

The Story Of Pep Guardiola Vs Jose Mourinho

Andrew J. Kirby

The Barcelona Legacy Jonathan Wilson,2019-04

Guardiola Vs Mourinho: More Than Coaches Rui Lanca,2016-10-20 Pep Guardiola and Jose Mourinho are probably the two best coaches in the world. But they are not just coaches, there is much more to them than that. There are already dozens of books about their tactics and training methods. Instead, this book explains why they are different from all others from the perspective of their leadership, communication, emotional intelligence, talent and team management. These factors make the difference between winners and losers.

Coaching Soccer Like Guardiola and Mourinho Timo Jankowski,2016-08-29 A soccer player is more than the sum of his parts: endurance, speed, shooting technique, passing technique, and many more. All of these factors need to be turned into one system to create good players. Traditional training theory doesn't achieve that because each skill is trained individually. This is why the concept of Tactical Periodization has become the preferred training theory for many of the current most successful soccer coaches: Pep Guardiola, José Mourinho, Diego Simeone, André Villas-Boas, and many others train according to these principles. By creating match-like situations in practice, players learn to link their technical, tactical, and athletic abilities to match intelligence. They will learn to transfer their skills to soccer matches and they can improve endurance, technique, and tactics all at the same time while enjoying the practice sessions more. For this book, the author has evaluated and analyzed hundreds of training sessions and has tailored exercises to specific demands. All exercises are performed with a ball so that players learn to apply each skill to the game. Every coach will find numerous exercises in this book to help them create better and more efficient practice sessions so they can improve their players' and the team's performance. With Tactical Periodization, your team will become better and be successful on the next match day!

Jose Mourinho Andrew J. Kirby,2016-08-19 The manager everyone loves to hate... Mercurial Portuguese manager Jose Mourinho, who regards himself as football's equivalent of George Clooney, featured in his own blockbuster this summer when he took charge of Manchester United - the world's biggest club. The news sent shockwaves through the Old Trafford faithful - generations of whom have pledged their loyalty to a succession of managerial legends including Sir Matt Busby and Sir Alex Ferguson. At the very outset of what promises to be a tumultuous season for the Red Devils, Andrew J Kirby investigates in his latest book *Jose Mourinho: The Art of Winning* whether the latest controversial move by the club's owners is a marriage made in heaven or hell. Machiavellian schemer, marketing man's dream, inspirational leader and motivator, arrogant manager-lout, Super Coach. Anti-hero. Serial trophy-winner. Jose Mourinho's personality is a complex one. *Jose Mourinho: The Art of Winning* is an entertaining character study of the man who in many ways has come to define modern, elite-level football. Lionel Messi and Cristiano Ronaldo apart, the biggest, most marketable stars in world football today are the managers. The 2016-17 edition of the FA Premier League is being billed as the most exciting yet, and that's not because of the influx of star players after the European Championships in France. Though some eye-catching names have joined the league, none have the cache of a Messi or a Ronaldo. None have the standing of a Jose Mourinho or a Pep Guardiola either. And so it is on the manager's shoulders that the responsibility for delivering the customary Premier League spectacle falls. Incorporating interviews with fans (of United, and of Mourinho's former clubs), players (past and present), commentators and journalists, this book endeavours to determine what effect the Jose Mourinho show will have on Manchester United as a football club and the Premier League as a whole by tackling eight key questions including the following: Is Mourinho the best manager in the game? What is the management approach of Jose Mourinho? Can Manchester United tolerate the dark side of Jose Mourinho? What is the role of the modern day Premier League manager and how has this changed over the years? And: Once a Blue, always a Red? Can a manager who is so recognisably a Blue become a Red? Stuffed full of statistical detail and flavoured with a wistful view of a game, he sets the spectacular scene for a showdown of showdowns in this season's Premier League campaign where the ultimate prize for United will be the crucial return to the Champions League. With interviews with football writers, players and fans, this book is a must that every Manchester United fan - and indeed every football supporter - needs to read. Andrew J Kirby's sports-writing has featured in BBC Sport magazine and on the Radio Five Live website. He has held a Manchester United season ticket for over a quarter of a century and regularly follows the Reds across Europe and beyond. His other United books include, *Fergie's Finest: Sir Alex Ferguson's First 11*, *The Pride of All Europe: Manchester United's Greatest Seasons in the European Cup* and *Louis van Gaal: Dutch Courage*. PRAISE FOR FERGIE'S FINEST A must read for any red. Scott the Red, Editor: Republik of Mancunia United Blog The perfect gift for the red devil in your life! Sam Sharp, Manchester United fan Buy it now! Michael Hopkins, Manchester United fan PRAISE FOR THE PRIDE OF ALL EUROPE A very enjoyable trip down memory lane. Goodreads Reviewer The book succeeds in encapsulating the hopes, dreams, disappointments and joys of so many different eras. Manchester United fan review on Amazon PRAISE FOR DUTCH COURAGE Great research and insight make this a supreme football biography. Cool Reviews Excellent insight into this complex character. Nigel Craig, Amazon Reviewer

