

A Testament Of Hope The Essential Writings Of Martin Luther King

Dr. Martin Luther King, Jr.

A Testament of Hope Martin Luther King, 1990-12-07 We've got some difficult days ahead, civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land. These prophetic words, uttered the day before his assassination, challenged those he left behind to see that his promised land of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. **A Testament of Hope** contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.

A Testament of Hope Martin Luther King (Jr.), 1991 Speeches, writings, interviews, and excerpts from five of Martin Luther King's books are presented in chronological order within topical groupings.

The Martin Luther King, Jr. Companion Martin Luther King (Jr.), 1993 Quotations by the civil rights leader cover such issues as race, justice, and human dignity.

Arranged thematically in five parts, the collection includes nineteen selections and is introduced by award-winning author Walter Dean Myers. Included are some of Dr. King's most well-known and frequently taught classic works, including “Letter from Birmingham Jail” and “I Have a Dream,” as well as lesser-known pieces such as “The Sword that Heals” and “What Is Your Life's Blueprint?” that speak to issues young people face today.

The Words of Martin Luther King, Jr Martin Luther King (Jr.), 1983

Gospel of Freedom Jonathan Rieder, 2014-04-08 The first ever trade history of a landmark of American letters--Martin Luther King Jr's legendary Letter from Birmingham Jail.

A Stone of Hope David L. Chappell, 2009-12-07 The civil rights movement was arguably the most successful social movement in American history. In a provocative new assessment of its success, David Chappell argues that the story of civil rights is not a story of the ultimate triumph of liberal ideas after decades of gradual progress. Rather, it is a story of the power of religious tradition. Chappell reconsiders the intellectual roots of civil rights reform, showing how northern liberals' faith in the power of human reason to overcome prejudice was at odds with the movement's goal of immediate change. Even when liberals sincerely wanted change, they recognized that they could not necessarily inspire others to unite and fight for it. But the prophetic tradition of the Old Testament--sometimes translated into secular language--drove African American activists to unprecedented solidarity and self-sacrifice. Martin Luther King Jr., Fannie Lou Hamer, James Lawson, Modjeska Simkins, and other black leaders believed, as the Hebrew prophets believed, that they had to stand apart from society and instigate dramatic changes to force an unwilling world to abandon its sinful ways. Their impassioned campaign to stamp out the sin of segregation brought the vitality of a religious revival to their cause. Meanwhile, segregationists found little support within their white southern religious denominations. Although segregationists outvoted and outgunned black integrationists, the segregationists

lost, Chappell concludes, largely because they did not have a religious commitment to their cause.

A Call to Conscience Clayborne Carson, Kris Shepard, 2001-01-15 This companion volume to *A Knock At Midnight: Inspiration from the Great Sermons of Rev. Martin Luther King, Jr.* includes the text of his most well-known oration, *I Have a Dream*, his acceptance speech for the Nobel Peace Prize, and *Beyond Vietnam*, a powerful plea to end the ongoing conflict. Includes contributions from Rosa Parks, Aretha Franklin, the Dalai Lama, and many others.

The Power of Nonviolence Howard Zinn, 2002-09-12 There is no easy way out of the spiraling morass of terror and brutality that confronts the world today. It is time now for the human race to hold still, to delve into its wells of collective wisdom, both ancient and modern.--Arundhati Roy *The Power of Nonviolence*, the first anthology of alternatives to war with a historical perspective, with an introduction by Howard Zinn about September 11 and the U.S. response to the terrorist attacks, presents the most salient and persuasive arguments for peace in the last 2,500 years of human history. Arranged chronologically, covering the major conflagrations in the world, *The Power of Nonviolence* is a compelling step forward in the study of pacifism, a timely anthology that fills a void for people looking for responses to crisis that are not based on guns or bombs. Included are some of the most original thinkers about peace and nonviolence-Buddha, Scott Nearing, Henry David Thoreau's *Civil Disobedience*, Jane Addams, William Penn on the end of war, Dorothy Day's position on Pacifism, Erich Fromm, and Rajendra Prasad. Supplementing these classic voices are more recent advocates of peace: Albert Camus' *Neither Victims Nor Executioners*, A. J. Muste's impressive *Getting Rid of War*, Martin Luther King's influential *Declaration of Independence from the War in Vietnam*, and Arundhati Roy's *War Is Peace*, plus many others.

Strength to Love Martin Luther King, Jr., 2019-10-15 The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political

force for change.

The Trumpet of Conscience Dr. Martin Luther King, Jr., 2010-10-13 In November and December 1967, Dr. Martin Luther King, Jr., delivered five lectures for the renowned Massey Lecture Series of the Canadian Broadcasting Corporation. The collection was immediately released as a book under the title *Conscience for Change*, but after King's assassination in 1968, it was republished as *The Trumpet of Conscience*. The collection sums up his lasting creed and is his final testament on racism, poverty, and war. Each oration in this volume encompasses a distinct theme and speaks prophetically to today's perils, addressing issues of equality, conscience and war, the mobilization of young people, and nonviolence. Collectively, they reveal some of King's most introspective reflections and final impressions of the movement while illustrating how he never lost sight of our shared goals for justice. The book concludes with "A Christmas Sermon on Peace"—a powerful lecture that was broadcast live from Ebenezer Baptist Church on Christmas Eve in 1967. In it King articulates his long-term vision of nonviolence as a path to world peace.

A Gift of Love Dr. Martin Luther King, Jr., 2012-11-06 The classic collection of sixteen sermons preached and compiled by Dr. King As Dr. King prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his best-known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. Having been arrested for holding a prayer vigil outside Albany City Hall, King and Ralph Abernathy shared a jail cell for fifteen days that was, according to King, "dirty, filthy, and ill-equipped" and "the worse I have ever seen." While behind bars, he spent uninterrupted time preparing the drafts for classic sermons such as "Loving Your Enemies," "Love in Action," and "Shattered Dreams," and continued to work on the volume after his release. *A Gift of Love* includes these classic sermons, along with two new preachings. Collectively they present King's fusion of Christian teachings and social consciousness, and promote his prescient vision of love as a social and political

force for change.

Seminarian Patrick Parr,David Garrow,2018-04-01 Martin Luther King Jr. was a cautious 19-year-old rookie preacher when he left Atlanta, Georgia, to attend seminary up north. At Crozer Theological Seminary, King, or ML back then, immediately found himself surrounded by a white staff and white professors. Even his dorm room had once been used by wounded Confederate soldiers during the Civil War. Young ML was a prankster and a late-night, chain-smoking pool player who fell in love with a white woman while facing discrimination from students and the locals in the surrounding town of Chester, Pennsylvania. In class, ML performed well, though he developed a habit of plagiarizing that continued throughout his academic career. In his three years at Crozer between 1948 and 1951, King delivered dozens of sermons around the Philadelphia area, had a gun pointed at him (twice) and eventually became student body president. These experiences shaped him into a man ready to take on even greater challenges. The *Seminarian* is the first definitive, full-length account of King's years as a divinity student at Crozer Theological Seminary. Long passed over by biographers and historians, this period in King's life is vital to understanding the historical figure he soon became.
