Tongue Twisters and Beyond: Words At Play Book Karen Gross, 2020-07-20 This word play book, comprised of many different and unusual types of word games including tongue (brain) twisters and spoonerisms, has several key goals. First, this book is intended to provide fun for all who use it, children and adults alike. Operating off the principle, Laugh2Learn, this book enables users to see the many ways in which words can be animated while at home, in school, on car trips, or in doctor's offices. Second, this book can be used by parents and teachers to help children navigate difficult times including school closures and other debilitating events. When other learning is stalled or children can't concentrate well if at all, they can try a tongue twister; it will provide laughter and levity and learning all at once. This right priced book will also animate the trauma responsive strategies of the best selling new adult release, *Trauma Doesn't Stop at the School Door* (Teachers College Press, 2020). Try it; you and your children/students will like it.

Ten-second Tongue Twisters Mike Artell, 2006 More sassy than Sally sells seashells, more peculiar than Peter Piper picked a peck of pickled peppers, these twisters will either loosen your tongue or get you all tangled up and laughing. Either way, they're pure entertainment, and a great way to kick-start a kids' party. Some of the twisters might look easy at first. But when you multiply them and speed up, suddenly you're tripping over the words, reversing letters, and turning mush-mouthed. So grab the clock and find out just how many times you can repeat this in ten seconds: The bad brats broke the bats or Fresh fried fish filets, fresher fried fish filets, freshest fried fish filets. It's an irresistible challenge.

Tongue Twisters, Rhymes, and Songs to Improve Your English Pronunciation Theresa Bareither, 2007-11-14 Okay. You are living and working in the United States, or perhaps you are living and working in your home country using English on a daily basis for business. You have basic English language fluency. I admire you because it has been a dream of mine to be able to speak another language--any language--as well as you speak English. But darn it! Don't you get a little tired of those funny looks? Doesn't it get annoying to hear, Could you repeat that please? The purpose of this workbook and accompanying CDs, is to help you realize why you get those occasional reactions from your listeners, and to take the good English you already have and polish it enough to keep those questions to a bare minimum. And while we're at it, I'd like for you to have some fun!
