**I Love You Now Until Forever** Blake

Millard,2014-02-01 *I Love You Now Until Forever* is written from the heart, motivated by the loss Blake and his family experienced and what he found to be a lack of appropriate children's literature to help them grieve. It is an adaptation of *When I Left* by Aly Walsh, whose children were in the same classes as Blake's children at primary school. The idea was hatched in the schoolyard by Aly, keen for Blake to go away and write a book that was appropriate for the loss of someone special to cancer. From

borrowed beginnings the book took on a creative life of its own, and has been designed as a kind of scrapbook for anyone, be they here or sadly lost, to give to a child as a treasure trove of memories, personal photos and positive messages. Blake has designed the book using elements that his wife loved, like butterflies, frangipanis, antique gold frames, and of course diamonds. Additionally, the dandelion blowing in the wind has special significance, illustrating the experience of loss and re-birth. Blake has written a book that he and his wife would have loved to create for each of their children, to read and keep forever. He can do it now, and so can anyone else, immortalising treasured memories forever. Blake's wish is that anyone, and especially those people who are on a personal journey of their own, can use this book to provide comfort, joy and confidence to the children dearest to their hearts.

Morrigan's Cross Nora Roberts,2006-08-29 #1 New York Times bestselling author Nora Roberts' Circle Trilogy begins with an epic tale that breaks down the boundaries between reality and the otherworldly, while forging together the passions of the men and women caught in a battle for the fate of humanity... In the last days of high summer, with lightning striking blue in a black sky, the sorcerer stood on a high cliff overlooking the raging sea... Belting out his grief into the storm, Hoyt Mac Cionaoith

rails against the evil that has torn his twin brother from their family's embrace. Her name is Lilith. Existing for over a thousand years, she has lured countless men to an immortal doom with her soul-stealing kiss. But now, this woman known as vampire will stop at nothing until she rules this world—and those beyond it... Hoyt is no match for the dark siren. But his powers come from the goddess Morrigan, and it is through her that he will get his chance at vengeance. At Morrigan's charge, he must gather five others to form a ring of power strong enough to overcome Lilith. A circle of six: himself, the witch, the warrior, the scholar, the one of many forms, and the one he's lost. And it is in this circle, hundreds of years in the future, where Hoyt will learn how strong his spirit—and his heart—have become... Don't miss the other books in the Circle Trilogy
