The Context of Youth Violence Mark W. Fraser,Jack Richman,2000-11-30 Leading scholars summarize the current research on risk, protection, and resilience in the context of youth violence and its implications for practice with children and families. It describes an emerging framework for understanding social and health problems and for developing more effective programs for interventions. This book describes resilient children by examining risk factors for violence and explores the factors that lead some children to resist or adapt to risk. The concept of resilience has been applied to family, school, neighborhood, and organizational contexts. Educational, family, and community resilience are used as the framework to describe social systems that possess risk factors. By understanding why some systems with risk factors are adaptable, information for assessment can be applied to service plans, that will be more effective in treating children at risk of antisocial, aggressive behavior.

A Case of Exploding Mangoes Mohammed Hanif,2010-10-29 Teasing, provocative, and very funny, Mohammed Hanif's debut novel takes one of the subcontinent's enduring mysteries and out if it spins a tale as rich and colourful as a beggar's dream. Why did a Hercules C130, the world's sturdiest plane, carrying Pakistan's military dictator General Zia ul Haq, go down on 17 August, 1988? Was it because of: 1. Mechanical failure 2. Human error 3. The CIA's impatience 4. A blind woman's curse 5. Generals not happy with their pension plans 6. The mango season Or could it be your narrator, Ali Shigri? Here are the facts: • A military dictator reads the Quran every morning as if it was his daily horoscope. • Under Officer Ali Shigri carries a deadly message on the tip of his sword. • His friend Obaid answers all life's questions with a splash of eau de cologne and a quote from Rilke. • A crow has crossed the Pakistani border illegally. As young Shigri moves from a mosque hall to his military barracks before ending up in a Mughal dungeon, there are questions that haunt him: What does it mean to betray someone and still love them? How many names does Allah really have? Who killed his father, Colonel Shigri? Who will kill his killers? And where the hell has Obaid disappeared to?

A Whitman Chronology Joann P. Krieg,1998-11-01 All Whitman scholars have encountered the frustration of trying to track down an event in Whitman's life—the last time he saw Peter Doyle, when he moved to his own home on Mickle Street in Camden, when he met Oscar Wilde. The records of these events in Whitman's long life are buried in seven volumes of his abundant correspondence, in nine volumes of his conversations with Horace Traubel, in nine volumes of his notebooks and manuscripts, and in countless writings produced by his friends and admirers. To fulfill a long-felt need for order among this embarrassment of riches, Joann Krieg has crafted this detailed chronology of Whitman's life. A Whitman Chronology clarifies the facts of Whitman's life by offering a year-by-year and, where possible, day-by-day account of his private and public life. Where conflicting interpretations exist, Krieg recognizes them and cites the differences; she also directs readers to fuller descriptions of noteworthy events. She offers brief synopses of Whitman's fiction and of his major prose works, giving distinguishing information about each of the six editions of *Leaves of Grass*. By intertwining the events of his life and work—but without cumbersome layers of speculation—she reveals the close alliance between Whitman's personal involvements and his literary achievements.

Presto! Penn Jillette,2017-06-06 Penn Jillette's New York Times bestselling account of his “extremely funny and somewhat profane journey to discovering a healthy lifestyle...that will motivate others to seek weight-loss solutions” (The Washington Post). More than three hundred and thirty pounds and saddled with a systolic blood pressure reading at dangerous heights, legendary magician Penn Jillette found himself at a crossroads. He needed a drastic lifestyle change if wanted to see his small children grow up. Enter Crazy Ray. A former NASA scientist and unconventional, passionate innovator, Ray Cronise changed Penn Jillette's life with his wild “potato

diet." In *Presto*, Jillette takes us along on his journey from skepticism to the inspiring, life-changing momentum that transformed the magician's body and mind. He describes the process in hilarious detail, as he performs his Las Vegas show, takes meetings with Hollywood executives, hangs out with his celebrity friends and fellow eccentric performers, all while remaining a dedicated husband and father. Throughout, he weaves in his views on sex, religion, and pop culture, making his story a refreshing, genre-busting account. Outspoken, frank, and bitingly clever, *Presto* is an incisive, rollicking read. In the end, it is "undeniably inspiring" (Booklist).

Posner, 2009-03-12 A concise, lively, and bracing exploration of an issue bedeviling our cultural landscape—plagiarism in literature, academia, music, art, and film—by one of our most influential and controversial legal scholars. Rowling and Dan Brown, popular historians Doris Kearns Goodwin and Stephen Ambrose, Harvard law professor Charles Ogletree, first novelist Kaavya Viswanathan: all have rightly or wrongly been accused of plagiarism—theft of intellectual property—provoking widespread media punditry. Is the practice on the rise, or just more easily detectable by technological advances? How does the current market for expressive goods inform our own understanding of plagiarism? What forms of punishment and absolution does this "sin" elicit? What is the good in certain types of plagiarism? Provocative, insightful, and extraordinary for its clarity and forthrightness, *The Little Book of Plagiarism* is an analytical tour de force in small, the work of "one of the top twenty legal thinkers in America" (Legal Affairs), a distinguished jurist renowned for his adventuresome intellect and daring iconoclasm.
