

A Summer In Mussel Shoals

William Leonard Gage

A Summer in Mussel Shoals Allen Charles Dionne, 2013-01 Jay VanVessy, an aspiring writer who has successfully caught the mondo wave of a fleeting literary career, takes a sabbatical after spending eighteen grueling months on a promotional tour. Journeying into the Deep South searching for the bones of a story that has been sprouting within his mind. He arrives in Mussel Shoals, a town where the Southern rock music wave began recording in the late 1960s. In Mussel Shoals is a story waiting to be unearthed. Jay has decided to rest, recuperate, and delve into the sleepy little town's past. He wants to write a book based on truth, a novel that will open eyes world wide. His eyes will be opened as well, as he falls into friendships that whisk him away on a heart-rending emotional roller coaster that defies gravities pull. Jay, thinking he has come to rest up in Mussel Shoals, soon realizes that no rest is in sight.

Music and Mystique in Muscle Shoals Christopher M. Reali, 2022-07-19 A No Depression Most Memorable Music Book of 2022 The forceful music that rolled out of Muscle Shoals in the 1960s and 1970s shaped hits by everyone from Wilson Pickett and Aretha Franklin to the Rolling Stones and Paul Simon. Christopher M. Reali's in-depth look at the fabled musical hotbed examines the events and factors that gave the Muscle Shoals sound such a potent cultural power. Many artists trekked to FAME Studios and Muscle Shoals Sound in search of the sound of authentic southern Black music—and at times expressed shock at the mostly white studio musicians waiting to play it for them. Others hoped to draw on the hitmaking production process that defined the scene. Reali also chronicles the overlooked history of Muscle Shoals's impact on country music and describes the region's recent transformation into a tourism destination. Multifaceted and informed, *Music and Mystique in Muscle Shoals* reveals the people, place, and events behind one of the most legendary recording scenes in American history.
