Une Romance en Gynarchie Simon Purcell, 2019-04-19 Je m'appelle Lucius, j'ai dix-huit ans et je suis un mâle vivant sur le Grand Continent, en Gynarchie. Mon histoire n'est pas un récit impressionnant d'héroïsme comme l'odyssée de Maître Flor et de son soumis Icare. C'est simplement l'histoire de ma vie, la vie d'un mâle né environ deux siècles après la crise Isabellienne. Cette année, j'obtiens mon diplôme du lycée. Il y a cette jeune Dame dans mon lycée que j'apprécie beaucoup. Mademoiselle Jenna. J'aimerais vraiment l'inviter au bal de l'école. Mademoiselle Jenna vient du Long Continent et a déménagé ici l'année dernière avec sa famille. J'aimerais vraiment qu'elle devienne ma petite amie et ma Maître. Mais d'abord, je dois demander la permission à Mère. En fait, je ne suis pas sûr que Mère accepte. Le Long Continent est connu pour être bien plus progressiste que le nôtre et ma famille est très Conservatrice. En fait, je suis un Prude, comme mon papa et mes deux grands-pères avant moi. Si vous ne le savez pas, les Prudes sont des mâles qui n'ont jamais connu aucune forme de plaisir sexuel. La Pruderie a beaucoup de valeur dans ma famille. Est-ce que Mère risque de penser que Mademoiselle Jenna, avec sa culture du Long Continent, pourrait pervertir mes croyances et mes valeurs ? J'espère que non, parce que je voudrais vraiment que cette exceptionnelle jeune Dame devienne ma Dominatrice. Est-ce que Mère va me donner la permission de sortir avec Mademoiselle Jenna ? Et est-ce que Mademoiselle Jenna va dire oui ? Lisez mon histoire et découvrez comment les choses vont se passer ! A powerful initiation story, freely inspired by real events.

Men Are from Mars, Women Are from Venus John Gray, 1993-04-23 Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles (get close, back off), and female self-esteem fluctuations (I'm okay, I'm not okay). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional trash from the past from invading new relationships, Men Are from Mars, Women Are from Venus is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

Females of Vulvar J. K. Spenser, 2021-01-05 The first installment in the new dark fantasy science fiction series set on a planet called Vulvar, where females rule and all males are enslaved to serve them. What if alien DNA was encoded in your genes and no one told you? Archaeology professor Tobias Hart once would have laughed at such a notion. Hart, orphaned as a small child when someone murdered his father and his mother disappeared without a trace, was reared by an aunt and uncle in upstate New York. Fortunately, after such a tragic beginning, Hart's life is much improved these days. He's recently completed a PhD at Princeton and received his first post in the academic world, a tenure-track appointment to teach at Stanford University. Hart is positive he is on his way to realizing his life's dream, a tenured archaeology professorship at a prestigious university. Until he stops in southwest New Mexico to visit a Native American archaeology site on his way to the West Coast. There Hart's life takes a most unexpected and dramatic turn. Camping overnight near some ancient cliff dwellings, Hart glimpses an alien spacecraft moments before the aliens abduct him. Soon he finds himself a captive on a strange, dystopian and barbaric planet where females rule and all males are slaves. As he struggles to figure out who abducted him and why, Hart becomes party to a shocking reunion with someone he hasn't seen in over thirty years, his mother. She reveals that Vulvar is her home planet, and that Hart is half Vulvarian. Next she tells him the most disturbing thing of all. Over her objections, the powers that be have brought Hart to the alien world for use as breeding stock. Like all males on the planet Vulvar, Hart quickly finds himself enslaved, the property of a beautiful but

ruthless Mistress. Just as Hart despairs and contemplates ending his own life over being used as a breeding animal and the other realities of the harsh life his captors have imposed on him, they offer him an opportunity to win his freedom. The group of physical, absentee Vulvarian divine entities need someone to find and recover a valuable ancient artifact. Because of his education and experience as an archaeologist, they deem Hart the only being on Vulvar qualified for the undertaking. The problem is they believe the artifact is hidden in the most remote and dangerous region on the planet. If Hart accepts the mission, he may not live to complete it. But, if he finds and recovers the artifact, the deities promise to return him home to Earth as a reward. Hart desperately wants to return home. He wants his life back. But with such an infinitesimal chance of success, is the opportunity at freedom they offer worth dying for?

Transsexualism Colette Chiland,2003-01-01 Transsexualism is a stimulating, proactive and important book. Colette Chiland does not back away from difficult issues. She forces all of us to look at our assumptions about transsexualism and to re-examine what gender and sex really mean' - Christine Ware, author of Where Id Was: Challenging Normalization in Psychoanalysis 'In a nutshell, the book offers a much-needed alternative view of transsexuality from a psychiatric and European point of view... Chiland's interesting and well presented book is a valued reminder of how different the same topic can appear in an alternative perspective' - Transgender Tapestry Colette Chiland exhibits a masterful and encyclopedic knowledge of transsexualism, drawing together the insights of depth psychology, psychoanalysis, history, anthropology and sociology for rethinking transsexualism in terms of identity, subjectivity and the wider socio-historical world. This book is written with considerable precision on complex, technical issues, whilst at the same time keeping the broader question of the relationship between transsexualism and society firmly in mind.

