Br Kingsolver

Queen of Air and Darkness Perfection Learning Corporation,2019

The Gambler Grimoire Br Kingsolver,2021-08-17 When Savanna Robinson showed up at Wicklow College to assume her new teaching position, she was somewhat curious about the abrupt departure of her predecessor. Then she discovered he had been murdered. No one knew who killed him, or why, but everyone had their theories and suspects. Even the police-arcane and mundane-didn't seem very eager to investigate too deeply. . But Savanna discovered a possible connection with the murder of a broker of rare arcane books. Were there really spells that could change your luck? When her own life is threatened, and the murders begin to pile up, she knows she can't leave the mystery unsolved. . An urban fantasy mystery to delight those who enjoy both genres.

Punk 57 Penelope Douglas,2023-12-05 Secrets, deception, and passion consume two pen pals in the TikTok sensation from New York Times bestselling author Penelope Douglas, now with exclusive bonus material! They were perfect together. Until they met. In fifth grade, Misha's teacher set him and his classmates up with pen pals from a different school. For the next seven years, Ryen was his everything. She kept Misha on track and accepted him as he is. They only had three rules: No social media, no phone numbers, no pictures. There was no reason to ruin the good thing they had going...until Misha runs across a photo of a girl online named Ryen. He knows he has to meet her. But he didn't expect to hate what he finds. Ryen has gone three months without a letter from Misha. Did he die? Get arrested? Knowing Misha like she does, neither would be a stretch. She needs to know someone is listening to her. But really, Ryen knows this is her own fault. She should've gotten his phone number, or picture, or something. As a mysterious vandal leaves messages in Ryen's school, she's possessed by the handsome new student who knows just how to hurt and heal her. But she can't stop thinking of Misha. He could be gone forever. Or right under her nose, and she wouldn't even know it...

Growing Wonder Felicia Alvarez,2022-03-22 Do you dream of possessing a magical rose garden or a thriving flower farm? Whether you long to fill your own acreage with roses or consider yourself more of a weekend gardener, Menagerie Farm & Flower's Felicia Alvarez can help make your love affair with roses a joyous and rewarding experience. With her engaging and encouraging advice, Alvarez assures readers that they can grow beautiful roses successfully. Whatever your level of passion, with her twenty years of farming experience Felicia will guide you with sound advice and detailed horticultural knowledge.

Dead Six Larry Correia, Mike Kupari,2011-10-01 Michael Valentine, veteran and former member of an elite private military company, has been recruited by the government to conduct a secret counter-terror operation in the Persian Gulf nation of Zubara. The unit is called Dead Six. Their mission is to take the fight to the enemy and not get caught. Lorenzo, assassin and thief extraordinaire, is being blackmailed by the world's most vicious crime lord. His team has to infiltrate the Zubaran terrorist network and pull off an impossible heist or his family will die. When Dead Six compromises his objective, Lorenzo has a new job: Find and kill Valentine. As allegiances are betrayed and the nation descends into a bloody civil war, Lorenzo and Valentine must face off. Two men. Two missions. Only one will win. At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Eternal Smile Gene Luen; Kim Yang (Derek Kirk), Derek Kirk Kim,2009 Meet Duncan. Charming and brave, he's the Princess's favorite-- and he's on his way to winning the throne. But lately, the walls of reality in Duncan's kingdom are wearing a little thin-- -- Meet Gran'pa Greenbox. Nothing seems to satisfy this greedy old frog's longing for a pool full of gold-- until, one day, a mysterious smile appears in the sky. Has his chance at happiness come at last? --

Meet Janet. Her nine-to-five life takes a turn for the romantic when she learns in an email from a mysterious Nigerian prince that she has been chosen to liberate his family's vast fortune. All he needs is her banking information. In three very different stories, master storytellers Gene Yang and Derek Kirk Kim pit fantasy against reality, for good or for ill--Cover leaf.

Literature and sustainability Adeline Johns-Putra, John Parham, Louise Squire, 2017-08-16 This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. How might literary scholarship engage with the sustainability debate? Aimed at research scholars and advanced students in literary and environmental studies, this collection brings together twelve essays by leading and up-coming scholars on the theme of literature and sustainability. In today's sociopolitical world, sustainability has become a ubiquitous term, yet one potentially driven to near meaninglessness by the extent of its usage. While much has been written on sustainability in various domains, this volume sets out to foreground the contributions literary scholarship might make to notions of sustainability, both as an idea with a particular history and as an attempt to reconceptualise the way we live. Essays in this volume take a range of approaches, using the tools of literary analysis to interrogate sustainability's various paradoxes and to examine how literature in its various forms might envisage notions of sustainability.

