

Eknath Easwaran Conquest Of Mind

Eknath Easwaran

Conquest of Mind Eknath Easwaran, 2010 Combines meditation practice with day-to-day mindfulness to help readers conquer unwanted thoughts and choose more wisely. By the author of *Meditation and Timeless Wisdom*. Original.

Conquest of Mind Eknath Easwaran, 2010 Getting caught in unwanted thoughts and emotions can feel like an inevitable part of life. But Easwaran, who taught meditation for nearly 40 years, shows a way to break free. Just as a fitness routine can result in a strong, supple body, spiritual disciplines can shape a secure personality and a resilient, loving mind. And opportunities to grow stronger spiritually arise not only during meditation but throughout the day. Working with difficult colleagues, going out to eat, and responding to a child's needs are all occasions to try out different, wiser choices. With humor and empathy, Easwaran places timeless teachings from the Buddha and other mystics into contemporary scenes -- watching a juggler on the street, taking a tennis lesson, going to the theater. Training the mind is life's biggest adventure, one that brings deepening relationships, increasing vitality, and a greater sense of purpose.

Conquest of Mind Eknath Easwaran, 1999 The wisdom we need to master the art of living Can you remain serene, not just in the face of petty irritations, but when confronted by major obstacles? Concentrate, unaffected by distractions, when there's an important job to do? Opt to be kind and loving when difficult people provoke you? Developing these skills can be a challenge, but this book provides the tools: a method of meditation and a program for daily living that you can start using right away. Written in an easy, conversational style, *Conquest of Mind* contains numerous tips and techniques to enable you to reshape

your mind and character; rebuild faltering relationships; become more creative and resourceful; and thrive in times of stress. This is an important book for people who know there are no quick fixes, and who are looking for an approach that's both practical and spiritual.

Passage Meditation Eknath Easwaran, 2010-09

Pioneered by spiritual master Eknath Easwaran, passage meditation consists of memorizing an inspirational spiritual passage and then sending it deep into consciousness through slow, sustained attention. It keeps meditation fresh and varied because readers can select the passages - from one tradition or many - that embody their chosen ideals. Many readers also enjoy the passages for their poetic and intellectual appeal. This form of meditation offers all the richness and depth of traditional wisdom, together with a practical method for bringing that wisdom into daily life. The book situates passage meditation as part of Easwaran's eight-point program that, based on traditional spiritual practices but adjusted for modern lifestyles, shows readers how to stay calm and focused at work and home. This edition includes a new preface of previously unpublished material by Easwaran and an epilogue that explains the story behind the book and invites new readers to join the author on this adventure in the "world within."

Dialogue With Death Eknath Easwaran, 2000-02

Dialogue with Death is not a book on death and dying. It is a book about life and living: what life is for, who we are as human beings, why we are here. Yet it is death that forces these questions on us. If we could live forever, there would be little urgency in finding answers. But the fact is that whatever our age or the status of our health, none of us has time to waste in learning what life is for. We begin to take life seriously when we take death seriously.

Otherwise, as Thoreau said, we run the risk of discovering,

when we come to die, that we have never lived. This is not a negative observation. It is completely positive, for it brings life into focus. Every moment is precious. There is so little time: not a day to waste on quarreling with those we love, no time for anything that robs our lives of joy, hope, and meaning. Fulfilling the purpose of life becomes our overriding priority, and that brings joy, hope, love, and meaning to us and to those around us. Let this book be your guide.

Timeless Wisdom Eknath Easwaran,2008 This companion volume to Easwaran's Passage Meditation brings the world's timeless wisdom within reach of the modern seeker. The author chooses texts that are positive, practical, and meaningful for readers today, making them suitable for study and meditation.

Essence of the Upanishads Eknath Easwaran,2010-10-19 Essence of the Upanishads - A Key to Indian Spirituality (Revised edition of Dialogue with Death, with new series preface and introduction - 19 new pages from transcripts of Easwaran's talks) Easwaran shows how the Katha Upanishad can help us understand our lives today Easwaran takes one of India's classic wisdom texts, the Katha Upanishad, and explains how it embraces all the key ideas of Indian spirituality within the context of a powerful mythic quest - the story of a young hero who ventures into the land of death in search of immortality. Illustrating the insights of the Katha through analogies and everyday examples, Easwaran shows how these ancient teachings help us gain a deeper understanding of our world and ourselves today.

