**The Night Before Kindergarten** Natasha Wing,2001-07-09 'Twas the night before kindergarten, and as they prepared, kids were excited, and a little bit scared. It's the first day of school! Join the kids as they prepare for kindergarten, packing school supplies, posing for pictures, and the hardest part of all—saying goodbye to Mom and Dad. But maybe it won't be so hard once they discover just how much fun kindergarten really is! Colorful illustrations illuminate this uplifting takeoff on the classic Clement C. Moore Christmas poem.

**Goodbye Preschool, Hello Kindergarten** Sonica Ellis,2020-06-14 Going to kindergarten is exciting but it can also be stressful for young children. This easy to read and beautifully illustrated rhyming children's book is the story of a sweet and adorable little duck named Max. Follow him as he says his goodbyes, centers himself and looks forward to starting something new - being a Kindergartner! Going to kindergarten is huge milestone for kids and should be celebrated. The goal of this book is to help children overcome the anxiety, jitters, and worries of starting kindergarten, and instead get them excited about a new experience and being a part of something fun and exciting. This book is essential reading for anyone interested in the history of early childhood education or in understanding how young children learn. **A Study of Child-Nature from the Kindergarten Standpoint** Elizabeth Harrison,2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 edition. Excerpt: ...fortune see this you arouse him to do likewise, and earning a fortune becomes a real possible thing, not a gift of fate. Or if the fortune has not been accumulated by the legitimate process of business, but by wild and reckless speculation, the curse of our Nation, show him the inevitable process; that as the bank account unjustly swells, so surely does the conscience and honor of the man shrink, until at last money has taken the place of manhood, and the younger man's desire for the ill-gotten gains changes into commiseration of the poor deluded soul which has robbed itself far more than it has robbed the world. Or again, the young student, who discovers what books the philosopher has read or would recommend for reading, feels that he has obtained possession of a ladder by which he too may climb to the dizzy height of scholarship attained; it becomes a stimulus to his flagging energies. It is this realization of inevitable process in all success that does away with that fatal paralysis of effort, a belief in good or bad luck, with which many a young man satisfies his conscience or smothers his aspirations. Let him from childhood be led to realize that there is no luck about it, but that each man makes or mars his own fortune, and if there remains a spark of the ideal in him it kindles into flame. Many of the questionings of the human heart as to the justice of Divine dealings can be satisfied by the light of this law. I sent my Soul through the invisible, Some letters of the after-life to spell; And by and by my Soul returned to me, And answered, ' I myself am Heaven or Hell'. Hell thus becomes God's highest tribute to man's freedom. In a-thousand ways we can test the importance or non-importance of any line of progress. Out of...