The American Yawp Joseph L. Locke, Ben Wright, 2019-01-22 I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world.—Walt Whitman, Song of Myself, Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Robert Louis Stevenson in Samoa Joseph Farrell, 2019-06-11 Shortlisted for the Saltire Society Non Fiction Book of the Year Award Almost every adult and child is familiar with his Treasure Island, but few know that Robert Louis Stevenson lived out his last years on an equally remote island, which was squabbled over by colonial powers much as Captain Flint's treasure was contested by the mongrel crew of the Hispaniola. In 1890 Stevenson settled in Upolu, an island in Samoa, after two years sailing round the South Pacific. He was given a Samoan name and became a fierce critic of the interference of Germany, Britain and the

U.S.A. in Samoan affairs - a stance that earned him Oscar Wilde's sneers, and brought him into conflict with the Colonial Office, who regarded him as a menace and even threatened him with expulsion from the island. Joseph Farrell's pioneering study of Stevenson's twilight years stands apart from previous biographies by giving as much weight to the Samoa and the Samoans - their culture, their manners, their history - as to the life and work of the man himself. For it is only by examining the full complexity of Samoa and the political situation it faced as the nineteenth century gave way to the twentieth, that Stevenson's lasting and generous contribution to its cause can be appreciated.

A Fringe Of Leaves Patrick White,2011-02-01 From the winner of the Nobel Prize for Literature Set in Australia in the 1840s, *A Fringe of Leaves* combines dramatic action with a finely distilled moral vision. Returning home to England from Van Diemen's land, the *Bristol Maid* is shipwrecked on the Queensland coast and Mrs Roxburgh is taken prisoner by a tribe of Australian Aboriginals, along with the rest of the passengers and crew. In the course of her escape, she is torn by conflicting loyalties - to her dead husband, to her rescuer, to her own and to her adoptive class.

Dr. Strange Beard Penny Reid,2018 Everyone in Green Valley, Tennessee knows that the six bearded Winston brothers have been imbued with an unfair share of charm and charisma... and are prone to mischief. *Dr. Strange Beard*, the fifth book in the *Winston Brothers* series, from USA TODAY bestselling author Penny Reid publishes in July 2018!

The Vanishing Sky L. Annette Binder,2020-07-21 For readers of *Warlight* and *The Invisible Bridge*, an intimate, harrowing story about a family of German citizens during World War II. Included in the *New York Times Book Review's* Summer Reading Guide for Historical Fiction "There was no shelter without her sons." In 1945, as the war in Germany nears its violent end, the Huber family is not yet free of its dangers or its insidious demands. Etta, a mother from a small, rural town, has two sons serving their home country: her elder, Max, on the Eastern front, and her younger, Georg, at a school for Hitler Youth. When Max returns from the front, Etta quickly realizes that something is not right-he is thin, almost ghostly, and behaving very strangely. Etta strives to protect him from the Nazi rule, even as her husband, Josef, becomes more nationalistic and impervious to Max's condition. Meanwhile, miles away, her younger son Georg has taken his fate into his own hands, deserting his young class of battle-bound soldiers to set off on a long and perilous journey home. *The Vanishing Sky* is a World War II novel as seen through a German lens, a story of the irreparable damage of war on the home front, and one family's participation-involuntary, unseen, or direct-in a dangerous regime. Drawing inspiration from her own father's time in the Hitler Youth, L. Annette Binder has crafted a spellbinding novel about the choices we make for country and for family.

The History and Uncertain Future of Handwriting Anne Trubek,2016-09-06 The future of handwriting is anything but certain. Its history, however, shows how much it has affected culture and civilization for millennia. In the digital age of instant communication, handwriting is less necessary than ever before, and indeed fewer and fewer schoolchildren are being taught how to write in cursive. Signatures--far from John Hancock's elegant model--have become scrawls. In her recent and widely discussed and debated essays, Anne Trubek argues that the decline and even elimination of handwriting from daily life does not signal a decline in civilization, but rather the next stage in the evolution of communication. Now, in *The History and Uncertain Future of Handwriting*, Trubek uncovers the long and significant impact handwriting has had on culture and humanity--from the first recorded handwriting on the clay tablets of the Sumerians some four thousand years ago and the invention of the alphabet as we know it, to the rising value of handwritten manuscripts today. Each

innovation over the millennia has threatened existing standards and entrenched interests: Indeed, in ancient Athens, Socrates and his followers decried the very use of handwriting, claiming memory would be destroyed; while Gutenberg's printing press ultimately overturned the livelihood of the monks who created books in the pre-printing era. And yet new methods of writing and communication have always appeared. Establishing a novel link between our deep past and emerging future, Anne Trubek offers a colorful lens through which to view our shared social experience.

