*The Imperfections* Sam Mariano,2019-11-27 Brantley Morrison is a drinker of whiskey, a solver of problems, and a collector of mutts; the kind of loyal, hardworking guy you want on your side-and you'd best not get on the wrong side of. Alyssa Walton never meant to find herself on Brant's bad side-never even met the man until he showed up in her bedroom with a loaded gun and a plan to destroy her. When Alyssa and Brant collide, his simple problem-solving mission gets a whole lot more complicated. Turns out, Alyssa is nothing like he expected, and she just might be everything he's ever wanted. Sure, she's a little afraid of him, but every relationship has its obstacles. Brant's never had anyone like Alyssa around, someone loyal and kind who smoothes over his rough edges like she was born to do it. Alyssa's never met a man like Brant, either, and while she admires the way he looks out for those he loves, she can't help wondering, who's looking out for Brant? Now, faced with wanting the girl he was never supposed to keep, Brant has to make an impossible choice. Does he give up the girl who has brought sunshine into his lonely life, or does he hold on tight, even if it might mean letting down the people he's spent his whole life protecting?\*\*\**The Imperfections* is a full-length standalone novel that includes dark themes. \*\*\*

*Double-edged* Nyla K, 2022-08-01 What's an honest man to do? Isn't that always the question we find ourselves wondering when we get swept up in something bad... Something overpowering and tangibly wrong, with the ability to corrupt our morals down to the core? These boys, they're not mine, but they might as well be. I'm responsible for them, in a sense. And they couldn't be more different, identical in looks alone. One I've noticed... The other has noticed me. One needs me, the other needs him. Sometimes a

hero will fall on his own sword, but in my case... I've fallen on two. \*\* Double-edged is a full-length taboo standalone novel that is intended for mature readers only. Some of the themes in this book could make readers uncomfortable. Please proceed with caution, and heed the author's warnings.\*\*

**Stitches** Sam Mariano,2018-01-27 I suppose it all started half a lifetime ago when a mean-looking kid named Griff walked into my life.When we found the stability in one another we couldn't find in the world.When two lonely kids became brothers.As kids, we had no place in the world, so as men, we made our own. We took on everything together, building our own empire-partners in business and in life.I guess that's where it got complicated.When I fell in love with Moira, and Griff had to share me for the first time.When he liked what belonged to me just a little too much, and he started avoiding both of us until he came up with his own shitty way of coping.I don't know exactly when it all started, to be honest, but I know when it all fell apart.There are exactly two people in the world who have my love, so what the hell am I supposed to do when holding onto one means losing the other?What I always do, I guess.Handle it.Stitches is a MFM ménage romance intended for adults 18+

*How the Hitman Stole Christmas* Sam Mariano,2020-12-31 JASPERI didn't plan to kidnap her. I was just doing a good deed. I saw a car stranded on the side of the road in the middle of a snowstorm and decided to help-didn't expect to get anything out of it.Even criminals can do nice things every once in a while. When I approached the driver, my motives were as pure as the snowflakes clinging to the silky strands of her long, dark hair.

Her tire had popped and she didn't know how to change it. Clearly, the damsel was in distress. Unfortunately for her, I'm no white knight. Now, I'm a decisive man. Once I make a decision, it's pretty much a done deal-and it didn't take me long to decide Autumn was going home with me for the holidays, whether she wanted to or not. I was prepared for stealing Autumn to change my plans, but I wasn't prepared for her to be such a quick study. I may be the one who stole a girlfriend for Christmas, but if I'm not careful, this pretty little snowflake just might steal my heart.\*\*How the Hitman Stole Christmas is a full-length, standalone novel.Note: this holiday romance features a bad guy hero. He's certainly not my worst, but he is a professional criminal, so if you aren't a fan of antiheroes, you may not enjoy this tale. This is not your mama's clean, wholesome Hallmark Christmas love story. There's plenty of lightness to be found between the pages (especially if you can embrace the crazy like I can), but there will be dark themes that may agitate some. There are plenty of sweet, pure-as-the-driven-snow romances available to those who want them around the holidays; this one is for those of us who like their love stories a little edgier, even at Christmastime.: )

Darling Venom Parker S. Huntington,2021-12-10 From Wall Street Journal bestseller Parker S. Huntington comes a broken love story laced with angst and forbidden romance.I wasn't supposed to be on that roof on Valentine's Day.Neither was Kellan Marchetti, the school's designated freak.We met on the verge of ending our lives.Somewhat, the tattered strings of our tragedies tangled and tightened into an unlikely bond.We decided not to take the plunge and agreed to check on each other every Valentine's Day until school ended. Same time. One roof. Two restless souls. We kept our promise for three years. On

the fourth, Kellan made a decision, and I was left to deal with the consequences. Just when I thought our story ended, another one began. They say all love stories look the same and taste different. Mine was venomous, disgraceful, and written in scarlet scars. My name is Charlotte Richards, but you can call me Venom.

**Hate to Want You** Alisha Rai, 2017-07-25 Alisha Rai, one of contemporary romance's brightest stars, makes her Avon Books debut with the first novel in the sexy Forbidden Hearts series! One night. No one will know. That was the deal. Every year, Livvy Kane and Nicholas Chandler would share one perfect night of illicit pleasure. The forbidden hours let them forget the tragedy that haunted their pasts—and the last names that made them enemies. Until the night she didn't show up. Now Nicholas has an empire to run. He doesn't have time for distractions and Livvy's sudden reappearance in town is a major distraction. She's the one woman he shouldn't want . . . so why can't he forget how right she feels in his bed? Livvy didn't come home for Nicholas, but fate seems determined to remind her of his presence—and their past. Although the passion between them might have once run hot and deep, not even love can overcome the scandal that divided their families. Being together might be against all the rules . . . but being apart is impossible. One of Amazon's Best Romances of the Month & Best Romances of 2017!

*Hawthorne's Works* Nathaniel Hawthorne, 1876

*Habits* Anna B. Doe, 2019-03-18 How can something so wrong feel so good? A brand new standalone in Greyford High series is coming March 27th! Senior year. Three girls. Three guys. Secrets and lies. Demons of past and present. Old insecurities and new fears. One more year left to pretend. One more year to wreck it all. The countdown

begins. All Jeanette Sanders wanted to do was escape her past and forget everything that has happened. Coming to Greyford was supposed to be her new beginning, a clean slate. Only it seems like her past doesn't want to let her go. As her old insecurities start to return in full force and lies grow bigger than ever, the only thing left is the hope that her broken heart will survive this time around. Andrew Hill has been betrayed one too many times in the past. Cynical and cold-hearted, he closed off his heart for good and doesn't plan on letting anybody in ever again. Especially women. But his heart doesn't seem to care and starts beating faster every time a particular black-haired beauty gets in his way and puts him in his place. He wants her body, not her heart. She tries to resist him, but the pull is too much. They know they're all wrong for each other, but some habits are too sweet to give up.