Patience Eknath Easwaran,2010-03-09 Patience is the ornament of the brave, Eknath Easwaran's wise grandmother used to say. In all relationships, Easwaran says, patience is the mark of love. An experienced spiritual

teacher, he gives powerful insights and advice for developing patience at home and at work, with his unique blend of humor and practicality. Stories offer quiet interludes throughout this little book. Anecdotes about animals, sports stars, and happy family outings make these short, varied readings as entertaining as they are instructive. Gentle reminiscences of India, tales from Easwaran's Hindu heritage, and inspiration from the world's saints lift the reader's spirits and give courage. Just keep trying, Easwaran says, and you'll find there's no end to your patience -- no end to the wisdom, love, and compassion in your heart. This book makes a thoughtful gift for anyone seeking a life that is kinder, more stable, and serene.

Yoga Wisdom at Work Maren S. Showkeir, James D. Showkeir, 2013-05-06 Yoga's Ancient Wisdom Can Transform Your Work Life Everyone knows that yoga helps reduce stress and increase the body's flexibility and strength. But the physical aspects barely scratch the surface of yoga's transformative powers. The poses are only one part of a larger philosophy offering profound insights for confronting the complexities of daily life. Yoga can help you remain centered, compassionate, positive, and sane every hour of the day—especially those between nine and five. This unprecedented guide shows how practicing the full range of yogic concepts—the traditional “Eight Limbs of Yoga”—leads to a productive, creative, and energizing work environment and features examples from professions like law enforcement, teaching, banking, filmmaking, medicine, and many more. But beyond that, this book is an invitation to use all of yoga's teachings to cultivate the spark of the divine that dwells within each of us. “Filled with personal insights and stories that carry yoga into the world of daily decision making.... It is

wonderful to see the foundations of practice brought to life in such a confident, sincere, and thoughtful way.” —Pandit Rajmani Tuganait, Chairman and spiritual head of the Himalayan Institute “Maren and Jamie show that yoga is not just about poses—the practice is about creating the stillness of mind that will allow you do the work you were meant to do. Seriously, read this book!” —Russell Simmons, cofounder of Def Jam “The [Showkeirs] bring the deepest teachings of yoga alive by showing exactly how to bring our yoga—and our best selves—into the world.” —Judith Lasater, PhD, author of *Relax and Renew: Restful Yoga for Stressful Times*

The Way to God Mahatma Gandhi, 2011-07-26 Short, easy-to-read essays revealing Gandhi’s most important teachings on love, meditation, service, and prayer—with profound wisdom and inspiration for readers of every faith. Mahatma Gandhi became famous as the leader of the Indian independence movement, but he called himself “a man of God disguised as a politician.” *The Way to God* demonstrates his enduring significance as a spiritual leader whose ideas offer insight and solace to seekers of every practice and persuasion. Collecting many of his most significant writings, the book explores the deep religious roots of Gandhi’s worldly accomplishments and reveals—in his own words—his intellectual, moral, and spiritual approaches to the divine. First published in India in 1971, the book is based on Gandhi’s lifetime experiments with truth and reveals the heart of his teachings. Gandhi’s aphoristic power, his ability to sum up complex ideas in a few authoritative strokes, shines through these pages. Individual chapters cover such topics as moral discipline, spiritual practice, spiritual experience, and much more. Gandhi’s guiding principles of selflessness, humility, service, active yet nonviolent resistance, and vegetarianism

make his writings as timely today as when these writings first appeared. A foreword by Gandhi's grandson Arun and an introduction by Michael Nagler add useful context.

Meditation Eknath Easwaran, 1991 Eknath Easwaran believed that meditating on words from the mystics and spiritual traditions of the world drives them deep into one's consciousness, where they take root and create positive life change. Featuring personal examples from daily life and resonant with Easwaran's characteristic humor, these talks show how to transform thinking and acting to harness natural capabilities for kindness, joy, and wisdom; offer step-by-step instructions on every aspect of meditation; and explain how to use these time-tested tools to support meditation and bring one's highest principles into daily life. Free of dogma or any particular religious tradition, these talks lovingly guide the seeker toward self-realization.

God Makes the Rivers to Flow Eknath Easwaran, 2010-07-16 Eknath Easwaran taught spiritual living for nearly 40 years and drew deep, ongoing inspiration from the sacred literature of all traditions - the great river of wisdom that is always flowing throughout the world. The 149 short extracts in this anthology come from the much-loved saints, sages, and scriptures of the Christian, Hindu, Sufi, Jewish, Native American, Buddhist, and Taoist traditions. These passages can be read for daily inspiration, for their insights into other spiritual traditions, for the light they throw on how to live, for the sustenance they offer when we feel sad or tired, and for the deep transformation they can bring in Easwarans method of passage meditation. Rich supporting material includes stories from India, detailed background notes, suggestions for memorization and for studying the texts in practices such as lectio divina from the Christian tradition, and instruction in using these texts in passage meditation.
