Bergwanderungen in Albanien Karl Steinmetz, 2016-09-12 Am Ende des 19. und am Anfang des 20. Jahrhunderts war Albanien ein Land, das es zu entdecken galt. Das ewig unruhige Balkanland gehörte noch zu dem in Zerfall begriffenen, großen Osmanischen Reich und war für europäische Reisende nicht einfach zugänglich. Dennoch strömten viele europäische Forscher und Reisende nach Albanien, um den letzten weißen Fleck auf der Karte Europas zu erkunden. Unter ihnen spielte der österreichische Ingenieur Karl Steinmetz eine besondere Rolle. Im Gegensatz zu den meisten Entdeckern und Reisenden war er auf seine Expeditionen gut vorbereitet. Er lernte albanisch, scheinbar gut, und war dadurch in die Lage versetzt, selbstständig kreuz und quer durch die bis dahin schwer zugänglichen Berge zu reisen und mit den angeblich so schießwütigen Einheimischen umzugehen. Diese Ausgabe umfasst die drei Reiseschilderungen des abenteuerlustigen Karl Steinmetz aus den Jahre 1903, 1904 und 1905.

Virtues of the Indian/Virtudes del indio Bishop Juan de Palafox y Mendoza, 2009-01-16 This important book is the first complete seventeenth-century treatise on Native Americans to be introduced, annotated, and translated into English. Presented in a parallel text translation, it brings the work of the controversial and powerful Bishop Juan de Palafox to non-Spanish speakers for the first time. A seminal document in the history of colonial Mexico and imperial Spain, *Virtues of the Indian* tells us as much about the Mexican natives as about the ideas, images, and representations upon which the Spanish Empire in America was built. Taken as a whole, this book will raise questions about the Spanish empire and the governance of New Spain's Indians. Even more significantly, it will complicate the prevailing view of Spanish imperialism and colonial society as one dominated by a unified and coherent ruling elite with common goals. The deeply-informed introduction, biographical essay, and annotations that accompany this vivid translation further explore the thoughts and actions of the dynamic and complex Palafox, contributing to a better knowledge of a key figure in the history of Spanish colonialism in the New World.

The Russian Donation Christoph Spielberg, 2013 Doctor Felix Hoffmann's life is textbook success: it's a life filled with medical work, televised soccer games, and the chill of German beer. Yet, when a former patient shows up dead by causes unknown, Hoffmann signs a death certificate that may be his own. Curiosity and sheer medical devotion propel him to investigate. However, his autopsy order goes unfulfilled as the body is cremated and hospital records vanish. Soon, Hoffmann discovers a diagnosis of conspiratorial proportions.

Catalogue Bernard Quaritch, 2017-09-06 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

All Sorts and Conditions of Men Walter Besant, 1882 The ten years' partnership of myself and my late friend Mr. James Rice has been terminated by death. I am persuaded that nothing short of death would have put an end to a partnership which was conducted throughout with perfect accord,

and without the least difference of opinion. The long illness which terminated fatally on April 25th of this year began in January of last year. There were intervals during which he seemed to be recovering and gaining strength; he was, indeed, well enough in the autumn to try change of air by a visit to Holland; but he broke down again very shortly after his return: though he did not himself suspect it, he was under sentence of death, and for the last six months of his life his downward course was steady and continuous. Almost the last act of his in our partnership was the arrangement, with certain country papers and elsewhere, for the serial publication of this novel, the subject and writing of which were necessarily left entirely to myself.
