That Time of Year Garrison Keillor,2020-12-01 With the warmth and humor we've come to know, the creator and host of A Prairie Home Companion shares his own remarkable story. In That Time of Year, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded A Prairie Home Companion and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, "I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That's the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I'm heading for eighty, and I still get up to write before dawn every day."

Five Points Tyler Anbinder,2012-06-05 Nineteenth-century NYC's most dynamic and dangerous neighborhood comes vividly to life in this "careful, intelligent, and sympathetic history" (The New York Times Book Review). Located in today's Chinatown, Five Points was home to poor immigrants and other marginalized communities. It witnessed more riots, scams, prostitution, and drunkenness than any other neighborhood in America. But at the same time it was a font of creative energy, crammed full of cheap theaters, dance halls, and boxing matches. It was also the home of meeting halls for the political clubs and the machine politicians who would come to dominate not just the city but an entire era in American politics. Drawing from letters, diaries, newspapers, bank records, police reports, and archaeological digs, Anbinder has written the first-ever history of Five Points, the neighborhood that was a microcosm of the American immigrant experience. The story that Anbinder tells is the classic tale of America's immigrant past, as successive waves of new arrivals fought for survival in a land that was as exciting as it was dangerous, as riotous as it was culturally rich. A New York Times Notable Book

Greenwich Park Katherine Faulkner,2022-01-25 This "gloriously tangled game of cat and mouse" (Ruth Ware, #1 New York Times bestselling author) explores the anxieties of impending motherhood, unreliable friendship, and the high price of keeping secrets. Perfect for fans of the thrillers by Paula Hawkins and Robyn Harding. In this "outstanding debut thriller" (Booklist, starred review), Helen's idyllic life—handsome architect husband, gorgeous Victorian house, and cherished baby on the way—begins to change the day she attends her first prenatal class. There, she meets Rachel, an unpredictable single mother-to-be who doesn't seem very maternal: she smokes, drinks, and professes little interest in parenthood. Still, Helen is drawn to her. Maybe Rachel just needs a friend. And to be honest, Helen's a bit lonely herself. At least Rachel is fun to be with. She makes Helen laugh, invites her confidences, and distracts her from her fears. But her increasingly erratic behavior is unsettling. And Helen's not the only one who's noticed. Her friends and family begin to suspect that her strange new friend may be linked to their shared history in unexpected ways. When Rachel threatens to expose a past crime that could destroy all of their lives, it becomes clear that there are more than a few secrets laying beneath the broad-leaved trees and warm lamplight of Greenwich Park.

The Lies of Locke Lamora Scott Lynch,2007-06-26 “Remarkable . . . Scott Lynch’s first novel, The Lies of Locke Lamora, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining.”—The Times (London) An orphan’s life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld’s most feared ruler. But in the shadows lurks someone still more ambitious and deadly. Faced with a bloody coup that threatens to destroy everyone and everything that holds meaning in his mercenary life, Locke vows to beat the enemy at his own brutal game—or die trying. Praise for The Lies of Locke Lamora “Fresh, original, and engrossing . . . gorgeously realized.”—George R. R. Martin “Right now, in the full flush of a second reading, I think The Lies of Locke Lamora is probably in my top ten favorite books ever. Maybe my top five. If you haven’t read it, you should. If you have read it, you should probably read it again.”—Patrick Rothfuss, New York Times bestselling author of The Name of the Wind “A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke’s wit and audacity endear him to victims and bystanders alike.”—The Seattle Times “A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens.”—Booklist (starred review) “High-octane fantasy . . . a great swashbuckling yarn of a novel.”—Richard Morgan

Start with Why Simon Sinek,2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Who's Your Caddy? Rick Reilly,2003-05-06 The funniest and most popular sportswriter in America abandons his desk to caddy for some of the world’s most famous golfers—and some celebrity duffers—with hilarious results in this New York Times bestseller. Who knows a golfer best? Who’s with them every minute of every round, hears their muttering, knows whether they cheat? Their caddies, of course. So sportswriter Rick Reilly figured that he could learn a lot about the players and their game by caddying, even though he had absolutely no idea how to do it. Amazingly, some of the best golfers in the world—including Jack Nicklaus, David Duval, Tom Lehman, John Daly, Jill McGill of the LPGA tour, and Casey Martin—agreed to let Reilly carry their bags at actual PGA and LPGA Tour events. To round out his portrait of the golfing life, Reilly also persuaded Deepak Chopra and Donald Trump to take him on as a caddy, accompanied the four highest-rolling golf hustlers in Las Vegas around the course, and carried the bag for a blind golfer. Between his hilarious descriptions of his own ineptitude as a caddy and his

insight into what makes the greats of golf so great, Reilly's wicked wit and an expert's eye provide readers with the next best thing to a great round of golf.

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The Passenger Lisa Lutz, 2016-03-01 "A dead-serious thriller (with a funny bone)" (The New York Times Book Review), from the author of the New York Times bestselling Spellman Files series, comes the story of a woman who creates and sheds new identities as she crisscrosses the country to escape her past. Forty-eight hours after leaving her husband's body at the base of the stairs, Tanya Dubois cashes in her credit cards, dyes her hair brown, demands a new name from a shadowy voice over the phone, and flees town. It's not the first time. She meets Blue, a female bartender who recognizes the hunted look in a fugitive's eyes and offers her a place to stay. With dwindling choices, Tanya-now-Amelia accepts. An uneasy—and dangerous—alliance is born. It's almost impossible to live off the grid in the twenty-first century, but Amelia-now-Debra and Blue have the courage, the ingenuity, and the desperation, to try. Hopscotching from city to city, Debra especially is chased by a very dark secret. From heart-stopping escapes and devious deceptions, we are left to wonder...can she possibly outrun her past? The Passenger's white-knuckled plot and unforeseeable twists make one thing for certain: the ride will leave you breathless. "When the answers finally come, they are juicy, complex, and unexpected. The satisfying conclusion will leave readers rethinking everything and immediately turning back to the first page to start again. Psychological suspense lovers will tear through this thriller" (Library Journal, starred review).
