

# **Once A Midwife A Hope River Novel**

**Linda Villarosa**

*The Midwife of Hope River* Patricia Harman, 2012-08-28 A remarkable new voice in American fiction enchants readers with a moving and uplifting novel that celebrates the miracle of life. In *The Midwife of Hope River*, first-time novelist Patricia Harmon transports us to poverty stricken Appalachia during the Great Depression years of the 1930s and introduces us to a truly unforgettable heroine. Patience Murphy, a midwife struggling against disease, poverty, and prejudice—and her own haunting past—is a strong and endearing character that fans of the books of Ami McKay and Diane Chamberlain will take into their hearts, as she courageously attempts to bring new light, and life, into an otherwise cruel world.

*Once a Midwife* Patricia Harman, 2018-11-06 It's *Call the Midwife* set in the U.S. homefront during World War II. If you loved Patricia Harman's *Midwife of Hope River* you'll love *Once a Midwife*! Named Best Midwife Book of the Year from the American College of Nurse Midwives The women of Hope River trust midwife Patience Hester, whose skill in delivering babies is known for miles around. But though the Great Depression is behind them, troubles are not, for Europe is at war...and it can only be a matter of time before the U.S. enters the fray. And while some are eager to join the fight, Patience's husband, Daniel, is not. Daniel is a patriot—but he saw too much bloodshed during the First World War, and has vowed never to take up arms again. His stance leaves Patience and their four children vulnerable—to the neighbors who might judge them, and to the government, who imprison Daniel for his beliefs. Patience must support their family and fight for her husband's release despite her own misgivings. And with need greater than ever, she must also keep her practice running during this tumultuous time...relying on generous friends, like Bitsy, who has returned to Hope River, stalwart neighbors, and her own indomitable strength to see them all through.

*The Reluctant Midwife* Patricia Harman, 2015-03-03 The USA Today bestselling author of *The Midwife of Hope River* returns with a heartfelt sequel, a novel teeming with life and full of humor and warmth, one that celebrates the human spirit. The Great Depression has hit West Virginia hard. Men are out of work; women struggle to feed hungry children. Luckily, Nurse Becky Myers has returned to care for them. While she can handle most situations, Becky is still uneasy helping women deliver their babies. For these mothers-to-be, she relies on an experienced midwife, her dear friend Patience Murphy. Though she is happy to be back in Hope River, time and experience have tempered Becky's cheerfulness—as tragedy has destroyed the vibrant spirit of her former employer Dr Isaac Blum, who has accompanied her. Patience too has changed. Married and expecting a baby herself, she is relying on Becky to keep the mothers of Hope River safe. But becoming a midwife and ushering precious new life into the world is not Becky's only challenge. Her skills and courage will be tested when a calamitous forest fire blazes through a Civilian Conservation Corps camp. And she must find a way to bring Isaac back to life and rediscover the hope they both need to go on. Full of humor and compassion, *The Reluctant Midwife* is a moving tribute to the power of optimism and love to overcome the most trying circumstances and times, and is sure to please fans of the poignant *Call the Midwife* series.

*The Blue Cotton Gown* Patricia Harman, 2008-10-01 A 2008 Indie Next Pick Despite nurse-midwife Patsy Harman's own financial and personal medical trials, including her private battle with uterine cancer, she devotes herself to her patients' well-being in all aspects of their lives. They, in turn, tell her intimate stories both heartbreaking and uplifting.