The Barcelona Inheritance Jonathan Wilson,2018 From Cruyff's Total Football to the epic rivalry between Guardiola and Mourinho, a gripping chronicle of the rise and fall of Barcelona's dominance in world soccer. Barcelona's style of play-pressing and possessing-is the single biggest influence on modern soccer. In *The Barcelona Inheritance*, Jonathan Wilson reveals how and why this came to pass, offering a deep analysis of the evolution of soccer tactics and style. In the late 1990s, Johan Cruyff's Dream Team was disintegrating and the revolutionary manager had departed, but his style gave birth to a new generation of thinkers, including Pep Guardiola and Jose Mourinho. Today, their teams are first and second in the Premier League, marking the latest installment in a rivalry that can be traced back twenty-five years. *The Barcelona Inheritance* is a book about the tactics, the personalities, the friendships, and, in one case, an apocalyptic falling-out that continue to shape the game today.

The Barcelona Inheritance Jonathan Wilson,2018-11-06 From Cruyff's Total Football to the epic rivalry between Guardiola and Mourinho, a gripping chronicle of the rise and fall of Barcelona's dominance in world soccer. Barcelona's style of play--pressing and possessing--is the single biggest influence on modern soccer. In *The Barcelona Inheritance*, Jonathan Wilson reveals how and why this came to pass, offering a deep analysis of the evolution of soccer tactics and style. In the late 1990s, Johan Cruyff's Dream Team was disintegrating and the revolutionary manager had departed, but his style gave birth to a new generation of thinkers, including Pep Guardiola and José Mourinho. Today, their teams are first and second in the Premier League, marking the latest installment in a rivalry that can be traced back twenty-five years. *The Barcelona Inheritance* is a book about the tactics, the personalities, the friendships, and, in one case, an apocalyptic falling-out that continue to shape the game today.

Pep Guardiola Guillem Balague,2012-11-15 This fully updated edition of the international bestseller includes Pep Guardiola's Bayern years and his decision to join Manchester City Pep Guardiola is the most successful and sought after football coach in the world. After being appointed first-team manager in 2008, he transformed Barcelona into arguably the greatest club side of all time, winning an unprecedented thirteen trophies in four years. Following a shock sabbatical from the game, he replaced Jupp Heynckes at the helm of Bayern Munich at the start of the 2013-14 season, twice winning the Double in his three years in charge. He then announced that he would be joining Manchester City for the 2016-17 season, thereby beginning what could prove to be his greatest challenge yet: turning them into a team that consistently wins in the most difficult of leagues and a regular challenger in the Champions League . . . and doing it the Guardiola way. Guillem Balagué has followed Pep's career from the outset and has had direct access to the man and his inner circle. This then is the definitive portrait of Pep Guardiola and his relentless pursuit of footballing perfection.