Matriarchal Societies Heide Göttner-Abendroth,2013-09-30 This book presents the results of Heide Goettner-Abendroth's pioneering research in the field of modern matriarchal studies, based on a new definition of «matriarchy» as true gender-egalitarian societies. This new perspective on matriarchal societies is developed step by step by the analysis of extant indigenous cultures in Asia, Africa, and the Americas.

The Hermaphrodite Julia Ward Howe,2004-12-01 Written in the 1840s and published here for the first time, Julia Ward Howe's novel about a hermaphrodite is unlike anything of its time--or, in truth, of our own. Narrated by Laurence, who is raised and lives as a man, is loved by men and women alike, and can respond to neither, this unconventional story explores the understanding that fervent hearts must borrow the disguise of art, if they would win the right to express, in any outward form, the internal fire that consumes them. Laurence describes his repudiation by his family, his involvement with an attractive widow, his subsequent wanderings and eventual attachment to a sixteen-year-old boy, his own tutelage by a Roman nobleman and his sisters, and his ultimate reunion with his early love. His is a story unique in nineteenth-century American letters, at once a remarkable reflection of a largely hidden inner life and a richly imagined tale of coming of age at odds with one's culture. Howe wrote *The Hermaphrodite* when her own marriage was challenged by her husband's affection for another man--and when prevailing notions regarding a woman's appropriate role in patriarchal structures threatened Howe's intellectual and emotional survival. The novel allowed Howe, and will now allow her readers, to occupy a speculative realm otherwise inaccessible in her historical moment.

A Romance in Gynarchia Part 1 Simon Purcell,2018-05-08 Synopsis:My name is Lucius, I am an 18 years-old male living on the Great Continent, in Gynarchia.My story is not some impressive heroic tale like the odyssey of Mistress Flor and submissive Icarus. It is simply my life, the life of a male, born roughly two centuries after the Isabellan Crisis.This year, I am graduating from high-school. There is this young Lady in my school that I really like, Miss Jenna. I would really like to ask her out and take her to the school dance.Miss Jenna is from the Long Continent and moved here last year with her family. I would really like her to become my girlfriend and Mistress.But first, I need to ask Mother for permission. The thing is, I am not sure that Mother will accept. The Long Continent is known to be a lot more liberal than ours, and mine is a very Conservative family.In fact, I am a Prude, just like my daddy and both my grandfathers before me. If you are unaware, Prudes are male which have not ever felt any kind of sexual pleasure. Prudishness is very valued in my family.Will Mother believe that Miss Jenna, with her culture from the Long Continent, will pervert my values and beliefs?I hope not, because I would really like this stunning young Lady to become my Dominatrix.Will Mother give me permission to date Miss Jenna? And Will Miss Jenna say yes?Read my story and find out how things will work out!Extract:Not so fast Lucius. We seem to be forgetting something. Shouldn't you ask for your spanking?Miss Jenna's voice was a bit more Dominant now. On average, the Ladies of Gynarchia always had that confidence, that conviction to themselves that gave them a depth of moral authority over the males. Miss Jenna, though she was from the Long Continent, was no exception.But today, her voice seemed even more authoritarian and confident. Hearing her command me in that fashion was sending tingles in my lower belly, a frustrated sense of desire for a feeling that, as a Prude, I had never experienced. A feeling that I would probably never experience. Especially her little accent, in that firm voice, was making me feel incredibly submissive.I am terribly sorry Miss Jenna.I moved from my punishment stance and knelt before her feet. My head down, my hands behind my back, I asked:Miss Jenna, could you please do me the honor of giving me my maintenance spanking today?Well, since you have asked so humbly, it will be my pleasure. Now go assume your spanking position!Yes Miss Jenna! I gladly answered.I was still a bit embarrassed about being spanked by my date in front of Mother. But such were the rules.I quickly bent over the couch, my bottom presented to Miss Jenna.Behind us, Mother remained silent. True to her word, she did not seem willing to interfere. She

would only judge whether Miss Jenna's hand was firm enough to her taste. I hoped this would motivate Miss Jenna not to spare me. Not that I particularly wanted to experience more pain, but I knew that the young Lady I was taken with needed to prove convincing to Mother in her correction. If it meant more pain for my backside, so be it.

Indian Cartography Deborah A. Miranda, 1999 Poetry. Native American Studies. Winner of the North American Native Authors First Book Award. Deborah Miranda's INDIAN CARTOGRAPHY provides a psychic and emotional remapping of the Native American world of the West Coast. In lyric verse that is sometimes spare, sometimes dramatic, Miranda charts a homeward journey through the heart's territory --a land that has long been torn, disrupted, and colonized in the harshest sense of that word --Janice Gould. The first poem grabbed my wrist and held me for the duration. The prose is equally alive and its images have the precision and the edge of the finest poetry. Seamless back and forth journey from one little girl to another, one woman to another, one memory to another. All distinct yet connected. One long scream from a heart who will not stop living, whose life is an affirmation of survival --Wendy Rose. Miranda's poetry and essays have appeared in Bricolage, Calyx, Calloo, The Cimarron Review, Raven Chronicles, and Soujourner.
