Moonwalk Michael Jackson,2009-10-13 In this #1 New York Times bestseller, Michael Jackson tells the story of his life, in his words. In this intimate and often moving personal account of Michael Jackson's public and private life, he recalls a childhood that was both harsh and joyful but always formidable. Michael and his brothers played amateur music shows and seamy Chicago strip joints until Motown's corporate image makers turned the Jackson 5 into worldwide superstars. He talks about the happy prankster days of his youth, traveling with his brothers, and of his sometimes difficult relationships with his family over the years. He speaks candidly about the inspiration behind his music, his mesmerizing dance moves, and the compulsive drive to create that has made him one of the biggest stars in the music business and a legend in his own time. Jackson also shares his personal feelings about some of his most public friends...friends like Diana Ross, Berry Gordy, Quincy Jones, Paul McCartney, Fred Astaire, Marlon Brando, and Katharine Hepburn. He talks openly about the crushing isolation of his fame, of his first love, of his plastic surgery, and of his wholly exceptional career and the often bizarre and unfair rumors that have surrounded it. Illustrated with rare photographs from Jackson family albums and Michael's personal photographic archives, as well as a drawing done by Michael exclusively for this book, Moonwalk is a memorable journey to the very heart and soul of a modern musical genius.

My Friend Michael Frank Cascio,2011-11-15 Everyone knows Michael Jackson—the myth. This is the revealing true story of Michael Jackson—the man. To Frank Cascio, Michael Jackson was many things—second father, big brother, boss, mentor, and teacher, but most of all he was a friend. Though Cascio was just a few years old when he first met Jackson in 1984, at the peak of the pop star's career, Jackson was at the center of his life for the next twenty-five years, allowing Cascio to observe firsthand the greatest entertainer the world had ever seen. In that time, he became the ultimate Michael Jackson insider, yet remained publicly silent about his experiences. Until now. In My Friend Michael, Cascio refutes the rumors, lies, and accusations that have accumulated over the years, providing a candid look at the Michael Jackson he knew for more than two decades. Offering an uplifting and definitive account of the legend, Cascio details how he grew up alongside Jackson, traveling the world with him on concert tours and eventually working for him. Through this lens, Cascio captures Jackson's most private and tumultuous moments, while also setting the record straight on the entertainer's notorious and misunderstood lifestyle—from his Peter Pan reality and his sexuality to the false allegations against him. As Cascio shows, there was a great deal more to Michael Jackson than the headlines about him have suggested. Cascio reveals his friend in all his complexity, bringing to light his passions and joys as well as his flaws and eccentricities. Including stories about Jackson that have never before been made public, Cascio creates a balanced, human look at the pop star, one that shows Jackson as the very real person he was—a lively friend with an endearingly juvenile sense of humor. What emerges is a clear-eyed yet deeply respectful portrait of Jackson—a man who was at times unremarkably average but also terribly scarred by his life in the spotlight. Packed with never-before-seen photos, anecdotes, and insights, My Friend Michael is a trove of Michael Jackson lore that both celebrates his life and redefines our understanding of the man behind the myth.

Michael Jackson Henry-Jean Servat,2012-05-03 *Enfant prodige, Michael Jackson grandit sous les feux des projecteurs, d'abord en famille, avec les Jackson Five, que leur père dirige à la baguette. Michael a beau être le plus jeune, c'est lui la star. A 10 ans, il côtoie déjà Diana Ross et les artistes de la Motown. A 21 ans, il s'émancipe de son père et sort son premier album en solo Off the Wall. Le public est au rendez-vous. S'ensuit une décennie de gloire avec, notamment le moonwalk et Thriller - l'album le plus vendu de tous les temps. Michael Jackson est alors à son apogée. Mais le roi de la pop aurait pu tout aussi bien s'appeler le Peter Pan de la pop, tant il semble avoir mis d'entêtement à ne pas rompre avec les liens de l'enfance. Fasciné par E.T., Michael est également un être à part : son apparence physique en perpétuelle évolution accentue encore son caractère d'étrangeté. Cet être venu d'ailleurs a révolutionné la musique et la danse. Sa carrière a été comme une traînée d'étoiles, sa disparition brutale l'a définitivement propulsé au firmament. Cet ouvrage revient sur le destin mythique du roi de la pop au travers de plus de 100 photographies.*

Book on the Dance Floor Brice Najar,2020-12-10 In the Spring of 1997, the promotion of the HIStory album seemed as if it would continue for quite a while, especially since Michael Jackson's eponymous European tour was imminent. And yet, contrary to fans' expectations, a new album entitled Blood On The Dance Floor was announced. More than two decades later, Brice Najar decided to explore the history of this unusual and very special collection of music in the King of Pop's discography. As in Najar's previous book, Let's Make HIStory, he reached out to Michael Jackson's collaborative partners. Through their stories, he was able to fully examine this era, and to understand the context of Jackson's creative process during this time. Ultimately, Book On The Dance Floor serves as a complement to Najar's previous work, and adds to fans' insights into Jackson's life and legacy.