The José Mourinho Quote Book Ebury Press,2014-08-21 'Please don't call me arrogant, but I'm European champion and I think I'm a special one.' Widely known for his strong personality, sharp dress sense, and eccentric comments at press conferences, there is only one José Mourinho. Regarded as many by the world's best manager and one of the greatest of all time, he achieved huge success whilst at Benfica, Uniao de Leiria, Porto, Chelsea, Internazionale and Real Madrid. Never one to doubt his own abilities, the charismatic and controversial manager has dominated headlines with his many clashes with the press and run-ins with the football authorities. Silver-tongued and passionate, this compendium of quotes from the 'special one' includes the very best of Mourinho on football: his erudite comments, bizarre philosophies, confident expressions of unwavering self-belief and his love of the beautiful game. 'Look, I'm a coach, I'm not Harry Potter. He is magical, but in reality there is no magic. Magic is fiction and football is real.' A warning to Real Madrid fans, 2010 'Look at my haircut. I am ready for the war.' At the launch of a new shirt deal between Chelsea and Adidas. The event also became a chance to unveil his new, short-trimmed haircut. 'I think they should get George Clooney to play me. He's a fantastic actor and my wife thinks he would be ideal.' Contemplating a film of his life

Pep Guardiola Guillem Balague, 2013-08-23 Hvorfor stoppede Josep Guardiola som træner i FC Barcelona? Var han mæt efter at have vundet alt, hvad der var at vinde? Opgav han, fordi han netop ikke længere vandt, men mistede både mesterskabet til Real Madrid og blev slået ud af Champions League i semifinalen af Chelsea inden for samme sæson? Vidste han ikke, hvordan han skulle komme videre efter at have skabt det måske bedste fodboldhold i verdenshistorien og i al stilfærdighed revolutioneret fodboldspillet? Eller var det, fordi han ikke længere orkede provokationerne fra José Mourinho og den mere og mere drabelige rivalisering mellem FC Barcelona og Real Madrid, som det gav sig udslag i "Clásico-stormen" i 2011 og 2012? Var der andre årsager? Eller var han, som han selv hævder, slet og ret kørt træet? Den velansete spanske journalist Guillem Balagué (Sky Sport m.m.) er på sporet af svaret i denne omfattende og gennemresearchede biografi om Josep Guardiola – eller som han bare kaldes blandt venner og godtfolk, PEP. I kraft af interviews med alt og alle, der har haft berøring med Pep igennem hans karriere, først som ungdomsspiller på FC Barcelonas herostratisk berømte akademi La Masia, senere som krumtap på Johan Cruyffs el Dream Team i 90'erne, og fulgt ham på hans vej fra den lille landsby Santpedor og rundt i verden, på udlandsophold i Italien og i Mexico og på hans "pilgrimsfærd" til Argentina, hvor han tog til for at træffe trænerforbillederne Cécil Luis Menotti og Marco Bielsa, tegner Balagué et minutiøst portræt af en fodboldbegavelse af de sjældne, men også af en kompleks, tænkso og følsom natur, der ikke trives med alle sider af fodboldverdenen.

Mourinho Jose Mourinho, 2015-10-08 Mourinho is a beautiful illustrated book which is both a sumptuous celebration of The Special One's managerial career so far, and an enigmatic insight into his unique brand of football wisdom and philosophy. In the legendary manager's very first book, and in his own images and captions, Jose Mourinho charts the peaks and troughs of the opening fifteen years of what has been a stellar rise to the summit of the global game. Through more than 120 personally selected images (some of which are exclusive to the book), fans will relish an intimate and unmissable opportunity to understand and further appreciate this giant of the sport.

