Four Thousand Weeks Oliver Burkeman,2021-08-10 AN INSTANT NEW YORK TIMES BESTSELLER Provocative and appealing . . . well worth your extremely limited time. —Barbara Spindel, The Wall Street Journal The average human lifespan is absurdly, insultingly brief. Assuming you live to be eighty, you have just over four thousand weeks. Nobody needs telling there isn't enough time. We're obsessed with our lengthening to-do lists, our overfilled inboxes, work-life balance, and the ceaseless battle against distraction; and we're deluged with advice on becoming more productive and efficient, and "life hacks" to optimize our days. But such techniques often end up making things worse. The sense of anxious hurry grows more intense, and still the most meaningful parts of life seem to lie just beyond the horizon. Still, we rarely make the connection between our daily struggles with time and the ultimate time management problem: the challenge of how best to use our four thousand weeks. Drawing on the insights of both ancient and contemporary philosophers, psychologists, and spiritual teachers, Oliver Burkeman delivers an entertaining, humorous, practical, and ultimately profound guide to time and time management. Rejecting the futile modern fixation on "getting everything done," Four Thousand Weeks introduces readers to tools for constructing a meaningful life by embracing finitude, showing how many of the unhelpful ways we've come to think about time aren't inescapable, unchanging truths, but choices we've made as individuals and as a society—and that we could do things differently.

The Best of Me David Sedaris,2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional,

but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (*Time Out New York*), *The Best of Me* spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

Prune Gabrielle Hamilton, 2014-11-04 NEW YORK TIMES BESTSELLER From Gabrielle Hamilton, bestselling author of *Blood, Bones & Butter*, comes her eagerly anticipated cookbook debut filled with signature recipes from her celebrated New York City restaurant Prune. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF THE BEST BOOKS OF THE SEASON BY Time • O: The Oprah Magazine • Bon Appétit • Eater A self-trained cook turned James Beard Award-winning chef, Gabrielle Hamilton opened Prune on New York's Lower East Side fifteen years ago to great acclaim and lines down the block, both of which continue today. A deeply personal and gracious restaurant, in both menu and philosophy, Prune uses the elements of home cooking and elevates them in unexpected ways. The result is delicious food that satisfies on many levels. Highly original in concept, execution, look, and feel, the Prune cookbook is an inspired replica of the restaurant's kitchen binders. It is written to Gabrielle's cooks in her distinctive voice, with as much instruction, encouragement, information, and scolding as you would find if you actually came to work at Prune as a line cook. The recipes have been tried, tasted, and tested dozens if not hundreds of times. Intended for the home cook as well as the kitchen professional, the instructions offer a range of signals for cooks—a head's up on when you have gone too far, things to watch out for that could trip you up, suggestions on how to traverse certain uncomfortable parts of the journey to ultimately help get you to the final destination, an amazing dish. Complete with more than with more than 250 recipes and 250 color photographs, home cooks will find Prune's most requested recipes—Grilled Head-on Shrimp with Anchovy Butter, Bread Heels and Pan Drippings Salad, Tongue and Octopus with Salsa Verde and Mimosa'd Egg, Roasted Capon on Garlic Crouton, Prune's famous Bloody Mary (and all 10 variations). Plus, among other items, a chapter entitled "Garbage"—smart ways to repurpose foods that might have hit the garbage or stockpot in other restaurant kitchens but are turned into appetizing bites and notions at Prune. Featured here are the recipes, approach, philosophy, evolution, and nuances that make them distinctively Prune's. Unconventional and honest, in both tone and content, this book is a welcome expression of the cookbook as we know it. Praise for Prune "Fresh, fascinating . . . entirely pleasurable . . . Since 1999, when the chef Gabrielle Hamilton put Triscuits and canned sardines on the first menu of her East Village bistro, Prune, she has nonchalantly broken countless rules of the food world. The rule that a successful restaurant must breed an empire. The rule that chefs who happen to be women should unconditionally support one another. The rule that great chefs don't make great writers (with her memoir, *Blood, Bones & Butter*). And now, the rule that restaurant food has to be simplified and prettied up for home cooks in order to produce a useful, irresistible cookbook. . . . [Prune] is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a beautiful deep, dark magenta.)"—The New York Times "One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience."—Publishers Weekly (starred review)

Candida Wilton—a woman recently betrayed, rejected, divorced, and alienated from her three grown daughters—moves from a beautiful Georgian house in lovely Suffolk to a two-room walk-up flat in a run-down building in central London. The move, however, is not a financial necessity. She herself wonders if she’s putting herself through a survival test...or perhaps a punishment. How will Candida adjust to this shabby, menacing, but curiously appealing city? What can happen, at her age, to change her life? There is a relationship with a computer to which she now confides her past and her present. An adult-ed class on Virgil offers friendships of sorts with other women—widows, divorced, never married, women straddled between generations. And then comes Candida's surprise inheritance, and the surprising things she chooses to do with it...

Nothing to See Here Kevin Wilson, 2019-10-29 A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar “I can’t believe how good this book is.... It’s wholly original. It’s also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn’t see coming. You’re laughing so hard you don’t even realize that you’ve suddenly caught fire.” —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they’ve barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison’s twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there’s a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it’s the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison’s buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn’t this be the start of the amazing life she’d always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

Tuesdays with Morrie Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn’t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man’s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie’s lasting gift with the world.
