*Nomad Girl* Niema Ash, 2020-06-28 *Nomad Girl* is a memoir, it is about the 60s, the decade that wanted to change the world, and it did. It is about 'The Finjan', a folk/blues music club I ran with my partner in Montreal — the coffee house/music club culture being at the heart of the 'changing times'.

**Travels with my Daughter** Niema Ash, 2001-10-01 You could say I had an unconventional upbringing. At the age of four, I was sharing my bedroom with Bob Dylan, and by the time I was fifteen, I had been taken out of school to go traveling and was smoking joints with my mother. Some may be shocked at the adventures mother and daughter share, but everyone will admire Niema's celebration of travel, motherhood, and life itself, as this honest and often humorous account describes how she copes with: The overwhelming desire to travel, which conflicts with the responsibilities of motherhood. Finding the confidence to believe in herself and her instincts. Being a single mother in the sixties while mixing with some of the most talented poets and musicians of our time, including Bob Dylan, Leonard Cohen, Irving Layton, Seamus Heaney, and Joni Mitchell. Developing a unique mother-daughter bond that many only dream about. This book will touch a hidden nerve in everyone who reads it as it turns a world of convention and protocol upside-down!

**Touching Tibet** Niema Ash, 2010-10-31 Niema Ash was one of the first Westerners to enter Tibet when its borders were briefly opened in 1986. Visiting at a time when tourists were few and far between allowed her to encounter people for whom traditional life had been unchanged for generations. Their humour, spirituality, and sheer enthusiasm for life had carried

them through years of oppression. Niema relates her experiences in this absorbing personal tale with wit, compassion and sensitivity. Despite the determined efforts of the Dalai Lama to publicise the Tibetan cause, to this day the people, culture and traditions remain mysterious to many. *Touching Tibet* gives an insight into the heart and soul of this magnificent and enigmatic country.

*Touching Tibet* Niema Ash,2003 Despite the determined efforts of the Dalai Lama to publicize the Tibetan cause, for many the people, culture, history, and traditions to this country remain mysterious. Niema Ash was one of the first Westerners to enter the country when its borders were briefly opened. In this highly absorbing and personal account, she relates with wit, compassion, and sensitivity her encounters with people whose humor, spirituality, and sheer enthusiasm for life have carried them through years of oppression and suffering. This journey into a forbidden kingdom gives a fresh insight into the real heart of Tibet.

*Nomad Girl* Kanakiya Myra Ah Chee,2021 Kanakiya Myra Ah Chee was born at Oodnadatta in remote South Australia in 1932. When her mother tragically died Myra was only eight. Her grieving father gathered up the remaining family and walked north - away from her childhood home. They spent years as

nomads, travelling with the camels that were her father's livelihood, up and down the Finke River. Her father sought work where and when he could, while he looked after his children, teaching them about the bush, their culture and life. It was a childhood of freedom, bush tucker, bush games, fires, stories at night and sleeping under the stars - at times idyllic but, at other times, terrifying and tragic. Myra's father was a safe and reassuring presence, but when he decided education was the key to his children's future, Myra's life was changed forever. There are so many stories to tell of my life, and sometimes I think they are not of importance, but they are, because often it is the little details that are the most important. I still remember every detail. [Like] Oodnadatta Country -- I can still see it, in my mind's eye, exactly as it was back in my time. The Country still calls me back to where I was born, a very exposed and stony land, but I still love it. That's where my spirit is.
