One Degree of Change Larry Jackson,2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! One Degree of Change: How to Succeed Now! will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

The Spider King's Daughter Chibundu Onuzo,2012-03-13 Winner of a Betty Trask Award Shortlisted for the Dylan Thomas Prize and the Commonwealth Book Prize Longlisted for the Desmond Elliot Prize *The Spider King's Daughter* is a modern-day Romeo and Juliet set against the backdrop of a changing Lagos, a city torn between tradition and modernity, corruption and truth, love and family loyalty. Seventeen-year-old Abike Johnson is the favourite child of her wealthy father. She lives in a sprawling mansion in Lagos, protected by armed guards and ferried everywhere in a huge black jeep. But being her father's favourite comes with uncomfortable duties, and she is often lonely behind the high walls of her house. A world away from Abike's mansion, in the city's slums, lives a seventeen-year-old hawker struggling to make sense of the world. His family lost everything after his father's death and now he runs after cars on the roadside selling ice cream to support his mother and sister. When Abike buys ice cream from the hawker one day, they strike up an unlikely and tentative romance, defying the prejudices of Nigerian society. But as they grow closer, revelations from the past threaten their relationship and both Abike and the hawker must decide where their loyalties lie.

Netporn Katrien Jacobs,2007 *Netporn* delves into the aesthetics and politics of sexuality in the era of do-it-yourself (DIY) Internet pornography. Katrien Jacobs, drawing on digital media theory and interviews with Web porn producers and consumers, offers an unprecedented critical analysis of Web culture as digital artistry and of the corresponding heightened government surveillance and censorship of the Internet. *Netporn* features Web users who question the goals of global commercial porn industries-whether they are engaged in Usenet fringes, video blogging, peer-to-peer distribution, porn

art collectives, or decadent amateurism. Emphasizing gender and cultural differences, Jacobs shows how the creative uses of netporn images and services are important ways of exploring or redefining the 'network body' and indispensable ingredients of a maturing network society.

C'Lick Me Katrien Jacobs, 2007 *C'Lick Me: A Netporn Studies Reader* is an anthology that collects the best material from two years of debate from The Art and Politics of Netporn 2005 conference to the 2007 C'Lick Me festival. The C'Lick Me reader opens the field of 'Internet pornology'. Based on non-conventional approaches and mixing academics, artists and activists, it reclaims a critical post-enthusiastic, post-censorship perspective on netporn, a dark field that has been dominated thus far by dodgy commerce and filtering. The C'Lick Me reader covers the rise of the netporn society from the Usenet underground to the blogosphere, analyses economic data and search engine traffic, compares sex work with the work of fantasy, disability and accessibility. The reader also expands the notion of digital desire beyond the predictable boundaries of the porn debate and depicts a broader libidinal spectrum ranging from fetish subcultures to digital alienation, from code pornography to war pornography. C'Lick Me concludes by re-contextualising queer discourse into a post-porn scenario.

The First Circle Aleksandr Isaevich Solzhenitsyn, 1997 Gleb Nerzhin, a brilliant mathematician, lives out his life in post-war Russia in a series of prisons and labor camps where he and his fellow inmates work to meet the demands of Stalin.

Nothing Left to Steal Mzilikazi wa Afrika, 2014-08-20 This tell-all memoir reveals the details behind Sunday Times journalist Mzilikazi wa Afrika's exposure of the R1.7 billion lease scandal between police commissioner Bheki Cele and property tycoon Roux Shabangu, for which he was infamously arrested in 2010. It is also the riveting account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power. Fearless in the face of corrupt authorities with sinister political motives, and fervent about justice, Wa Afrika's life was characterised by resistance to oppression and inequality from an early age. Destined to defend and uphold the principles of democracy, his story is the inspiring tale of an ordinary man, armed with a pen, who challenged the proverbial giant.