*Arms Wide Open* Patricia Harman, 2012-03-20 The author of *The Blue Cotton Gown* recounts living free and naturally against all odds—and discovering her true calling as a midwife—in this deeply moving memoir In her first, highly praised memoir, Patricia Harman told us the stories patients brought into her exam room, and her own story of struggling to help women as a nurse-midwife in medical practice with her husband—an OB/GYN—in Appalachia. Now, Patsy reaches back to the 1960s and 1970s, recounting how she learned to deliver babies and her youthful experiments with living a fully sustainable, natural life. Drawing heavily on her journals, *Arms Wide Open* goes back to a time of counter-culture idealism that the boomer generation remembers well. Patsy opens with stories of living in the wilds of Minnesota in a log cabin she and her lover build with their own hands, the only

running water being the nearby streams. They set up beehives and give chase to a bear competing for the honey. Patsy gives birth and learns to help her friends deliver as naturally as possible. Weary of the cold and isolation, Patsy moves to a commune in West Virginia, where she becomes a self-taught midwife delivering babies in cabins and homes. Her stories sparkle with drama and intensity, but she wants to help more women than healthy hippie homesteaders. After a ten-year sojourn for professional training, Patsy and her husband return to Appalachia, where they set up a women's health practice. They deliver babies together—this time in hospitals—and care for a wide variety of gyn patients. They live in a lakeside contemporary home, though their hearts are still firmly implanted in nature. The obstetrical climate is changing. The Harmans' family is changing. The earth is changing—but Patsy's arms remain wide open to life and all it offers. Her memoir of living free and sustainably against all odds will be especially embraced by anyone who lived through the Vietnam War and commune era, and all those involved in the back-to-nature and natural-childbirth movements.

Once Upon a River Diane Setterfield, 2019-07-02 From the instant #1 New York Times bestselling author of the “eerie and fascinating” (USA TODAY) *The Thirteenth Tale* comes a “swift and entrancing, profound and beautiful” (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is “a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing” (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

*The Runaway Midwife* Patricia Harman, 2017-01-31 From the USA Today bestselling author of the Hope River series comes a new contemporary midwife novel. Say “goodbye” to your old life, and “hello” to the life you've been waiting for... Midwife Clara Perry is accustomed to comforting her pregnant patients...calming fathers-to-be as they anxiously await the birth of their children...ensuring the babies she delivers come safely into the world. But when Clara's life takes a nosedive, she realizes she hasn't been tending to her own needs and does something drastic: she runs away and starts over again in a place where no one knows her or the mess she's left behind in West Virginia. Heading to Sea Gull Island—a tiny, remote Canadian island—Clara is ready for anything. Well, almost. She left her passport back home, and the only way she can enter Canada is by hitching a ride on a snowmobile and illegally crossing the border. Deciding to reinvent herself, Clara takes a new identity—Sara Livingston, a writer seeking solitude. But there's no avoiding the outside world. The residents are friendly, and draw “Sara” into their lives and confidences. She volunteers at the local medical clinic, using her midwifery skills, and forms a tentative relationship with a local police officer. But what will happen if she lets down her guard and reveals the real reason why she left her old life? One lesson soon becomes clear: no matter how far you run, you can never really hide from your past.

**Monique and the Mango Rains** Kris Holloway,2006-07-20 In a remote corner of West Africa, Monique Dembele saved lives and dispensed hope every day in a place where childbirth is a life-and-death matter. *Monique and the Mango Rains* is the compelling story of the authors decade-long friendship with Monique, an extraordinary midwife in rural Mali. It is a tale of Moniques unquenchable passion to better the lives of women and children in the face of poverty, unhappy marriages, and endless backbreaking work, as well as her tragic and ironic death. In the course of this deeply personal narrative, as readers immerse in village life and learn firsthand the rhythms of Moniques world, they come to know her as a friend, as a mother, and as an inspired woman who struggled to find her place in a male-dominated world.