From Guernica to Guardiola Adam Crafton, 2018-05-03 As Pep Guardiola shatters records and confounds the norms of English football and players such as David De Gea and David Silva light up the national game, Spanish stars are transforming the way English football is conceived. But the origins of this particular Spanish invasion date back to 1937, when the Spanish Civil War led to a stream of refugees fleeing their country for the safe haven of England. Their families reveal how the refugees learned the game here, before returning to Spain where one would score Real Madrid's first goal in the Bernabeu stadium and another would be the first man to conceive of Barcelona's vaunted La Masia academy that would later launch stars such as Lionel Messi, Cesc Fabregas and Xavi Hernandez. In recent years the reputation of Spain's footballers has grown, and every club craves a sprinkling of tiki-taka magic. Through dozens of exclusive interviews, Adam Crafton has spoken to many of the key Spanish figures who have come to England and he creates a compelling portrait of their impact on the English game. We discover how and why it is that some players, such as Xabi Alonso, Pepe Reina and Juan Mata, have had great success here, while others have toiled so painfully. But this is not just a footballing story, pure and simple. Crafton provides the historical and social context that helps to explain how the relationship between the two nations is constantly changing, yet always close. For anyone who enjoyed Jonathan Wilson's *Inverting the Pyramid* or Sid Lowe's *Fear and Loathing in La Liga*, this book is a revealing and brilliant insight into this most benign of Spanish invasions.

The Special One: The Dark Side of Jose Mourinho Diego Torres, 2014-04-10 An explosive and shocking biography of Jose Mourinho - revealing the dark side of 'the special one'.

Fear and Loathing in La Liga Sid Lowe, 2014-03-18 Fear and Loathing in La Liga is the definitive history of the greatest rivalry in world sport: FC Barcelona vs. Real Madrid. It's Messi vs. Ronaldo, Guardiola vs. Mourinho, the nation against the state, freedom fighters vs. Franco's fascists, plus majestic goals and mesmerizing skills. It's the best two teams on the planet going head-to-head. It's more than a game. It's a war. It's El Clásico. Only, it's not quite that simple. Spanish soccer expert and historian Sid Lowe covers 100 years of rivalry, athletic beauty, and excellence. Fear and Loathing in La Liga is a nuanced, revisionist, and brilliantly informed history that goes beyond sport. Lowe weaves together this story of the rivalry with the history and culture of Spain, emphasizing that it is never about just the soccer. With exclusive testimonies and astonishing anecdotes, he takes us inside this epic battle, including the wounds left by the Civil War, Madrid's golden age in the fifties when they won five European cups, Johan Cruyff's Barcelona Dream Team, the doomed Galáico experiment, and LuíFigo's betrayal. By exploring the history, politics, culture, economics, and language -- while never forgetting the drama on the field -- Lowe demonstrates the relationship between these two soccer giants and reveals the true story behind their explosive rivalry.

José Mourinho: Up Close and Personal Robert Beasley, 2017-07-06 The gripping biography of one of the most successful managers in the game, José Mourinho, giving a rare insight into Mourinho the man as well as Mourinho the manager. José Mourinho is undoubtedly one of the most charismatic and controversial characters in football today. Never far away from the headlines, it is the drama surrounding him as much as his many successes that make him such a fascinating figure. Having worked at some of the biggest clubs in the world - Porto, Chelsea, Inter Milan, Real Madrid and Manchester United - Mourinho knows how to deliver when it matters. Leaving trophy cabinets bursting wherever he's been, he has a claim on being the greatest manager in his sport. But is the way he conducts himself on the touchline and in front of the cameras the real José Mourinho, or an act he puts on for the watching world? Author Robert Beasley has followed Mourinho's career closely since his arrival on the English football scene in 2004. An award-winning sports correspondent, Beasley has been the one person granted privileged access to the Special One's inner sanctum, and he found there a man few ever get to know - let alone get to call a friend. This is the story of José Mourinho, up close and personal. Delving into the workings of the famed manager's mind, as well as the backroom antics and transfer sagas at the game's greatest clubs, we see the world from José's point of view. Revealing the untold stories behind how close Mourinho came to getting the England and Tottenham jobs and his sometimes tumultuous relationships with the likes of Roman Abramovich, Rafael Benítez and Arsenal boss Arsène Wenger, and why he will always put family and friends before football, this is a side to José Mourinho you never thought you'd see.

Barça Graham Hunter, 2012-09-13 FC Barcelona are the greatest football team in the world, the greatest for a generation and possibly the greatest of all time. This is the inside story of how the team came to redefine how the game is played, told by the journalist closer to it than any other. This edition contains a new epilogue reflecting on the departure of Pep Guardiola and Spain's victory at Euro 2012.