The Volunteer D. H. Jonathan, 2016-06-22 Comments from an earlier draft of *The Volunteer*, which was formerly posted as a serial on Literotica.com: I really enjoyed your story and was most impressed in the way that you described Dani's progression through her project. It was refreshing to read about being naked in public without the act being sexual and I suppose typifies the outlook held by naturists. Well done... - Literotica user tompo296 I enjoyed reading your story, and appreciated how the ending showed how Dani had been changed by her experience. I liked how you showed the awkwardness and embarrassment of Dani's situation but still provided a mostly safe environment for her to have her experiences. Thank you! - Jessica Tang Von Harper, author of *Candlelight City* This story was not only well written but had something worthwhile to say. It was very interesting to try to understand the subtleties of how Dani felt about nudity. - Literotica user

reader_3634 Read all 17 chapters over the last few days. Couldn't get enough of it. - Literotica reader ikaiser Words fail me...- I have just read one of the best stories I have ever seen here on Literotica! Please please please continue with Dani's further adventures... - Literotica reader

The_Rat_in_the_Hat Many people dream of being at work or school only to realize that they are either naked or in nothing but their underwear. For university student Danielle Keaton, this dream is about to become her reality. Facing the consequences of a severe lack of judgement, she is forced to make a choice: either give up her scholarships and her plan for graduating from college debt-free, or volunteer to be the test subject in a unique sociological study that will leave her naked and vulnerable to the entire university and eventually the world.

A Baumgartner Reunion Selena Kitt,2009-09-16 Ronnie (or Veronica as Mrs. B always insisted on calling her) is all grown up with a family of her own, and the Christmas she babysat for the Baumgartners is just a pinpoint in her memory. That is, until a persistent suggestion of a threesome by her husband, T.J., brings it all flooding back. When she reveals how the Baumgartners and the nanny, Gretchen, had seduced her during her time in Key West, her husband takes it upon himself to make some phone calls. Opportunity, or perhaps fate, presents itself, and Ronnie and her husband get an invitation to join Gretchen and the Baumgartners on their vacation. Ronnie finds herself torn, once again, between what she wants and what someone else wants for her--or are they, after all, one in the same?

Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

The Long Embrace Judith Freeman,2008-11-11 Raymond Chandler was among the most original and enduring crime novelists of the twentieth century. Yet much of his pre-writing life, including his unconventional marriage, has remained shrouded in mystery. In this compelling, wholly original book, Judith Freeman sets out to solve the puzzle of who Chandler was and how he became the writer who would create in Philip Marlowe an icon of American culture. Visiting Chandler's many homes and apartments, Freeman uncovers vestiges of the Los Angeles that was Chandler's terrain and inspiration for his imagination. She also uncovers the life of Cissy Pascal, the older, twice-divorced woman Chandler married in 1924. A revelation of a marriage that was a wellspring of need, illusion, and creativity, *The Long Embrace* provides us with a more

complete picture of Raymond Chandler's life and art than any we have had before.

Fantasies of a Young Submissive Rosaleen Young, 2014-08-12 Rosaleen Young's book of erotic stories and poetry is an intriguing insight into the secret world of a truly submissive teenage girl. The tales are a colourful journey of self-exploration and sexual-awakening. Although still a virgin in real life, the model/authoress (pictured on the book's cover) lets her fantasies run wild in her writing. Her obsession with her own body, particularly the perfection of her bottom, and craving for submission, punishment and the wilder side of sexual pleasure are addressed with vulnerable honesty and dizzying imagination. The stunning collection of photographs of the authoress compliments the writing to make this book a verbal and visual feast for both men and women. Dark, beautiful and intensely erotic! And Fantasies of a Young Submissive includes images capturing Rosaleen's radiant innocence

Inconvenient People Sarah Wise, 2014-07-15 The phenomenon of false allegations of mental illness is as old as our first interactions as human beings. Every one of us has described some other person as crazy or insane, and most all of us have had periods, moments at least, of madness. But it took the confluence of the law and medical science, mad-doctors, alienists, priests and barristers, to raise the matter to a level of science, capable of being used by conniving relatives, designing families and scheming neighbors to destroy people who found themselves in the way, people whose removal could provide their survivors with money or property or other less frivolous benefits. Girl Interrupted is only a recent example. And reversing this sort of diagnosis and incarceration became increasingly more difficult, as even the most temperate attempt to leave these homes or hospitals was deemed crazy. Kept in a madhouse, one became a little mad, as Jack Nicholson and Ken Kesey explain in One Flew Over the Cuckoo's Nest. In this sadly terrifying, emotionally moving, and occasionally hilarious book, twelve cases of contested lunacy are offered as examples of the shifting arguments regarding what constituted sanity and insanity. They offer unique insight into the fears of sexuality, inherited madness, greed and fraud, until public feeling shifted and turned against the rising alienists who would challenge liberty and freedom of people who were perhaps simply difficult, but were turned into victims of this unscrupulous trade. This fascinating book is filled with stories almost impossible to believe but wildly engaging, a book one will not soon forget.
