Wildfire Hannah Grace,2023-10-03 INSTANT #1 NEW YORK TIMES BESTSELLER The latest in the TikTok sensation and deliciously "swoonworthy" (Elena Armas, New York Times bestselling author) Maple Hills series follows two summer camp counselors who reconnect after a sizzling one-night stand. Maple Hills students Russ Callaghan and Aurora Roberts cross paths at a party celebrating the end of the academic year, where a drinking game results in them having a passionate one-night stand. Never one to overstay her welcome (or expect much from a man), Aurora slips away before Russ even has the chance to ask for her full name. Imagine their surprise when they bump into each other on the first day of the summer camp where they are both counselors, hoping to escape their complicated home lives by spending the summer working. Russ hopes if he gets far enough away from Maple Hills, he can avoid dealing with the repercussions of his father's gambling addiction, while Aurora is tired of craving attention from everyone around her, and wants to go back to the last place she truly felt at home. Russ knows breaking the camp's strict "no staff fraternizing" rule will have him heading back to Maple Hills before the summer is over, but unfortunately for him, Aurora has never been very good at caring about the rules. Will the two learn to peacefully coexist? Or did their one night together start a fire they can't put out?

For eighteen years, Jude Farraday has put her children's needs above her own, and it shows—her twins, Mia and Zach, are bright and happy teenagers. When Lexi Baill moves into their small, close-knit community, no one is more welcoming than Jude. Lexi, a former foster child with a dark past, quickly becomes Mia's best friend. Then Zach falls in love with Lexi and the three become inseparable. Jude does everything to keep her kids out of harm's way. But senior year of high school tests them all. It's a dangerous, explosive season of drinking, driving, parties, and kids who want to let loose. And then on a hot summer's night, one bad decision is made. In the blink of an eye, the Farraday family will be torn apart and Lexi will lose everything. In the years that follow, each must face the consequences of that single night and find a way to forget...or the courage to forgive. Vivid, universal, and emotionally complex, Night Road raises profound questions about motherhood, identity, love, and forgiveness. It is a luminous, heartbreaking novel that captures both the exquisite pain of loss and the stunning power of hope. This is Kristin Hannah at her very best, telling an unforgettable story about the longing for family, the resilience of the human heart, and the courage it takes to forgive the people we love. You cannot read Night Road and not be affected by the story and the characters. The total impact of the book will stay with you for days to come after it is finished. —The Huffington Post

Enter Halle Jacobs, a fellow junior who finds herself befriended by Henry when he accidentally crashes her book club.
