Air Fryer Perfection America's Test Kitchen, 2019-01-29 Get the best possible results from your air fryer and discover the best ways to use it (not just frying!) with 75 fast, convenient, great-tasting recipes. Air fryers promise crisp fried food without actual deep frying. Was it too good to be believed? And what can you cook in them besides French fries? In truth, air fryers cook food by blasting it with circulated hot air. The method is fast, convenient, and can be surprisingly good--if you have the right recipe. We cooked more than 70 pounds of potatoes to create the perfect air fryer French fry, with an evenly crisp exterior and creamy center. But what really drew us to this appliance was the variety of what you can make in it, effortlessly and without having to enlist numerous pots and pans. In addition to crispy fried chicken and fries, you'll turn out evenly cooked steaks, such as Spice-Rubbed Steak with Snap Pea and Cucumber Salad (the spice rub gives them a bold crust), Sweet and Smoky Pork Tenderloin with Roasted Butternut Squash (the pork cooks directly on top of the squash to save time), and Tandoori Chicken Thighs. Many of the recipes yield both a main and a side for a complete meal. Most recipes take only 45 minutes or even less time, and all come with complete nutrition information. Frozen foods cook up crisp in the air fryer, but the results are so much better when you start with homemade. So we offer freeze-it-yourself Chicken Nuggets, Southwestern Beef Hand Pies, and more that go straight from freezer to air fryer and cook to perfection. And we share plenty of kid-friendly meals and snacks, from Better-Than-Boxed Fish Sticks to Zucchini Fries.

The Gilded Years Karin Tanabe, 2016-06-07 Passing meets The House of Mirth in this “utterly captivating” (Kathleen Grissom, New York Times bestselling author of The Kitchen House) historical novel based on the true story of Anita Hemmings, the first black student to attend Vassar, who successfully passed as white—until she let herself grow too attached to the wrong person. Since childhood, Anita Hemmings has longed to attend the country’s most exclusive school for women, Vassar College. Now, a bright, beautiful senior in the class of 1897, she is hiding a secret that would have banned her from admission: Anita is the only African-American student ever to attend Vassar. With her olive complexion and dark hair, this daughter of a janitor and descendant of slaves has successfully passed as white, but now finds herself rooming with Louise “Lottie” Taylor, the scion of one of New York’s most prominent families. Though Anita has kept herself at a distance from her

classmates, Lottie's sphere of influence is inescapable, her energy irresistible, and the two become fast friends. Pulled into her elite world, Anita learns what it's like to be treated as a wealthy, educated white woman—the person everyone believes her to be—and even finds herself in a heady romance with a moneyed Harvard student. It's only when Lottie becomes infatuated with Anita's brother, Frederick, whose skin is almost as light as his sister's, that the situation becomes particularly perilous. And as Anita's college graduation looms, those closest to her will be the ones to dangerously threaten her secret. Set against the vibrant backdrop of the Gilded Age, an era when old money traditions collided with modern ideas, Tanabe has written an unputdownable and emotionally compelling story of hope, sacrifice, and betrayal—and a gripping account of how one woman dared to risk everything for the chance at a better life.

Lucy shares in these pages terrific purees that you can make, using a blender or a mixing bowl, that you then can turn into all sorts of flavored pastas, from the familiar tomato or spinach pastas to noodles flavored with herbs like basil or tarragon, spices like pepper or saffron, and other flavors, such as a Sage Brown Butter Pasta that incorporates a flavored butter. She teaches you how to make every kind of pasta shape with your pasta machine, including ones you can't find in stores. She includes durum and semolina pastas, the most common kinds, as well as buckwheat, ancient-grain, and gluten-free pastas.
