**Lauren Graham**

**Talking as Fast as I Can** Lauren Graham, 2016-11-29 NEW YORK TIMES BESTSELLER • In this collection of personal essays, the beloved star of *Gilmore Girls* and *Parenthood* reveals stories about life, love, and working as a woman in Hollywood—along with behind-the-scenes dispatches from the set of the new *Gilmore Girls*, where she plays the fast-talking Lorelai Gilmore once again. With a new bonus chapter *In Talking as Fast as I Can*, Lauren Graham hits pause for a moment and looks back on her life, sharing laugh-out-loud stories about growing up, starting out as an actress, and, years later, sitting in her trailer on the *Parenthood* set and asking herself, “Did you, um, make it?” She opens up about the challenges of being single in Hollywood (“Strangers were worried about me; that’s how long I was single!”), the time she was asked to audition her butt for a role, and her experience being a judge on *Project Runway* (“It’s like I had a fashion-induced blackout”). In “What It Was Like, Part One,” Graham sits down for an epic *Gilmore Girls* marathon and reflects on being cast as the fast-talking Lorelai Gilmore. The essay “What It Was Like, Part Two” reveals how it felt to pick up the role again nine years later, and what doing so has meant to her. Some more things you will learn about Lauren: She once tried to go vegan just to bond with Ellen DeGeneres, she’s aware that meeting guys at awards shows has its pitfalls (“If you’re meeting someone for the first time after three hours of hair, makeup, and styling, you’ve already set the bar too high”), and she’s a card-carrying REI shopper (“My bungee cords now earn points!”). Including photos and excerpts from the diary Graham kept during the filming of the recent *Gilmore Girls: A Year in the Life*, this book is like a cozy night in, catching up with your best friend, laughing and swapping stories, and—of course—talking as fast as you can.

Even without any ‘big’ accomplishments yet to your name, you are enough.” In this expansion of the 2017 commencement speech she gave at her hometown Langley High, Lauren Graham, the beloved star of *Gilmore Girls* and *Parenthood*, reflects on growing up, pursuing your dreams, and living in the here and now. “Whatever path you choose, whatever career you

In her hilarious, relatable voice, Graham reminds us to be curious and compassionate, no matter where life takes us or what we've yet to achieve. Grounded and inspiring—and illustrated throughout with drawings by Graham herself—here is a comforting road map to a happy life. "I've had ups and downs. I've had successes and senior slumps. I've been the girl who has the lead, and the one who wished she had the bigger part. The truth? They don't feel that different from each other."

Someday, Someday, Maybe Lauren Graham, 2013-04-30 NEW YORK TIMES BESTSELLER • From Lauren Graham, the beloved star of *Gilmore Girls* and *Parenthood*, comes a witty, charming, and hilariously relatable debut novel about a struggling young actress trying to get ahead—and keep it together—in New York City. It's January 1995, and Franny Banks has just six months left of the three-year deadline she set for herself when she came to New York, dreaming of Broadway and doing "important" work. But all she has to show for her efforts so far is a part in an ad for ugly Christmas sweaters, and a gig waiting tables at a comedy club. Her roommates—her best friend Jane, and Dan, an aspiring sci-fi writer—are supportive, yet Franny knows a two-person fan club doesn't exactly count as success. Everyone tells her she needs a backup plan, and though she can almost picture moving back home and settling down with her perfectly nice ex-boyfriend, she's not ready to give up on her goal of having a career like her idols Diane Keaton and Meryl Streep. Not just yet. But while she dreams of filling their shoes, in the meantime, she'd happily settle for a speaking part in almost anything—and finding a hair product combination that works. Everything is riding on the upcoming showcase for her acting class, where she'll finally have a chance to perform for people who could actually hire her. And she can't let herself be distracted by James Franklin, a notorious flirt and the most successful actor in her class, even though he's suddenly

started paying attention. Meanwhile, her bank account is rapidly dwindling, her father wants her to come home, and her agent doesn't return her calls. But for some reason, she keeps believing that she just might get what she came for. *Someday, Someday, Maybe* is a story about hopes and dreams, being young in a city, and wanting something deeply, madly, desperately. It's about finding love, finding yourself, and perhaps most difficult of all in New York City, finding an acting job. Praise for *Someday, Someday, Maybe* "A winning, entertaining read . . . [Lauren Graham] has smartly mined just the right details from her own experience, infusing her work with crackling dialogue and observations about show business that ring funny and true."—The Washington Post "A charmer of a first novel . . . [Graham] has an easy, unforced style and, when the situation calls for it, a keen sense of the ridiculous."—The Wall Street Journal "With insight, care, and an abundance of humor . . . Graham demonstrates that her acting chops are not her only talent."—Library Journal "Thoroughly charming."—Entertainment Weekly "Sweet, funny, and full of heart . . . a dazzling debut."—Emily Giffin, New York Times bestselling author of *Something Borrowed* and *Where We Belong* "Warm and funny, charming and smart."—Diane Keaton, New York Times bestselling author of *Then Again* "Graham deftly captures what it's like to be young, ambitious, and hopeful in New York City."—Candace Bushnell, New York Times bestselling author of *Sex and the City* and *The Carrie Diaries* "Fresh and funny and full of zingers, Lauren Graham's charming writing style instantly drew me in."—Meg Cabot, bestselling author of the *Princess Diaries* and *Heather Wells Mystery* series

