PUSSY & BUTT - Special Premium Photo Edition ,2018-05

Pussy & Butt Goliath,2018 A photo is usually looked at - seldom looked into, said Ansel Adams. Well, this exclusive photo project lets you take a long, hard look into it. Presented in a high quality horizontal book format, finished with a fetching slipcase, different photographers have taken 300 n: u: d: e pictures of the most sexy girls, and then inserted the respective front and rear view on each double page. The result? A beautiful e: r: o: t: i: c art collection, which shows the two most beautiful sides of women unabashed and uncensored: the p: u: s: s: y and the b: u: t: t. Oh, and if we are in the process of throwing quotes around, let us end with the wisdom of photographer Rinnhofer: A nude photo is good then, when the model shows it at the grandmother's birthday at the coffee table and those present find it good. Although we would definitely advise against it in this case!

Hot Butts And Sexy Pussy ,2020-09-22 What is it about the female butt that we find so alluring? And what secrets do these shapely muscles harbor? Photographer Craig Morey has dedicated himself to these mysteries. And this collection of photos is the result of that exploration. Featured are many of his most beautiful models. Morey circles around the behind his models, taking shots of their round little bums, making sure to capture the swell of their pussies and the small, shadowy hollow of their anuses. My Absolute Darling Gabriel Tallent,2018-06-26 INSTANT NEW YORK TIMES BESTSELLER LA TIMES BOOK PRIZE FINALIST NBCC JOHN LEONARD PRIZE FINALIST ONE OF THE NEW YORK TIMES'S MOST NOTABLE BOOKS OF 2017 ONE OF THE WASHINGTON POST'S MOST NOTABLE BOOKS OF 2017 ONE OF NPR'S 'GREAT READS' OF 2017 A USA TODAY BEST BOOK OF THE YEAR AN AMAZON.COM BEST BOOK OF THE YEAR A BUSINESS INSIDER BEST BOOK OF THE YEAR Impossible to put down. —NPR A novel that readers will gulp down, gasping.” —The Washington Post The word 'masterpiece' has been cheapened by too many blurbs, but My Absolute Darling absolutely is one. —Stephen King A brilliant and immersive, all-consuming read about one fourteen-year-old girl's heart-stopping fight for her own soul. Turtle Alveston is a survivor. At fourteen, she roams the woods along the northern California coast. The creeks, tide pools, and rocky islands are her haunts and her hiding grounds, and she is known to wander for miles. But while her physical world is expansive, her personal one is small and treacherous: Turtle has grown up isolated since the death of her mother, in the thrall of her tortured and charismatic father, Martin. Her social existence is confined to the middle school (where she fends off the interest of anyone, student or teacher, who might penetrate her shell) and to her life with her father. Then Turtle meets Jacob, a high-school boy who tells jokes, lives in a big clean house, and looks at Turtle as if she is the sunrise. And for the first time, the larger world begins to come into focus: her life with Martin is neither safe nor sustainable. Motivated by her first experience with real friendship and a teenage crush, Turtle starts to imagine escape, using the very survival skills her father devoted himself to teaching her. What follows is a harrowing story of bravery and redemption. With Turtle's escalating acts of physical and emotional courage, the reader watches, heart in throat, as this teenage girl struggles to become her own hero—and in the process, becomes ours as well. Shot through with striking language in a fierce natural setting, My Absolute Darling is an urgently told, profoundly moving read that marks the debut of an extraordinary new writer.

Meat Is for Pussies John Joseph,2014-07-08 John Joseph wants men to know, in no uncertain terms, that they don't need to eat steak, burgers,

wings, ribs, or any other animal product, for that matter, to be strong—in fact, he would argue, eating animals is for the weak. Because when your protein sources come from animals, you’re missing out on all of the nutritional benefits of a plant-based diet—a diet that can make you more fit, more sexy, and more manly. In *Meat is for Pussies*, Joseph presents a throw-down of information, offering both personal and scientific evidence that a plant-based diet offers the best path to athleticism, endurance, strength, and overall health. In addition to handily dispelling the myths surrounding meat, Joseph offers workout advice, a meal plan, and recipes that make going plant-based easy. Flavor and vitamin-packed options like the Working Man Stew and Veggie Chili with Cornbread will keep men’s (and women’s) bodies healthy and energized, while workouts that emphasize cardio and strength training build endurance and stamina and prove that you don’t need meat to build muscle. Joseph also offers living proof that living a plant-based lifestyle is badass, from super-athlete Brendan Brazier to MMA champion Jake Shields to Joseph himself, who is an Ironman Triathlete and still rocking out (at the age of fifty-two) on world tours as the frontman for his legendary band the Cro-Mags. Joseph’s passion for educating the world about the benefits of a plant-based diet comes through on each page, in a voice and a vocabulary that is uniquely his own. At the end of the day, he wants readers to live a long, healthy, happy life . . . and he won’t take no for an answer.

Pussypedia Zoe Mendelson, 2021-08-03 Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word “small” in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information about pussies and many esteemed medical sources seem to contradict each other. Pussypedia solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research—always in simple, joyful language. Through over 30 chapters, Pussypedia not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends—sometimes funny, sometimes sad, often cringe-worthy, and always extremely personal—to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's *Our Bodies, Ourselves*, with a healthy dose of fun.
