If he had been wrong about the rapture, what else about his faith might not hold water? Part memoir, part tour of the apocalypse, and part call to action, *Unraptured* traces how the church's focus on escaping to heaven has it mired in decay. Teetering on the brink of irrelevancy in a world rocked by refugee crises, climate change, war and rumors of war, the church cannot afford to focus on the end times instead of following Jesus in the here and now. *Unraptured* uses these signs of the times to help readers reorient their understanding of the gospel around loving and caring for the least of these.

Sinner Ted Dekker,2009-06-28 Some say roll with the punches. Drift with the tide. Nothing can stop the inevitability of change. There was a time when 300 Spartans disagreed with such mindless thinking and stood in the gap. Now it's time for 3,000 to stand in the gap. *Sinner* is the story of Marsuvees Black, a force of raw evil who speaks with wicked persuasion that is far more destructive than swords or guns. Beware all who stand in his way. It's also the story of Billy Rediger and Darcy Lange, two unsuspecting survivors of a research project gone bad, who discover that they are perhaps the two most powerful souls in the land. Listen to them or pay a terrible price. And it's the story of Johnny Drake, the one who comes out of the desert and leads the 3,000. Follow him and die. *Sinner* tells the story of a free land where people who worship as they please and say what they believe are suddenly silenced in the name of tolerance. Most will roll with the punches. Most will drift with the tide. But not all. Not the 3,000.
