The Reconnection Eric Pearl,2011-04 Why are prominent doctors and medical researchers all over the world interested in the extraordinary healings reported by the patients of Dr. Eric Pearl? What does it mean when these patients report the sudden disappearance of afflictions such as cancers, AIDS-related diseases, and cerebral palsy? And what does it mean when people who interact with Dr. Pearl report a sudden ability to access this healing energy not just for themselves, but for others, too? What is this phenomenon? Well, you might have to reconsider everything you've read up until now about conventional healing. The "new" frequencies of healing described by Dr. Pearl transcend "technique" entirely and bring you to levels beyond those previously accessible to anyone, anywhere. This book takes you on Dr. Pearl's journey from the discovery of his ability to facilitate healings, to his well-deserved reputation as the instrument through which this process is being introduced to the world. But most important, The Reconnection reveals methods you can use to personally master these new healing energies.

The Practice of Magical Evocation Franz Bardon,1984 The second book presents the next stages of magical development. Detailed descriptions for evocation of beings from the spheres surrounding us. advantages and disadvantages of evocational magic. Part II: explains in detail the hierarchy of the spheres, including the spirits of the four elements, planetary intelligences and communication with spirit beings. Part III: concludes with a complete set of illustrations of the seals of spirit beings.

Egyptian Cosmology Moustafa Gadalla,2022-09-08 This new expanded edition surveys the applicability of Egyptian cosmological concepts to our modern understanding of the nature of the universe, creation, science, and philosophy. Egyptian cosmology is humanistic, coherent, comprehensive, consistent, logical, analytical, and rational. Discover the Egyptian concept of the universal energy matrix and the creation process accounts. Read about numerology, dualities, trinities, numerical significance of individual numbers thru the number ten; how the human being is related to the universe; the Egyptian astronomical consciousness; the earthly voyage; how the social and political structures were a reflection of the universe; the cosmic role of the pharaoh; and the interactions between earthly living and other realms; climbing the heavenly ladder to reunite with the Source; and more. Part I: The Egyptian Mystical Monotheism consists of one chapter: Chapter 1: The Most Religious will cover the deep mystical meaning of monotheism for the deeply religious Egyptians as well as an overview of their cosmic consciousness. Part II: The Principles and Principals of Creation consists of three chapters 2 through 4: Chapter 2: The Animating Energies of The Universe will cover the scientific understanding by the Egyptians of the state of the world prior to creation and the animating divine energies of the creation cycle. Chapter 3: The Pictorial Metaphysical Images will cover the scientific basis for the Egyptians' pictorial symbolism of metaphysical concepts and the process by which the Egyptian ideographs were manifested in such figurations. Chapter 4: The

Egyptian Creation Process Accounts will cover an overview of the three primary phases of the Creation Cycle. Part III: The Creation Numerical Codes has ten chapters--chapters 5 through 14: Chapter 5: Numerology of the Creation Process will cover number mysticism in Ancient Egypt, and analysis of the numbers two, three and five Chapter 6: The Dualistic Nature will cover the dualistic nature of creation and analysis of 14 various applications in the Ancient Egyptian system. Chapter 7: Three--Trinities will cover this first odd number [one is not a number], the significance of the triple powers of a trinity in the universe; and a few applications of such principle in the Ancient Egyptian system. Chapters 8 throughout 14 will cover the mystical aspects of numbers four through ten. Part IV: As Above So Below has five chapters--15 through 19: Chapter 15: The Human Being--The Universal Replica will cover how the physical and metaphysical components of man are an image of the whole creation. Chapter 16: Social & Political System will cover how the social/political structure in Ancient Egypt is a reflection of cosmic principles Chapter 17: The Cosmic Link will cover the role of the pharaoh as the cosmic link for the Ancient Egyptians and his demise if he does not serve his functions. Chapter 18: The Physical/Metaphysical Society will cover the various modes to maintain communications between earthly living and other realms of the universe. Chapter 19: Astronomical Consciousness will cover the advanced knowledge of astronomy and time keeping in Ancient Egypt, the zodiac and Sothic cycles; as well as the nature of the harmony of the (seven) spheres and the populace participation in its maintenance. Part V: From Mortals To Immortals has two chapters: Chapter 20: Our Earthly Voyage will cover the available ways for an individual to achieve reunion with the Divine Source, including Sufism, Alchemy, etc. Chapter 21: Climbing The

Heavenly Ladder will cover life after earth, soul transmigration, progression along the various realms towards reunification and deitification.

Solomon Speaks on Reconnecting Your Life Eric Pearl,Frederick Ponzlov,2014-05-20 Why are prominent doctors, quantum physicists, and researchers all over the world interested in the seemingly chance encounter that Dr. Eric Pearl had with one of his patients? What was it about that encounter that would not only radically accelerate the trajectory of his life, but ultimately affect the lives of millions . . . and will most likely profoundly affect your life as well? What is this phenomenon? In his international bestseller, *The Reconnection: Heal Others, Heal Yourself*, Dr. Pearl taught readers how to access and tap into a comprehensive spectrum of energy, light, and information previously inaccessible to anyone, anywhere. In doing so, he allowed us to entirely transcend complex energy-healing techniques and bring about dramatic, often instantaneous, lifelong healings and life transformations! Since then, the world has clamored for Eric's second book. His response? When I have something else to say. Today Dr. Pearl, in collaboration with Frederick Ponzlov, indeed has something else to say. You might have to reconsider everything you've read up until now about healing, consciousness, and our four-dimensional existence here on Earth. As guided by the spirit of Solomon, an extradimensional intelligence that speaks through Frederick, experience firsthand the insights imparted during the evolution of this unique transmodality known today as *Reconnective Healing*. Now you can discover these insights and apply them to your life—insights that have revolutionized the healing world and given us the key to access the immense power that we each have within our lives. Solomon speaks. . . .

The Journey Home Lee Carroll,1998-05-01 This parable *The Journey Home*, from Kryon, is filled with

True Black Magic /La Veritable Magie Noire Iroé Grego,2017-01-21 A classic grimoire, or source-work of magic.Le V♦ritable Magie Noire, or the book of True Black Magic, is an influential early printed grimoire, containing many interesting features. It is one of many variants of The Key of Solomon (Clavicula Salomonis), but printed as a chapbook, or example of Biblioth♦que bleue. As such it was small, cheap, and easy to hide or carry as an amulet. All these were important factors that lead to its popularity and worldwide distribution.For those familiar with the edition of the Key of Solomon edited by the influential occultist S. L. Mathers, much of the content looks famil♦iar. But it has some unique features that draw our attention. In particu♦lar, it preserves some older elements not included in the Mathers edition, including spells for love, and hindering romantic rivals.This new critical edition includes a new English translation, and complete French text.

Sexual Secrets Nik Douglas,Penny Slinger,1989 Sexual Secrets is the definitive and all-encompassing guide to sex and mysticism. No book of this magnitude has ever appeared on the subject. The distillation of more than two thousand years of practical techniques for enhancing sexual awareness and achieving the transcendental experience of unity, Sexual Secrets explores the path of love and mysticism, making accesible for the first time the sexual mysteries of the East.

The Only Dance There Is Ram Dass,2011-02-09 This book is based on talks by Ram Dass at the Menninger Foundation in 1970 and at the Spring Grove Hospital in Maryland in 1972. The text grew out

of the interaction between Ram Dass and the spiritual seekers in attendance at these talks. The result of this unique exchange is a useful guide for understanding the nature of consciousness--useful both to other spiritual seekers and to formally trained psychologists. It is also a celebration of the Dance of Life--which, in the words of Ram Dass, is the only dance there is.