*A Midwife's Song* Patricia Harman,2019-11-18 It's 1956, the beginning of the Civil Rights movement in the U.S. and the middle of the Cold War. Violent revolutions are happening all over the world. On the home front, in the mountains of Appalachia, midwives Patience and Bitsy face personal revolutions. Their adult children are growing up and away. Bitsy's adopted son returns from the army in Korea wounded in body and spirit. Patience's daughter is pregnant out of wedlock, and Danny, her son, has a problem with booze. Childbirth in the U.S. is changing too. The midwives, who were once called frequently for home deliveries, have been overshadowed by the new hospital with its painless childbirth, until a few rebel nurses appear and Bitsy and Patience step forward to help them. In the midst of these challenges, journals written in the 1850s by African American, Grace Potts, the elder midwife of the Hope River, begin appearing on Patience's porch at night. The diaries detail Grace's escape from slavery with the help of the Underground Railroad when she was fifteen. Who is bringing them? And why? What do the midwives do now? Read the journals, of course. Struggle to understand and help their children, of course. Join the civil rights protests on Main Street, yes... And sing!

**A Midwife's Tale** Laurel Thatcher Ulrich,2010-12-22 PULITZER PRIZE WINNER • Drawing on the diaries of one woman in eighteenth-century Maine, A truly talented historian unravels the fascinating life of a community that is so foreign, and yet so similar to our own (The New York Times Book Review). Between 1785 and 1812 a midwife and healer named Martha Ballard kept a diary that recorded her arduous work (in 27 years she attended 816 births) as well as her domestic life in Hallowell, Maine. On the basis of that diary, Laurel Thatcher Ulrich gives us an intimate and densely imagined portrait, not only of the industrious and reticent Martha Ballard but of her society. At once lively and impeccably scholarly, *A Midwife's Tale* is a triumph of history on a human scale.

*The Birth House* Ami McKay,2009-04-24 *The Birth House* is the story of Dora Rare, the first daughter to be born in five generations of Rares. As a child in an isolated village in Nova Scotia, she is drawn to Miss Babineau, an outspoken Acadian midwife with a gift for healing. Dora becomes Miss B.'s apprentice, and together they help the women of Scots Bay through infertility, difficult labours, breech births, unwanted pregnancies and even unfulfilling sex lives. Filled with details as compelling as they are surprising, *The Birth House* is an unforgettable tale of the struggles women have faced to have control of their own bodies and to keep the best parts of tradition alive in the world of modern medicine.

**The Midwife's Secret** Emily Gunnis,2021-10-28 A little girl goes missing from Yew Tree Manor - the same house from which a girl vanished decades before. Does the key to the present lie buried even deeper in the past, in the forgotten history of an innocent midwife accused by a family of shocking betrayal? A gripping, heartwrenching story of love, loyalty and family secrets. From the internationally bestselling author of *THE GIRL IN THE LETTER*. \_\_\_\_\_ It all began with a midwife's secret, long buried but if uncovered could save two families from the bitter tragedy that binds them. And prove the key that will free them all... 1969 On New Year's Eve, while the Hiltons of Yew Tree Manor prepare to host the party of the season, their little girl disappears. Suspicion falls on Bobby James, a young farmhand and the last person to see Alice before she vanished. Bobby protests his innocence, but he is sent away. Alice is never found. Present day Architect Willow James is working on a development at Yew Tree when she discovers the land holds a secret. As she begins to dig deep into the past, she uncovers a web of injustice. And when another child goes missing, Willow knows the only way to stop history repeating itself is to right a terrible wrong... \*\* EMILY GUNNIS'S NEW NOVEL

THE GIRLS LEFT BEHIND IS AVAILABLE NOW \*\* ARE YOU READY TO DISCOVER THE MIDWIFE'S SECRET? READERS ARE SPELLBOUND: 'I can highly recommend this beautiful tale which is heartbreaking, emotional, gripping, suspenseful and will keep you on the edge of your seat' ☐☐☐☐ Real reader review 'The Midwife's Secret is an unputdownable book that grips you from the beginning. Be prepared for plenty of tears throughout, right to the end' ☐☐☐☐ Real reader review 'Wow! What a powerful book. This had me hooked from the start. The story spans generations and tells of lies, grief and secrets. It was extremely well written and had you guessing right to the end. Loved the characters and couldn't put this book down' ☐☐☐☐ Real reader review 'This story grabbed a hold of me and sucked me in. It was highly captivating, dramatic and emotional . . . I literally could not turn the pages fast enough' ☐☐☐☐ Real reader review 'A real heart-pounder! It had intrigue, suspense and lots of twists and turns!! Definitely some jaw-dropping moments! I highly recommend reading this book!' ☐☐☐☐ Real reader review 'The story was stunning and heartbreaking. I went to bed at 2am! Can't wait for the next book' ☐☐☐☐ Real reader review 'Spellbindingly good! Heartbreak, intrigue, mystery' ☐☐☐☐ Real reader review

