House of Leaves Mark Z. Danielewski, 2000-03-07

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." –The New York Times

Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon

enough would tear through their walls and consume all their dreams.

House of Leaves Mark Z. Danielewski, 2000 THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel.

'Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious. –Michiko Kakutani, The New York Times Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless. –Bret Easton Ellis, bestselling author of *American Psycho* “This demonically brilliant book is impossible to ignore.” –Jonathan Lethem, award-winning author of *Motherless Brooklyn* Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the

story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of "the backrooms," and incredible works of art in entirely unrealized mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Familiar, Volume 1 Mark Z.

Danielewski, 2015-05-12 From the author of the international best seller House of Leaves and National Book Award-nominated Only Revolutions comes a monumental new novel as dazzling as it is riveting. The Familiar (Volume 1) ranges from Mexico to Southeast Asia, from Venice, Italy, to Venice, California, with nine lives hanging in the balance, each called upon to make a terrifying choice. They include a therapist-in-training grappling with daughters as demanding as her patients; an ambitious East L.A. gang member contracted for violence; two scientists in Marfa, Texas, on the run from an organization powerful beyond imagining; plus a recovering addict in Singapore summoned at midnight by a desperate

billionaire; and a programmer near Silicon Beach whose game engine might unleash consequences far exceeding the entertainment he intends. At the very heart, though, is a twelve-year-old girl named Xanther who one rainy day in May sets out with her father to get a dog, only to end up trying to save a creature as fragile as it is dangerous . . . which will change not only her life and the lives of those she has yet to encounter, but this world, too—or at least the world we think we know and the future we take for granted. (With full-color illustrations throughout.) Like the print edition, this eBook contains a complex image-based layout. It is most readable on e-reading devices with larger screen sizes.

The Little Blue Kite Mark Z.

Danielewski,2019-11-05 We all have fears, but if we can't face the small ones how will we face the big ones? Kai is afraid to fly a little blue kite. But Kai is also very, very brave, and overcoming this small fear will lead him on a great adventure. Remember: all great adventures start with one little moment. You know the one. It's like a gentle breeze whispering in your ear what you already know by heart: not even the sky is the limit . . . The only other thing you might want to know about this book is that there are at least three ways to read it. The first way takes only a few minutes. Just follow the rainbow-colored words. The second takes only a little bit longer. Just follow the words haloed with blue and red and the rainbow words too. For the third way, just start at the beginning.

Only Revolutions Mark Z. Danielewski, 2006 Moving back and forth in American history, a kaleidoscopic novel follows Hailey and Sam, two wayward teenagers, as they crash New Orleans parties, barrel up the Mississippi, head through the Badlands, and take on other adventures.

The Whalestoe Letters Mark Z.

Danielewski, 2000-10-10 Between 1982 and 1989, Pelafina H. Lièvre sent her son, Johnny Truant, a series of letters from The Three Attic Whalestoe Institute, a psychiatric facility in Ohio where she spent the final years of her life. Beautiful, heartfelt, and tragic, this correspondence reveals the powerful and deeply moving relationship between a brilliant though mentally ill mother and the precocious, gifted young son she never ceases to love. Originally contained within the monumental *House of Leaves*, this collection stands alone as a stunning portrait of mother and child. It is presented here along with a foreword by Walden D. Wyhrta and eleven previously unavailable letters.

The Fifty Year Sword Mark Z.

Danielewski, 2012-10-16 In this story set in East Texas, a local seamstress named Chintana finds herself responsible for five orphans who are not only captivated by a storyteller's tale of vengeance but by the long black box he sets before them. As midnight approaches, the box is opened, a fateful dare is made, and the children as well as Chintana come face to face with the consequences of a malice retold and now foretold.

Broken River J. Robert Lennon, 2017-05-16 The most inventive and entertaining novel to date from "a master of the dark arts" (Kelly Link) A modest house in upstate New York. One in the morning. Three people—a couple and their child—hurry out the door, but it's too late for them. As the virtuosic and terrifying opening scene of Broken River unfolds, a spectral presence seems to be watching with cold and mysterious interest. Soon the house lies abandoned, and years later a new family moves in. Karl, Eleanor, and their daughter, Irina, arrive from New York City in the wake of Karl's infidelity to start anew. Karl tries to stabilize his flailing art career. Eleanor, a successful commercial novelist, eagerly pivots in a new creative direction. Meanwhile, twelve-year-old Irina becomes obsessed with the brutal murders that occurred in the house years earlier. And, secretly, so does her mother. As the ensemble cast grows to include Louis, a hapless salesman in a carpet warehouse who is haunted by his past, and Sam, a young woman newly reunited with her jailbird brother, the seemingly unrelated crime that opened the story becomes ominously relevant. Hovering over all this activity looms a

gradually awakening narrative consciousness that watches these characters lie to themselves and each other, unleashing forces that none of them could have anticipated and that put them in mortal danger. Broken River is a cinematic, darkly comic, and sui generis psychological thriller that could only have been written by J. Robert Lennon.

