Twisted Lies Ana Huang, 2023-02-07 Discover the addictive world of the Twisted series that has readers obsessed, a viral TikTok sensation! He'll do anything to have her...including lie. Charming, deadly, and smart enough to hide it, Christian Harper is a monster dressed in the perfectly tailored suits of a gentleman. He has little use for morals and even less use for love, but he can't deny the strange pull he feels toward the woman living just one floor below him. She's the object of his darkest desires, the only puzzle he can't solve. And when the opportunity to get closer to her arises, he breaks his own rules to offer her a deal she can't refuse. Every monster has their weakness. She's his. His obsession. His addiction. His only exception. Sweet, shy, and introverted despite her social media fame, Stella Alonso is a romantic who keeps her heart in a cage. Between her two jobs, she has little time or desire for a relationship. But when a threat from her past drives her into the arms—and house—of the most dangerous man she's ever met, she's tempted to let herself feel something for the first time in a long time. Because despite Christian's cold nature, he makes her feel everything when she's with him. Passionate. Protected. Truly wanted. Theirs is a love twisted with secrets and tainted by lies...and when the truths are finally revealed, they could shatter everything. *Twisted Lies* is a contemporary slow burn romance. It's book four of the Twisted series but can be read as a standalone. This story contains a morally gray alpha hero, explicit sexual content, profanity, graphic violence, and topics that may be sensitive to some readers.. Recommended for 18+

Twisted - Tome 4 Ana Huang, 2024-04-24 Après avoir été licenciée de son emploi de bureau, l'influenceuse STELLA AMBROSE cherche à s'associer à une marque de luxe pour aider la nounou de son enfance à payer ses soins de santé, mais elle ne peut plus se permettre les coûts élevés de l'établissement. Sur les conseils de son manager, Stella tente de se trouver un petit ami pour augmenter ses chances de décrocher un contrat avec une marque. Elle enchaîne les rendez-vous ratés, mais après le dernier, elle tombe sur CHRISTIAN HARPER, son propriétaire et patron d'une société de cybersécurité. Christian a toujours été intrigué par Stella et lui propose d'être son faux petit ami. Stella accepte son aide avec reconnaissance, à condition qu'ils ne tombent pas amoureux. Ayant été rebuté par l'idée de l'amour à cause du mariage raté de ses parents. Christian accepte, et Stella publie leur relation. Mais rester neutre se révèle être un défi, car ils passent du temps ensemble pour s'assurer que leur relation semble authentique. Alors que Stella se voit offrir le tant attendu partenariat et peut enfin payer les factures de sa nounou, un harceleur de son passé refait surface. Christian et Stella se rapprochent, elle s'appuie sur lui et plus ils s'ouvrent l'un à l'autre, plus ils tombent amoureux et finissent par s'abandonner à leurs sentiments. Stella ne s'est jamais sentie aussi en sécurité et aimée, mais quand elle découvre que Christian possède des dossiers confidentiels sur sa famille et sur elle, elle ne se sent plus à l'aise avec lui. Elle sait qu'il n'est pas son harceleur, mais cela la touche de trop près et elle l'interroge. Il est forcé de révéler qu'il l'a surveillée après avoir vu un sans-abri l'agresser et qu'il est en fait amoureux d'elle. Stella prend ses distances avec Christian, mais quand Stella est kidnappée par son harceleur - un camarade d'université jaloux -, Christian et son équipe la sauvent et la mettent à l'abri et, lors de retrouvailles émouvantes, Stella pardonne à Christian.

Twisted Cross Doris L. Bergen, 2000-11-09 How did Germany's Christians respond to Nazism? In Twisted Cross, Doris Bergen addresses one important element of this response by focusing on the 600,000 self-described 'German Christians,' who sought to expunge all Jewish elements from the Christian church. In a process that became more daring as Nazi plans for genocide unfolded, this group of Protestant lay people and clergy rejected the Old Testament, ousted people defined as non-Aryans from their congregations,

denied the Jewish ancestry of Jesus, and removed Hebrew words like 'Hallelujah' from hymns. Bergen refutes the notion that the German Christians were a marginal group and demonstrates that members occupied key positions within the Protestant church even after their agenda was rejected by the Nazi leadership. Extending her analysis into the postwar period, Bergen shows how the German Christians were relatively easily reincorporated into mainstream church life after 1945. Throughout *Twisted Cross*, Bergen reveals the important role played by women and by the ideology of spiritual motherhood amid the German Christians' glorification of a 'manly' church.

Él hará lo que sea para tenerla... incluido mentir. Y cuando surge la oportunidad de acercarse a ella, rompe sus propias reglas para ofrecerle un trato imposible de rechazar. Todos tenemos un punto débil. Ella es el suyo. Su obsesión. Su adicción.
