Barbie Kristin Noelle Weissman, 1999 This thesis is a cultural analysis of: a) women's idealized perception of the Barbie doll, & b) the construction of the Barbie doll image through marketing. In addition, both areas will provide a concentrated emphasis on respectability. The analysis will be focused on Barbie's creation in 1959, & on the current practices of representations in 1999. The thesis is divided into two phases. Phase one illustrates the

interpretation of how women perceive Barbie, & how they see themselves in her likeness. It further explores the determined impression of the doll as respectable. Phase two examines the way that Barbie is presented in the market & the techniques used to formulate the intended representations of the doll. The analysis of the thesis focuses solely on her introduction in 1959, & on her current distinction. The Barbie doll is an iconic image. The symbol of the feminine ideal which has caused women to perceive & recognize this figure in a personal light. Further, her existence in the marketplace creates a continual awareness in women to identify & evolve with this object as she captures the culture. It is critical to examine the conception & portrayal of an icon such as the Barbie doll. As a predominant feature in American culture & society, she is a fictitious character that many have contrived into a reality. She is a name that strikes instant familiarity, & she is a name that evokes controversy, emulation, & success. This thesis achieves a comprehensive look into her importance to women, & the ways in which her corporate creators make her accessible to fulfill this need. Therefore, this thesis accurately makes a connection between the marketing of the Barbie doll, & the building of an icon.

Dressing Barbie Carol Spencer, 2019-03-19 A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie's most iconic looks from the early 1960s until the late 1990s. Barbie's wide-ranging wardrobe—including princess

gowns and daisy-print rompers, flirty sundresses and smart pantsuits— combined fashion trends and haute couture with a liberal dose of fantasy. In *Dressing Barbie*, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie's creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol's most impressive creation is her own life. As Handler famously said, "Barbie always represented the fact that a girl has choices"—a credo Carol epitomized. In *Dressing Barbie*, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

Barbie(TM): The World Tour Margot Robbie, Andrew Mukamal, 2024-03-19 For the press tour following the record-breaking release of Greta Gerwig's award-winning, acclaimed Barbie movie, producer and star Margot Robbie and her stylist Andrew Mukamal immersed themselves in some of Barbie's most iconic outfits and curated vintage pieces, then approached designers, from Giorgio Armani to Donatella Versace, to create looks inspired by the doll-size originals. Many of these looks were not seen as the official Barbie press tour was cut short—so Margot and Andrew worked with renowned fashion photographer Craig McDean to shoot her in the looks exactly as they were curated: Schiaparelli in Los Angeles, Vivienne Westwood in London, vintage Chanel with matching Steamline luggage at the airport, and beyond. Accompanying McDean's sumptuous photography are original Barbie dolls from the period, a treasure trove of rare materials from Mattel's Barbie fashion archives, and the designers' sketches and Polaroids from fittings, layered into evocative collages by Fabien Baron, who conceived and produced the shoots and art-directed the book. With text by Margot Robbie and Andrew Mukamal, as well as handwritten contributions from the designers behind the looks (from Olivier Rousteing and Michelle Ochs to Manolo Blahnik and Jeremy Scott), this unique book blends the serious chic of high

fashion with the serious fun of Barbie world—the dolls, the history, and the style that have captured imaginations for 65 years. BARBIE™ and associated trademarks and trade dress are owned by, and used under license from, Mattel. ©2024 Mattel.