The Familiar, Volume 5 Mark Z.

Danielewski, 2017-10-31 The Season One finale of this riveting multisensory masterpiece from the visionary author of House of Leaves. The Familiar Volume 1 Wherein the cat is found . . . The Familiar Volume 2 Wherein the cat is hungry . . . The Familiar Volume 3 Wherein the cat is blind . . . The Familiar Volume 4 Wherein the cat is toothless . . . The Familiar Volume 5 Wherein the cat is named . . . The astonishing series about a young girl who befriends a cat hunting humanity continues with Volume 5, and the Season One finale, in which the consequences of how we encounter one another come into poignant and terrifying relief—especially on one September night, when an unexpected phone call demanding the return of the little white cat challenges everything the Ibrahims hold dear. They are not alone. Jingjing must contend with a rival he could never have anticipated, while Xanther must relinquish all she thought she knew as a far greater responsibility is set before her. Light wavers and pomegranates reveal their price as the effects of a great transition start to reverberate around everyone, Shnorhk's efforts to resume playing music cannot escape history's ghosts. Cas, in upstate New York, comes face-to-face with her

lifelong nemesis in a candlelit rendezvous that presages the international crisis soon to come. As more lines tangle, Özgür and Luther brawl with a future that may have chosen them long ago, and Isandørno crosses a line that will force him over the border into a country he has until now steadfastly refused. All the while, a terrible power roaming the world continues to grow . . .

Revolutionary Leaves Sascha Pöhlmann, 2013-01-16
Mark Z. Danielewski is routinely hailed as the most exciting author in contemporary American literature, and he is celebrated by critics and fans alike. Revolutionary Leaves collects essays that have come out of the first academic conference on Danielewski's fiction that took place in Munich in 2011, which brought together younger and established scholars to discuss his works from a variety of perspectives. Addressing his major works *House of Leaves* (2000) and *Only Revolutions* (2006), the texts are as multifaceted as the novels they analyze, and they incorporate ideas of (post)structuralism, modernism, post- and post-postmodernism, philosophy, Marxism, reader-response criticism, mathematics and physics, politics, media studies, science fiction, gothic horror, poetic theory, history, architecture, mythology, and more. Contributors: Nathalie Aghoro, Ridvan Askin, Hanjo Berressem, Aleksandra Bida, Brianne Bilsky, Joe Bray, Alison Gibbons, Julius Greve, Sebastian Huber, Sascha Pöhlmann, and Hans-Peter Söder.

Sin Eater Megan Campisi, 2020-04-07 "For fans of *The Handmaid's Tale*...a debut novel with a dark setting and an unforgettable heroine...is a

riveting depiction of hard-won female empowerment” (The Washington Post). The Sin Eater walks among us, unseen, unheard Sins of our flesh become sins of Hers Following Her to the grave, unseen, unheard The Sin Eater Walks Among Us. For the crime of stealing bread, fourteen-year-old May receives a life sentence: she must become a Sin Eater—a shunned woman, brutally marked, whose fate is to hear the final confessions of the dying, eat ritual foods symbolizing their sins as a funeral rite, and thereby shoulder their transgressions to grant their souls access to heaven. Orphaned and friendless, apprenticed to an older Sin Eater who cannot speak to her, May must make her way in a dangerous and cruel world she barely understands. When a deer heart appears on the coffin of a royal governess who did not confess to the dreadful sin it represents, the older Sin Eater refuses to eat it. She is taken to prison, tortured, and killed. To avenge her death, May must find out who placed the deer heart on the coffin and why. “Very much reminiscent of *The Handmaid’s Tale*...it transcends its historical roots to give us a modern heroine” (Kirkus Reviews). “A novel as strange as it is captivating” (BuzzFeed), The Sin Eater “is a treat for fans of feminist speculative fiction” (Publishers Weekly) and “exactly what historical fiction lovers have unknowingly craved” (New York Journal of Books).

Mark Z Danielewski's 'House of Leaves' and Deleuze and Guattari's Rhizome Theory Hazel Stuart, 2021-01-08 'House of Leaves' by Mark Z. Danielewski is a Postmodern, Poststructural novel that broke boundaries when it was published in 2000. Twenty four years earlier, in 1976, philosophers Deleuze and Guattari proposed a theoretical model for the ultimate Poststructural book form in their paper 'Introduction to the Rhizome'. In this highly regarded academic paper from 2002, Hazel Stuart puts forward her argument for why Danielewski's 'House of Leaves' can be regarded a novel of truly rhizomatic form.
