Easy Tammara Webber,2012-05-25 A NEW YORK TIMES BESTSELLER and GOODREADS CHOICE FINALIST A girl who believes trust can be misplaced, promises are made to be broken, and loyalty is an illusion. A boy who believes truth is relative, lies can mask unbearable pain, and guilt is eternal. Will what they find in each other validate their conclusions, or disprove them all? When Jacqueline follows her longtime boyfriend to the college of his choice, the last thing she expects is a sophomore year breakup. After two weeks in shock, she wakes up to her new reality: she's single, attending a state university instead of a music conservatory, ignored by her former circle of friends, and failing a class for the first time in her life. Grief becomes nightmare when Jacqueline is assaulted by her ex's frat brother. Rescued by a stranger who seems to be in the right place at the right time, she wants nothing more than to forget the attack and that night. But her attacker turns stalker, and Jacqueline has a choice to make: crumple in defeat or fight back. Suddenly appearances are everything, and knowing who to tell and who to trust is anything but easy.

Here Without You Tammara Webber,2013-08-06 Everyone has secrets. Some are buried so deep, their existence is forgotten. But a secret never told can turn into a lie. And in love, a lie is one thing: Poison. Reid's in love with Dori, though she hasn't told her parents that she's fallen hard for the guy they'd forbidden her to see. Now she's leaving for college, and Reid's promise not to push her to go public is wearing thin, especially when she can't - or won't - return those three important words he wants to hear. Five years ago, Brooke and Reid were a Thing. That relationship is long gone, detonated amid allegations of cheating - but they still share a secret that would stun everyone they know and alter public perception of them both if it ever comes out. And it's about to do just that. *Here Without You* is the fourth, final installment in the *Between the Lines* series, which includes: *Between the Lines*, *Where You Are*, and *Good For You*. Brave Tammara Webber,2017-12-19 From the author of New York Times bestsellers *Easy* and *Breakable*—a standalone novel in the *Contours of the Heart* series. The daughter of his sworn enemy. Isaac Maat was impossible to read. Smart, ambitious, and emotionally detached. Hotter than anyone's boss should ever be. And definitely hiding something. He told himself that getting to know her would help him take down her father. She told herself that getting under his skin would distract her wrecked heart from its misery. Neither predicted their private war would lead to an intimate battle in which the victor would be the first one to surrender.

A Husband's Regret Natasha Anders,2014 Tall and thin, twenty-eight-year-old Bronwyn Palmer has become positively gaunt, a ghost of her former self. It was in that house, two years ago, that Bryce Palmer learned Bronwyn was pregnant with their first child. But Bryce's rage over his impending fatherhood touched off a chain reaction of emotional and physical traumas that wounded them both. For Bronwyn, it meant fleeing the perfect marriage to start over with nothing but a precocious daughter named Kayla to care for. For Bryce, it meant a tortuous two years spent blaming his wife for deserting him, and living with the pain of not knowing his child. Now a chance encounter has brought Bronwyn back into Bryce's life, both bearing scars...and neither knowing the whole truth of that fateful night that drove them apart.

Perfectly Imperfect Harper Sloan,2015-11-17 ****Standalone novel**** Mirror, mirror ... who's the fairest of them all? I still cringe when I hear that line. A fairy tale that had girls pretending they were the fairest, the most beautiful, and the most entitled. A fairy tale most couldn't grow out of turned my haunted childhood memories into a living nightmare. Girls who grew up believing that pile of garbage became the meanest of all 'mean girls.' And those mean girls were right - it was a line meant for all the beautiful people in the world - and I knew the answer would never be me. The women with long legs, flat stomachs, and perfect chests. The type of women Kane Masters gravitated toward. Well, that's definitely not Willow Tate. No. That will never be me. Because I'm completely imperfect. And ... I hate myself. I have no idea what Kane could possibly see in someone like me when he could have them.

Sweet Tammara Webber,2015-04-27 From the author of NYT bestsellers Easy and Breakable - a standalone novel in the Contours of the Heart series He's the love of her life, but he doesn't know it. She's his one moment of sacrifice in a lifetime of survival. He was damaged and wild, but resilient. She's always been obedient; now she's restless. Home for the summer between college and med school, Pearl Torres Frank knows two things: Boyce Wynn is the embodiment of everything she should run from, and everything she wants to run to. Rebellious and loud. Unconcerned with society's opinion of him. Passionate. Strong. Dangerous. And one more trait he hides from everyone but her: Sweet.
