The Year We Learned to Fly Jacqueline Woodson,2022-01-04 Jacqueline Woodson and Rafael López’s highly anticipated companion to their #1 New York Times bestseller *The Day You Begin* illuminates the power in each of us to face challenges with confidence. On a dreary, stuck-inside kind of day, a brother and sister heed their grandmother’s advice: “Use those beautiful and brilliant minds of yours. Lift your arms, close your eyes, take a deep breath, and believe in a thing. Somebody somewhere at some point was just as bored you are now.” And before they know it, their imaginations lift them up and out of their boredom. Then, on a day full of quarrels, it’s time for a trip outside their minds again, and they are able to leave their anger behind. This precious skill, their grandmother tells them, harkens back to the days long before they were born, when their ancestors showed the world the strength and resilience of their beautiful and brilliant minds. Jacqueline Woodson’s lyrical text and Rafael Lopez’s dazzling art celebrate the extraordinary ability to lift ourselves up and imagine a better world.

But there’s one thing she’s absolutely OBSESSED with: MUSICALS! From *Hamilton* to *Les Mis*, there’s not a cast album she hasn’t memorized and belted along to. She’s never actually been in a musical though, or even seen an actor who uses a wheelchair for mobility on stage. Would someone like Nat ever get cast? But when Nat’s family moves from California to New Jersey, Nat stumbles upon auditions for a kids’ production of *Wicked*, one of her favorite musicals ever! And she gets into the ensemble! The other cast members are super cool and inclusive (well, most of them)— especially Malik, the male lead and cutest boy Nat’s ever seen. The Cat Who Taught Me How to Fly Hashem Gharaibeh,2017-01-01 In his masterpiece *The Cat Who Taught Me How to Fly*,

Hashem Gharaibeh tells the moving story of a political prisoner during Jordan's martial law era, which spanned from 1967 to 1989. Gharaibeh defies the taboos of politics, sex, and religion to tell a thrilling and brutally honest story about the horrors and insanities of everyday life in an Arab prison. At once both a novel and an autobiography, the author draws from his own experiences as a Jordanian youth arrested and imprisoned for nearly a decade for his affiliation with the Jordanian Communist Party. The novel uniquely portrays prison culture intertwined with tribal, ideological, and political perspectives to explain both mundane and esoteric aspects of prison life in this time and era, illustrating an experience that is traumatic, humane, and inspiring. A heartwrenching story of learning, survival, and the quest for the freedom of thought is told with powerful defiance and grace, exposing us to human frailty, strength, and one man's dream to soar beyond the walls of prison, society, and self.

The Rock Eaters Brenda Peynado, 2021-05-11 An NPR Best Book of 2021 NYPL 10 Best Books for Adults, 2021 A story collection, in the vein of Carmen Maria Machado, Kelly Link, and Nana Kwame Adjei-Brenyah, spanning worlds and dimensions, using strange and speculative elements to tackle issues ranging from class differences to immigration to first-generation experiences to xenophobia. What does it mean to be other? What does it mean to love in a world determined to keep us apart? These questions murmur in the heart of each of Brenda Peynado's strange and singular stories. Threaded with magic, transcending time and place, these stories explore what it means to cross borders and break down walls, personally and politically. In one story, suburban families perform oblations to cattlelike angels who live on their roofs, believing that their "thoughts and prayers" will protect them from the world's violence. In another, inhabitants of an unnamed dictatorship slowly lose their own agency as pieces of their bodies go missing and, with them, the essential rights that those appendages serve. "The Great Escape" tells of an old woman who hides away in her apartment, reliving the past among beautiful objects she's hoarded, refusing all visitors, until she disappears completely. In the title story, children begin to levitate, flying away from their parents and their home country, leading them to eat rocks in order to stay grounded. With elements of science fiction and fantasy, fabulism and magical realism, Brenda Peynado uses her stories to reflect our flawed world, and the incredible, terrifying, and marvelous nature of humanity.
