The Big Exit David Carnoy,2012-10-11 The acclaimed author of Knife Music delivers “a thriller set in California’s Silicon Valley that has it all . . . [an] exceptionally satisfying murder puzzle” (Publishers Weekly, starred review). Richie Forman made his name and his fortune in dot-com marketing . . . but that was before he went to prison for a crime he swears he didn’t commit. Now that he’s been released, Richie wants to rebuild his life in the Bay Area. By day, he works at a law firm dedicated to freeing innocent men from prison. By night, he makes a living impersonating Frank Sinatra. But then his ex-best friend is found hacked to death in his garage, and Richie becomes the prime suspect. “Colorful characters abound” in this murder mystery with more intricate twists than a microchip. The Big Exit is a “first rate crime caper” (Kirkus).