The Red One Harry Harris, 2016-08-25

The Real Giants of Soccer Coaching Josh Faga, 2018-03-22 The Real Giants of Soccer Coaching is a collection of the curated thoughts of nearly 30 top soccer coaches from around the globe. In this book, you will gain access to the depth and breadth of experience from some of the best coaches across all areas of the beautiful game: from grassroots to premier leagues and everything in between. You will learn theoretical details about tactical periodization, positional play, and the science of motor learning. You will also learn from Youth National Team coaches, NCAA National Championship winning coaches, and First Division coaches from top European clubs. This book is a resource that can direct your coaching education over and around the perilous pitfalls that often consume most coaches. After reading this book, you will have gained the experience, knowledge, and wisdom of some of the best coaches across all areas of the game. You don't have to go your coaching path alone. Take this book and bring the wisdom of these top coaches with you to help navigate every corner, turn, and hazard along your way to becoming a great coach.

Coaching Transition Play - Full Sessions from the Tactics of Simeone, Guardiola, Klopp, Mourinho & Ranieri Michail

Tsokaktsidis, 2017-02-10 This book provides analysis of Simeone, Guardiola, Klopp, Mourinho and Ranieri's tactics. Michail Tsokaktsidis is a UEFA 'A' licence coach and has used this analysis to produce 23 full sessions (98 practices) including transition games, game situations and small sided games.

The Barcelona Way Damian Hughes, 2018-08-09 'Does culture create competitive advantage? Case closed in this compelling analysis of sporting success. Read it.' - James Kerr, bestselling author of *Legacy*. In *The Barcelona Way*, sports psychologist Prof. Damian Hughes draws on exclusive insight into FCB as well as first-hand research from organizational psychology, to set out a method to create your own high-performance culture. At the heart of FCB's winning culture are a set of principles, epitomized by Pep Guardiola, Johan Cruyff, Lionel Messi and many other FCB legends, which govern how to nurture talent, prepare for change and provide the best environment to build a culture of sustained success. These principles: Big Picture, Arc of Change, Repetition, Cultural Architects, Authentic Leadership are at the heart of FCB's unprecedented domination of football, and are the key to

developing high-performance cultures in any team-based organisation across every industry. The Barcelona Way is a hugely practical must-read that sets out a clear plan, based on the same principles, for you to create a culture of success and get the best of yourself and your team.

El Clasico: Barcelona v Real Madrid Richard Fitzpatrick, 2012-08-02 Barcelona and Real Madrid: two of the most powerful and popular clubs in world football, and one of the world's most bitter sporting rivalries. Going far beyond the boundaries of just sport alone, this is a rivalry at the heart of Spanish life, taking in politics and culture and splitting a country in two. El Clásico gets to the heart of that rivalry, investigating the intrigue, the larger-than-life characters, the key flashpoints and their consequences. From civil war bloodshed to 40 years of fascism and links with General Franco, the clubs' shared history is the stuff of a Robert Harris novel and includes: murdered presidents from both clubs, player kidnappings, acts of hooliganism - and that's before you start thinking of the volatile football matches themselves. The book contains numerous interviews with key figures such as Luís Figo and Hristo Stoichkov (two of the main hate figures from both clubs), Joan Laporta (Barcelona's most successful president and, having entered politics, Catalan separatism's poster boy) and various ex-players, ex-managers, agents, referees, hooligans, editors, historians, sociologists, filmmakers, novelists, photographers, TV presenters and celebrity fans. The two clubs are packed with international superstar players - including the world's two best players in Leo Messi and Cristiano Ronaldo - and 10 of the starting 11 players from Spain's 2010 World Cup final victory play with either Barcelona or Real Madrid. This is a story with resonance around the sporting world, with many instantly recognisable figures to an international audience such as Jose Mourinho. But it is also a tale of a country divided by a bitter rivalry.
