Cold Fusion [Russian-German Cultural Exchange](#), 2000 Significant German communities existed in Russia for three centuries until the Bolshevik revolution gradually extirpated their presence. These 18 papers explore a number of cultural influences that the German presence had on Russian letters, art, architecture, music, and other cultural pursuits. Spe.

Cold Fusion Gennady Barabtarlo, 2000-05-01 While historical and political aspects of the Russo-German relationship over the past three to four centuries have received due attention from scholars, the range of the far more diverse, important, and peculiar cultural relations still awaits full assessment. This volume shows how enriching these cultural influences were for both countries, affecting many spheres of intellectual and daily life such as philosophy and religion, education and ideology, sciences and their application, arts and letters, custom and language. The German-Russian relationship has always been particularly intense. Oscillating as it has between infatuation and contempt, it has always been marked by a singular paradox: a German cultural presence in Russia resulting either in a more or less complete fusion, as in the case of Russified German, or in a pronounced mutual repulsion, accompanied by the denigration of each other's culture as inferior. It is this curious paradox that determines the perspectives of the articles that were specially written for this volume, providing it with a unifying focus.

Being Here Marie Darrieussecq, 2017-07-03 'A luminous tale about the courage of the lone female artist.' Joan London Born in Germany in 1876, Paula Modersohn-Becker was the first female artist to paint herself not only naked but pregnant. *Being Here* is a moving account of the life of this ground-breaking Expressionist painter, by the acclaimed French writer Marie Darrieussecq. As her art evolves, Paula is torn between Paris and her home in northern Germany. In Paris she can focus on her work, and mix with artists like Rodin and Monet, or her close friend the poet Rainer Maria Rilke. But Germany is home, and that's where her painter husband Otto lives. Darrieussecq thrillingly describes Paula's discovery of her style and choice of subjects—women, babies, domestic life. She tells the story of her fraught marriage, her ambivalence about combining her passion for her career as an artist with motherhood. And she recounts her tragic death at thirty-one, days after giving birth. Marie Darrieussecq was born in Bayonne in 1969 and is recognized as one of the leading voices of contemporary French literature. Her first novel, *Pig Tales*, was translated into thirty-five languages. In 2013 she was awarded the Prix Médicis and the Prix des Prix. Text publishes her three most recent novels, *Tom Is Dead*, *All the Way and Men*, as well as *Being Here*, *The Life of Paula Modersohn-Becker*. 'Marie Darrieussecq reads the testament of Modersohn-Becker—the letters, the diaries, and above all the paintings—with a burning intelligence and a fierce hold on what it meant and means to be a woman and an artist.' J.M. Coetzee 'There are few writers who may have changed my perception of the world, but Darrieussecq is one of them.' The Times 'The internationally celebrated author who illuminates those parts of life other writers cannot or do not want to reach.' Independent 'Penny Hueston's translation from the original French, reads strangely—and in a good way—like true crime...Heartbreaking.' West Australian 'A brief, powerful artistic life that went painfully unrewarded—until after the painter's death.' Julian Barnes, Best Summer Holiday Reads, Guardian [UK] 'Darrieussecq has written this painful story because of her own sorrow at not knowing Paula Modersohn-Becker and of not knowing of her; sorrow, too, at her early death and truncated creativity. Darrieussecq looks squarely at a subject that is often too brutal to explore.' Monthly 'Lyrical and touching... Blending historical fact with imaginative flair, Darrieussecq brings her figures to life, imbuing them with emotion, character, and power...*Being Here* feels almost effortlessly beautiful, a short work of non-fiction told like a flowing piece of fictional prose.' AU Review 'Translated elegantly by Penny Hueston, the study retains some of the spacious, if not capacious quality of the French language and its ability to articulate the phenomena of presence and absence—the continued aliveness of the paintings and the sad and sudden death of the painter.' Conversation 'In Darrieussecq's hands, Modersohn-Becker's story is both individual and exemplary: a

frightening, energising fable' Guardian 'Darrieussecq animates the short life of a passionate German artist with vivid, spare prose...This taut biography, written in the present tense, has the urgency and poignancy of the best novels.' Suzy Freeman-Greene, Best Books of 2017, Australian Book Review 'One of those books that catches you by surprise, Being Here is art history that feels like a beautifully crafted novel...It's effortlessly beautiful, and highlights the ever more important need to tell the stories of women in art.' AU Review, Top Ten Books of 2017

Summer Karl Ove Knausgaard,2019-11-05 The grand finale of Karl Ove Knausgaard's masterful and intensely-personal series about the four seasons, illustrated with paintings by the great German artist Anselm Kiefer The conclusion to one of the most extraordinary and original literary projects in recent years, Summer once again intersperses short vividly descriptive essays with emotionally-raw diary entries addressed directly to Knausgaard's newborn daughter. Writing more expansively and, if it is possible, even more intimately and unguardedly than in the previous three volumes, he mines with new depth his difficult memories of his childhood and fraught relationship with his own father. Documenting his family's life in rural Sweden and reflecting on a characteristically eclectic array of subjects--mosquitoes, barbeques, cynicism, and skin, to name just a few--he braids the various threads of the previous volumes into a moving conclusion. At his most voluminous since My Struggle, his epic sensational series, Knausgaard writes for his daughter, striving to make ready and give meaning to a world at once indifferent and achingly beautiful. In his hands, the overwhelming joys and insoluble pains of family and parenthood come alive with uncommon feeling.
