning too many bridges, he finds himself on an island. Alone, save for the salivating teeth of vengeance. When a tarnished teenager and heartless hobo collide, the streets will run red. Rich or poor,

we all rot the same. WARNING: This book contains graphic content. Reader discretion is advised.

Playground Day Jennifer Merz,2007-09-17 Intricate and charming collage illustrations crafted from torn and cut paper and found materials shine in this exuberant celebration of imagination and play. When a young girl packs her stuffed animals into her wagon and heads off to the park, she is inspired by both her toys and the playground equipment, and soon she is hiding like a squirrel, climbing like a monkey, sliding like a penguin, and so on-all relayed in catchy rhymed couplets. Each page offers clues to a friendly preschool guessing game and captures the unique pleasures of a day spent at the playground.

In the Hands of the Heathens Aron Beauregard,2021-05-19 STUPID SUPERSTITION? When a group of college students set out to a remote jungle in Madagascar to study a nocturnal endangered species for their thesis, things don't quite go as planned. After being saturated with supernatural folklore, an unexpected act of violence forces them to abandon their study immediately. In the midst of the chaos and terror, one of them doesn't make it back... Upon returning, things seem different. It's not just the anonymous calls and messages that they're starting to receive blaming them for the death of their friend, it's also the feeling that something may have followed them home. That something is watching them and waiting for the right moment to make them pay. Is it a mixture of trauma and paranoia, or is there a more carnal explanation for the evil stalking them? WARNING: This book contains graphic content. Reader discretion is advised.

Wedding Day Massacre Aron Beauregard,2021-03-13 I NOW PRONOUNCE YOUR END OF LIFE... It's that special day. The day when everything's supposed to be perfect. The day when everyone is supposed to drink too much and party like it's nineteen-ninety-nine. A day when family and friends show their support for the beginning of a beautiful bond. But what if someone wasn't there just to celebrate and have fun? What if the extravagant isolated destination was chosen for a more nefarious reason than assumed? What if someone at the ceremony held a dark secret? One that would see those in attendance slaughtered and humiliated in ways so nightmarish, they're beyond imagination. What if most everyone at the celebration had unknowingly attended a Wedding Day Massacre? Splatterpunk Award nominated author Aron Beauregard extends his invitation to you. WARNING: This book contains graphic content. Reader discretion is advised.

playground Jane Shemilt,2019 Over the course of a long, hot summer in London, the lives of three very different married couples collide when their

children join the same tutoring circle, resulting in illicit relationships, shocking violence, and unimaginable fallout. There's Eve, a bougie earth mother with a well-stocked trust fund; she has three little ones, a blue-collar husband and is obsessed with her Instagrammable recipes and lifestyle. And Melissa, a successful interior designer whose casually cruel banker husband is careful not to leave visible bruises; she curates her perfectly thin body so closely she misses everything their teenage daughter is hiding. Then there's Grace, a young Zimbabwean immigrant, who lives in a high-rise housing project with her two children and their English father Martin, an award-winning but chronically broke novelist; she does far more for her family than she should have to.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith, 2011 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Playground Jennifer Saginor, 2009-03-17 In the vein of *Running with Scissors*, *Playground* is the glitzy, glamorous, and surreal true story of a young girl who grew up inside the Playboy Mansion and never learned where the party stopped and the real world began. You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of *Playground*, the true story Jennifer Saginor who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's

girlfriend, and was already losing her grip on reality. Schoolwork, family, and ordinary people had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed Dr. Feel Good—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

Exquisite Corpse Poppy Z. Brite, 1997-08-20 From the author of *Lost Souls*, *Drawing Blood*, and *Wormwood* comes a thrilling and chilling novel that bestselling author Peter Straub says serves as a “guidebook to hell.” To serial slayer Andrew Compton, murder is an art, the most intimate art. After feigning his own death to escape from prison, Compton makes his way to the United States with the sole ambition of bringing his “art” to new heights. Tortured by his own perverse desires, and drawn to possess and destroy young boys, Compton inadvertently joins forces with Jay Byrne, a dissolute playboy who has pushed his “art” to limits even Compton hadn’t previously imagined. Together, Compton and Byrne set their sights on an exquisite young Vietnamese-American runaway, Tran, whom they deem to be the perfect victim. Swiftly moving from the grimy streets of London’s Piccadilly Circus to the decadence of the New Orleans French Quarter, Poppy Z. Brite dissects the landscape of torture and invites us into the mind of a killer. *Exquisite Corpse* confirms Brite as a writer who defies categorization. It is a novel for those who dare trespass where the sacred and profane become one.

Bones & All Camille DeAngelis, 2015-03-10 Now a major motion picture from Luca Guadagnino starring Taylor Russell, Timothée Chalamet and Mark Rylance, screenplay by David Kajganich! Maren Yearly is a young woman who wants the same things we all do. She wants to be someone people admire and respect. She wants to be loved. But her secret, shameful needs have forced her into exile. She hates herself for the bad thing she does, for what it's done to her family and her sense of identity, for how it dictates her place in the world and how people see her—how they judge her. She didn't choose to be this way. Because Maren Yearly doesn't just break hearts, she devours them. Ever since her mother found Penny Wilson's eardrum in her mouth when Maren was just two years old, she knew life would never be normal for either of them. Love may come in many shapes and sizes, but for Maren, it always ends the same—with her hiding the evidence and her mother packing up the car. But when her mother abandons her the day after her sixteenth birthday, Maren goes looking for the father she has never known, and finds much more than she bargained for along the way. Faced with a

world of fellow eaters, potential enemies, and the prospect of love, Maren realizes she isn't only looking for her father, she's looking for herself.