**Under the Skin** Linda Villarosa,2023-05-09 PULITZER PRIZE FINALIST • A stunning exposé of why Black people in our society 'live sicker and die quicker'—an eye-opening game changer.—Oprah Daily From an award-winning writer at the New York Times Magazine and a contributor to the 1619 Project comes a landmark book that tells the full story of racial health disparities in America, revealing the toll racism takes on individuals and the health of our nation. In 2018, Linda Villarosa's New York Times Magazine article on maternal and infant mortality among black mothers and babies in America caused an awakening. Hundreds of studies had previously established a link between racial discrimination and the health of Black Americans, with little progress toward solutions. But Villarosa's article exposing that a Black woman with a college education is as likely to die or nearly die in childbirth as a white woman with an eighth grade education made racial disparities in health care impossible to ignore. Now, in *Under the Skin*, Linda Villarosa lays bare the forces in the American health-care system and in American society that cause Black people to “live sicker and die quicker” compared to their white counterparts. Today's medical texts and instruments still carry fallacious slavery-era assumptions that Black bodies are fundamentally different from white bodies. Study after study of medical settings show worse treatment and outcomes for Black patients. Black people live in dirtier, more polluted communities due to environmental racism and neglect from all levels of government. And, most powerfully, Villarosa describes the new understanding that coping with the daily scourge of racism ages Black people prematurely. Anchored by unforgettable human stories and offering incontrovertible proof, *Under the Skin* is dramatic, tragic, and necessary reading.

**Kiss River** Diane Chamberlain,2019-03-11 A woman campaigns to rescue an Outer Banks community's lighthouse lens from the ocean in this classic novel by a New York Times bestseller. Separated by a continent from her child, Gina Higgins comes to Kiss River with little more than a desperate plan. Now, saving her daughter depends on whether she can uncover a message buried deep below the ocean's surface. Kiss River's historic nineteenth-century lighthouse has all but fallen into the sea, taking with it the huge Fresnel lens that once served as its beacon. Gina is desperate to find a way to raise the lens; the glass holds the key to her future, her fortune and her only chance to save the one person who matters to her. Clay O'Neill lives in the old light keeper's house, a home he shares with his sister, Lacey. When Lacey invites her to stay with them, Gina eagerly accepts. As Gina begins her quest to raise the lens, Clay finds himself drawn to her struggle, and to Gina herself. But the answers lie deep below the ocean. And the lighthouse holds secrets that neither Clay nor Gina can anticipate . . . Praise for *Kiss River* “Diane Chamberlain furbishes an intriguing novel that will send the audience seeking the debut story (*Keeper of the Light*).” —The Best Reviews “This book is filled with individuals struggling with their emotions and decisions, all of which make for a moving and touching reading experience.” —RT Book Reviews “Diane Chamberlain is a marvelously gifted author. Every book she writes is a gem.” —Literary Times

**Sophie's World** Jostein Gaarder,2007-03-20 One day Sophie comes home from school to find two questions in her mail: Who are you? and Where does the world come from? Before she knows it she is

enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

**The Origin of Consciousness in the Breakdown of the Bicameral Mind** Julian Jaynes, 2000-08-15 National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*

**Lost on Hope Island** Patricia Harman, 2016-05-15 *Lost on Hope Island: The Amazing Tale of the Little Goat Midwives* is an adventure story without villains, zombies or fire-breathing dragons. The book is for all ages, but especially children 7-12, and asks the real question, What if I were shipwrecked. Could I survive? A page-turner for young readers or a family read-a-loud-book, *Lost on Hope Island* will give fans of Harman's previous USA Today bestselling books an opportunity to discuss, with their children, the issues surrounding birth, death, racial diversity, climate change, loneliness, courage, family, and hope.

