Vines Expository Dictionary of New Testament Words W.E Vine, Rev Terry Kulakowski, Editor, 2015-11-12 W.E Vine's greatest contribution to the Church of God was his Expository Dictionary of New Testament Words. W. E. Vine has put all English-speaking Bible students in his debt. The English reader with little or no knowledge of Greek has, of course, concordances and lexicons. These provide a skeleton: Vine clothes it with the flesh and sinews of living exposition, and in so doing makes available for the ordinary reader the expert knowledge contained in the

more advanced works. In a preface to the dictionary, W. E. Vine wrote: In any work in which we engage as servants of Christ, His word ever applies, 'When ye shall have done all those things that are commanded you, say, We are unprofitable servants; we have done that which was our duty to do

Vines Expository Dictionary of Old Testament Words

W.E Vine, Rev Terry Kulakowski, 2015-11-10 To ascertain the exact meaning of the words and phraseology of the originals of the Holy Scriptures is of great importance, particularly those which have a variety of meanings in English. The research work of the past fifty years, with the discovery of a large number of inscriptions and documents, and especially of the non-literary writings. The present volumes are produced especially for the help of those who do not study Hebrew, though it is hoped that those who are familiar with the original will find them useful. The work is of an expository character, comments being given on various passages referred to under the different headings. The doctrines of Scripture are dealt with at some length, and notes are provided on matters historical, and technical. W.E Vine

Mounce's Complete Expository Dictionary of Old and New Testament Words William D. Mounce,2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is

also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars

These small but thorough commentaries use a word study approach that takes into consideration every reference to that word in the Bible as well as the range of its uses in ancient Greek—the original language of the New Testament.