**Fitness Junkie** Lucy Sykes, Jo Piazza, 2017-07-11 A Good Morning America Summer Must-Read! From the bestselling authors of *The Knockoff*, an outrageously funny novel about one woman's attempt—through clay diets, naked yoga, green juice, and cultish workout classes—to win back her career, save her best friend, and lose thirty pounds. When Janey Sweet, CEO of a

couture wedding dress company, is photographed in the front row of a fashion show eating a bruffin—the delicious lovechild of a brioche and a muffin—her best friend and business partner, Beau, gives her an ultimatum: Lose thirty pounds or lose your job. Sure, Janey has gained some weight since her divorce, and no, her beautifully cut trousers don't fit like they used to, so Janey throws herself headlong into the world of the fitness revolution, signing up for a shockingly expensive workout pass, baring it all for Free the Nipple yoga, sweating through boot camp classes run by Sri Lankan militants and spinning to the screams of a Lycra-clad instructor with rage issues. At a juice shop she meets Jacob, a cute young guy who takes her dumpster-diving outside Whole Foods on their first date. At a shaman's tea ceremony she meets Hugh, a silver fox who holds her hand through an ayahuasca hallucination. And at a secret exercise studio Janey meets Sara Strong, the wildly popular workout guru whose special dance routine has starlets and wealthy women flocking to her for results that seem too good to be true. As Janey eschews delicious carbs, pays thousands of dollars to charlatans, and is harassed by her very own fitness bracelet, she can't help but wonder: Did she really need to lose weight in the first place? A hilarious send-up of the health and wellness industry, *Fitness Junkie* is a glorious romp through the absurd landscape of our weight-obsessed culture.

*Seriously—Cancer? I Do Not Have Time for This!* Lauren Graham, 2013-06-05 Lauren Graham was three weeks away from turning twenty-one loving college life, her friends, and her family when her life was turned upside down and changed forever. She was diagnosed with cancer specifically, with acute lymphoblastic lymphoma. In her memoir, Lauren considers the everyday life of a cancer patient and recalls all the challenges she experienced with humor and brutal honesty. Her unique storytelling, presented through the e-mails that she wrote over the course of nearly three years of cancer treatments, provides an intimate window into her struggle with cancer. month by month, and treatment by treatment, she shares her journey and experiences in group e-mails to family and friends with wit, fear, stubbornness, faith, and candor. After recounting the procedures, tests, and general medical things she experienced, she ends each e-mail with several wonderful quotes, which offer as much solace to her as they would to those reading her e-mails. *SeriouslyCancer? I Do Not Have Time for This!* tells a true story of inspiration for anyone who is facing illness or difficulties in life. [Girls in White Dresses](#) Jennifer Close, 2011-08-09 NATIONAL BESTSELLER • An “addictive, thoughtful” novel (Entertainment Weekly) that brings us through the thrilling, bewildering years of early adulthood while pulling us inside the circle of three friends, perfectly capturing the wild frustrations and soaring joys of modern life. Isabella, Mary, and Lauren feel like everyone they know is getting married. On Sunday after Sunday, at bridal shower after bridal shower, they coo over toasters, collect ribbons and wrapping paper, eat minuscule sandwiches and cakes. They wear pastel dresses and drink champagne by the case, but amid the celebration these women have their own lives to contend with: Isabella is working a dead-end job, Mary is dating a nice guy with an awful mother, and Lauren is waitressing at a midtown bar and wondering why she's attracted to the sleazy bartender.

As Seen on TV Meredith Schorr, 2022-06-07 Fans of the Hallmark Channel and Gilmore Girls will adore this delightful rom-com about a city girl who goes in search of small-town happiness, only to discover life—and love—are nothing like the TV movies. Emerging journalist Adina Gellar is done with dating in New York City. If she's learned anything from made-for-TV romance movies, it's that she'll find love in a small town—the kind with harvest festivals, delightful but quirky characters, and scores of delectable single dudes. So when a big-city real estate magnate targets tiny Pleasant Hollow for development, Adi knows she's found the perfect story—one that will earn her a position at a coveted online magazine, so she can finally start adulting for real . . . and maybe even find her dream man in the process. Only Pleasant Hollow isn't exactly "pleasant." There's no charming bakery, no quaint seasonal festivals, and the residents are more ambivalent than welcoming. The only upside is Finn Adams, who's more mouthwatering than the homemade cherry pie Adi can't seem to find—even if he does work for the company she'd hoped to bring down. Suddenly Adi has to wonder if maybe TV got it all wrong after all. But will following her heart mean losing her chance to break into the big time?

**All Over the Place** Geraldine DeRuiter, 2017-05-02 Some people are meant to travel the globe, to unwrap its secrets and share them with the world. And some people have no sense of direction, are terrified of pigeons, and get motion sickness from tying their shoes. These people are meant to stay home and eat nachos. Geraldine DeRuiter is the latter. But she won't let that stop her. Hilarious, irreverent, and heartfelt, *All Over the Place* chronicles the years Geraldine spent traveling the world after getting laid off from a job she loved. Those years taught her a great number of things, though the ability to read a map was not one of them. She has only a vague idea of where Russia is, but she now understands her Russian father better than ever before. She learned that what she thought was her mother's functional

insanity was actually an equally incurable condition called being Italian. She learned what it's like to travel the world with someone you already know and love -- how that person can help you make sense of things and make far-off places feel like home. She learned about unemployment and brain tumors, lost luggage and lost opportunities, and just getting lost in countless terminals and cabs and hotel lobbies across the globe. And she learned that sometimes you can find yourself exactly where you need to be -- even if you aren't quite sure where you are.
