Chloe's senior year approaches and there's a shock in store when she returns to do her final year at school. Will is there too, but he's not one of her fellow students... A tale of forbidden love, broken hearts, friendship, and rivalry.

*When Summer Ends* Reyn Murphy,2021 First loves and fist fights. Best friends and break-ups. Nights of elation and mornings of regret. You remember the feeling. It's the chaos that comes once-disillusioned with our idols, connected through our music, consumed hopelessly by love-but leaves an indelible mark. We watch as his idealized past and the visceral pain of his bb wound guide him through feelings of fear, excitement, and everything in between-hoping he finds a better path before it destroys him.

**From Cohen to Carson** Ian Rae,2008 *From Cohen to Carson* provides the first book-length analysis of one of Canada's most distinctive fields of literary production. Ian Rogers argues that Canadian poets have turned to the novel because of the limitations of the lyric, but have used lyric

methods - puns, symbolism, repetition, juxtaposition - to create a mode of narrative that contrasts sharply with the descriptive conventions of realist and plot-driven novels. Detailed case studies of novels by Leonard Cohen, Michael Ondaatje, George Bowering, Daphne Marlatt, and Anne Carson, as well as sections on A. M. Klein and Anne Michaels, reveal how these authors framed their early novels according to formal precedents established in their poetry. In tracking the authors' shift from lyric to long poem to novel, Rae also investigates their experiments with non-literary art forms - photography, painting, and film. He argues convincingly that the authors discussed have combined disparate genres and media to alter notions of narrative coherence in the novel and engage the diverse but fragmented cultural histories of Canadian society. --Résumé de l'éditeur.

*Unspeakable Awfulness* Kenneth D. Rose,2013-07-24 The late nineteenth century was a golden age for European travel in the United States. For prosperous Europeans, a journey to America was a

fresh alternative to the more familiar 'Grand Tour' of their own continent, promising encounters with a vast, wild landscape, and with people whose culture was similar enough to their own to be intelligible, yet different enough to be interesting. Their observations of America and its inhabitants provide a striking lens on this era of American history, and a fascinating glimpse into how the people of the past perceived one another. In *Unspeakable Awfulness*, Kenneth D. Rose gathers together a broad selection of the observations made by European travellers to the United States. European visitors remarked upon what they saw as a distinctly American approach to everything from class, politics, and race to language, food, and advertising. Their assessments of the 'American character' continue to echo today, and create a full portrait of late-nineteenth century America as seen through the eyes of its visitors. Including vivid travellers' tales and plentiful illustrations, *Unspeakable Awfulness* is a rich resource that will be useful to students and appeal to anyone interested in travel history and narratives.