Defending Country Noah Riseman, Richard Trembath, 2016-03-23 The role of Aboriginal servicemen and women has only recently been brought to the forefront of conversation about Australia's war history. This important book makes a key contribution to recording the role played by Indigenous Australians in our recent military history. Written by two respected historians and based on a substantial number of interviews with Indigenous war veterans who have hitherto been without a voice, it combines the best of social and military history in one book. This will be the first book to focus on this previously neglected part of Australian social history.

The American Yawp Joseph L. Locke, Ben Wright, 2019-01-22 I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world.—Walt Whitman, *Song of Myself*, *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume II opens in the Gilded Age, before moving through the twentieth century as the country reckoned with economic crises, world wars, and social, cultural, and political upheaval at home. Bringing the narrative up to the present, The American Yawp enables students to ask their own questions about how the past informs the problems and opportunities we confront today.

Get the Message? Lucy R. Lippard, 1984

Floating Staircase Ronald Malfi, 2011-10-01 Following the success of his latest novel, Travis Glasgow and his wife Jodie buy their first house in the seemingly idyllic western Maryland town of Westlake. At first, everything is picture perfect—from the beautiful lake behind the house to the rebirth of the friendship between Travis and his brother, Adam, who lives nearby. Travis also begins to overcome the darkness of his childhood and the guilt he's harbored since his younger brother's death—a tragic drowning veiled in mystery that has plagued Travis since he was 13. Soon, though, the new house begins to lose its allure. Strange noises wake Travis at night, and his dreams are plagued by ghosts. Barely glimpsed shapes flit through the darkened hallways, but strangest of all is the bizarre set of wooden stairs that rises cryptically out of the lake behind the house. Travis becomes drawn to the structure, but the more he investigates, the more he uncovers the house's violent and tragic past, and the more he learns that some secrets cannot be buried forever.

Night Game Christine Feehan,2005-11-01 In this “suspenseful...captivating” (Publishers Weekly) novel in GhostWalker series, #1 New York Times bestselling author Christine Feehan tracks the desperate steps of a wanted woman—betrayed, avenging, and dangerously irresistible... Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris “Flame” Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a red-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Flame in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?

How Emotions Are Made Lisa Feldman Barrett,2017-03-07 Preeminent psychologist Lisa Barrett lays out how the brain constructs emotions in a way that could revolutionize psychology, health care, the legal system, and our understanding of the human mind. “Fascinating . . . A thought-provoking journey into emotion science.”—The Wall Street Journal “A singular book, remarkable for the freshness of its ideas and the boldness and clarity with which they are presented.”—Scientific American “A brilliant and original book on the science of emotion, by the deepest thinker about this topic since Darwin.”—Daniel Gilbert, best-selling author of *Stumbling on Happiness* The science of emotion is in the midst of a revolution on par with the discovery of relativity in physics and natural selection in biology. Leading the charge is psychologist and neuroscientist Lisa Feldman Barrett, whose research overturns the long-standing belief that emotions are automatic, universal, and hardwired in different brain regions. Instead, Barrett shows, we construct each instance of emotion through a unique interplay of brain, body, and culture. A lucid report from the cutting edge of emotion science, *How Emotions Are Made* reveals the profound real-world consequences of this breakthrough for everything from neuroscience and medicine to the legal system and even national security, laying bare the immense implications of our latest and most intimate scientific revolution.

The Missing Ink Philip Hensher,2012-11-27 When Philip Hensher realized that he didn't know what a close friend's handwriting looked like (bold or crabbed, sloping or upright, italic or rounded, elegant or slapdash), he felt that something essential was missing from their friendship. It dawned on him that having abandoned pen and paper for keyboards, we have lost one of the ways by which we come to recognize and know another person. People have written by hand for thousands of years— how, Hensher wondered, have they learned this skill, and what part has it played in their lives? *The Missing Ink* tells the story of this endangered art. Hensher introduces us to the nineteenth-century handwriting evangelists who traveled across America to convert the masses to the moral worth of copperplate script; he examines the role handwriting plays in the novels of Charles Dickens; he investigates the claims made by the practitioners of graphology that penmanship can reveal personality. But this is also a celebration of the physical act of writing: the treasured fountain pens, chewable ballpoints, and personal embellishments that we stand to lose. Hensher pays tribute to the warmth and personality of the handwritten love note, postcards sent home, and daily diary entries. With the teaching of handwriting now required in only five states and many expert typists barely able to hold a pen, the future of handwriting is in jeopardy. Or is it? Hugely entertaining, witty, and thought-provoking, *The Missing Ink* will inspire readers to pick up a pen and write.

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Shadow Hunter An Urban Fantasy Rosie O Grady S Pa**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