**Hummingbird House** Patricia Henley, 2000-04 An American midwife travels to Central America to care for the women and children suffering through war.

**The Tiger's Wife** Téa Obreht, 2011-03-08 NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER • "Spectacular . . . [Téa Obreht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop."—*Entertainment Weekly* Look for Téa Obreht's second novel, *Inland*, now available. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, *The New York Times* • *Entertainment Weekly* • *The Christian Science Monitor* • *The Kansas City Star* • *Library Journal* Weaving a brilliant latticework of family legend, loss, and love, Téa Obreht, the youngest of *The New Yorker's* twenty best American fiction writers under forty, has spun a timeless novel that will establish her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather's recent death. Searching for clues, she turns to his worn copy of *The Jungle Book* and the stories he told her of his encounters over the years with "the deathless man." But most extraordinary of all is the story her grandfather never told her—the legend of the tiger's wife. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The Wall Street Journal* • *O: The Oprah Magazine* • *The Economist* • *Vogue* • *Slate* • *Chicago Tribune* • *The Seattle Times* • *Dayton Daily News* • *Publishers Weekly* • Alan Cheuse, *NPR's All Things Considered* "Stunning . . . a richly textured and searing novel."—Michiko Kakutani, *The New York Times* "[Obreht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying."—*The Wall Street Journal* "Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, *The Tiger's Wife* is all the more remarkable for being the product not of observation but of imagination."—*The New York Times* Book Review "That *The Tiger's Wife* never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing."—*The Washington Post*

**Midwives of Moses** Jenifer Jennings, 2018-05-07 A god asked Puah to kill. That went against her faith. Her own God asked her to walk away. That went against her calling. Until she is ordered by Pharaoh to kill newborn Hebrew males, Puah thought she had an easy profession. If she obeys, it

means the deaths of untold innocents. If she doesn't, it means her death. As Pharaohs rise and fall, Puah's people are forced into deeper oppression. Men are forced labor and women are sent to serve their Egyptian counterparts. Only Puah and her recently acquired guild are free. For now. Moses, one of the hidden babies who was adopted by the Princess, is being groomed to take over. When he denies his right to rule and mistakenly kills an Egyptian, he is forced to flee into the desert. Forty years later, he returns as the instrument of God. With her medical training and passion for helping pregnant women, Puah places herself in the heart of hell on earth as the intensity of plagues increases. After the last plague falls, she must make the decision to stay in Egypt or face the unknown wilderness. Puah's heart has always been for the women of Egypt. How can she obey God to walk away from them in their greatest hour of need? She can only make the choice once and morning won't wait. Follow the faith journey of this brave woman in Book 1 of the Faith Finders Series, *Midwives of Moses*.

**Once A Midwife A Hope River Novel Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Once A Midwife A Hope River Novel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Once A Midwife A Hope River Novel has opened up a world of possibilities. Downloading Once A Midwife A Hope River Novel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Once A Midwife A Hope River Novel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Once A Midwife A Hope River Novel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Once A Midwife A Hope River Novel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks

on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Once A Midwife A Hope River Novel is one of the best book in our library for free trial. We provide copy of Once A Midwife A Hope River Novel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Once A Midwife A Hope River Novel. Where to download Once A Midwife A Hope River Novel online for free? Are you looking for Once A Midwife A Hope River Novel PDF? This is definitely going to save you time and cash in something you should think about.
