

Robert Capa

Susana Fortes, Adriana V. Lopez

Robert Capa Richard Whelan,1994-01-01 The legendary war photographer Robert Capa carried into his personal life the same remarkable vitality that characterizes his pictures. Driven from his native Hungary by political oppression, he was first recognized for photographing the Spanish Civil War. In 1938 he was in China recording the Japanese invasion. During World War II he was in London, North Africa, and Italy, and then in France covering D-Day on Omaha Beach, the liberation of Paris, and the Battle of the Bulge. When the new nation of Israel was founded in 1948 he was there. In 1954 he was in Vietnam, taking photographs until the moment he was killed. Away from battle, Capa gather about him such famous people as Ernest Hemingway and his wife (the war correspondent Martha Gellhorn), Gary Cooper, Irwin Shaw, and Gene Kelly. Whelan shows Capa photographing the street life of Paris, crisscrossing America on assignment from Life, in Russia with John Steinbeck, in Italy with John Huston, on the Riviera with Picasso, and with Ingrid Bergman.

Slightly Out Of Focus Robert Capa,2015-11-06 In 1942, a dashing young man who liked nothing so much as a heated game of poker, a good bottle of scotch, and the company of a pretty girl hopped a merchant ship to England. He was Robert Capa, the brilliant and daring photojournalist, and Collier's magazine had put him on assignment to photograph the war raging in Europe. In these pages, Capa recounts his terrifying journey through the darkest battles of

World War II and shares his memories of the men and women of the Allied forces who befriended, amused, and captivated him along the way. His photographs are masterpieces – John G. Morris, Magnum Photos' first executive editor, called Capa "the century's greatest battlefield photographer" – and his writing is by turns riotously funny and deeply moving. From Sicily to London, Normandy to Algiers, Capa experienced some of the most trying conditions imaginable, yet his compassion and wit shine on every page of this book. Charming and profound, *Slightly Out of Focus* is a marvelous memoir told in words and pictures by an extraordinary man.—Print Ed.

Robert Capa, 1913-1954 Robert Capa, 1974 *Robert Capa: Photographs* is the first true retrospective book of one of the century's greatest photographers. Drawing upon hundreds of previously unseen images, this collection reveals Capa as one of the great poets of the camera. In these photographs, we see through the eyes of a driven humanist who was also a documentarian of the highest caliber. While previous volumes on Capa have focused on his role as a war photographer, *Robert Capa: Photographs* shows us the remarkable range of his work, which encompasses the sufferings as well as the tenderness, humor and wonder of his subjects. Robert Capa demonstrated not only a passionate commitment to improving the human condition, but also an unfailing eye for graphic impact. Although his photographs remain the definitive visual records of such momentous events as the siege of Madrid, the bombing of Hankou, and

the Allied landings on D-day, many of his images have a timeless and universal quality that transcends the specifics of history. A Spanish soldier recoils at the impact of a bullet, the final instant of his life. In a scene of perfect joy, a group of Chinese children laugh at the sky as snow begins to fall. Four farm workers, hauling all the belongings they can manage, trudge grimly away from an apocalyptic backdrop of smoke and ruins: their war-devastated homes. Capa's images reveal his profound compassion and perceptiveness about our tenuous human state. As Cornell Capa (Robert's younger brother and the Founding Director Emeritus of the International Center of Photography) writes in his eloquent remembrance: He managed to travel all over the world, and to communicate his experience and feelings through a universal language: photography. *Robert Capa: Photographs* also includes a foreword by Capa's close friend Henri Cartier-Bresson, as well as an informative historical essay by Capa biographer Richard Whelan. At last, here is the book that reveals Robert Capa in a new light. The extraordinary collection of images in *Robert Capa: Photographs* brings us--through the events of history--to the very heart of humanity.

Waiting for Robert Capa Susana Fortes, Adriana V. Lopez, 2011-09-27 An extraordinary novel of love, war, and art, based on the turbulent real-life romance of legendary photojournalists Gerda Taro and Robert Capa Artists, Jews, nonconformists, exiles. Gerta Pohorylle meets André Friedmann in Paris in 1935 and is drawn to his fierce dedication to justice, journalism, and the art of photography. Assuming new names, Gerda Taro and Robert Capa travel together to Spain, Europe's most harrowing war zone, to document the rapidly intensifying turmoil of the Spanish Civil War. In the midst of the peril and chaos of brutal conflict, a romance for the ages is born, marked by passion and recklessness . . . until tragedy intervenes. Already published to international acclaim, *Waiting for Robert Capa* is an exhilarating tale of art and love—and a moving tribute to all those who risk their lives to document the world's violent transformations.

Eyes of the World Marc Aronson, Marina Budhos, 2017-03-28 "If your pictures aren't good enough, you aren't close enough." –Robert Capa Robert Capa and Gerda Taro were young Jewish refugees, idealistic and in love. As photographers in the 1930s, they set off to capture their generation's most important struggle—the fight against fascism. Among the first to depict modern warfare, Capa, Taro, and their friend Chim took powerful photographs of the Spanish Civil War that went straight from the action to news magazines. They brought a human face to war with their iconic shots of a loving couple resting, a wary orphan, and, always, more and more refugees—people driven from their homes by bombs, guns, and planes. Today, our screens are flooded with images from around the world. But Capa and Taro were pioneers, bringing home the crises and dramas of their time—and helping give birth to the idea of bearing witness through technology. With a cast of characters ranging from Langston Hughes and George Orwell to Pablo Picasso and Ernest Hemingway, and packed with dramatic photos, posters, and cinematic magazine layouts, here is Capa and Taro's riveting, tragic, and ultimately inspiring story. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.

This is War Richard Whelan, Robert Capa, International Center of Photography, 2007 Mid-Michigan was an untamable wilderness, good only for trappers and Native Americans until America's population exploded and the demand for timber suddenly changed everything. By the 1860s, Clare was at the

center of this lumberman's paradise. Starting from a small village beside an abandoned lumber camp, the town prospered as farmers, ranchers, and merchants replaced loggers. Hastily thrown-up frame buildings gave way to brick, and interesting local life mirrored small-town America of the early 20th century. Then came oil, and colorful men such as Henry Ford and Jack Dempsey arrived. Purple Gangsters from Detroit moved in to take advantage of a clean investment. A famous murder at the local grand hotel brought national attention. On the eve of World War II, Clare had risen from the wilderness to be a fascinating community tucked away in middle America.

Gerda Taro Jane Rogoyska, 2013 A reexamination of the woman who created the legend of Robert Capa, the world's first female photojournalist to die in combat, Gerda Taro In Paris in 1934, a young and beautiful Jewish émigrée, Gerda Pohorylles, met a Hungarian political exile, André Friedmann. They reinvented themselves as the photographers Gerda Taro and Robert Capa--and he would become the most important photojournalist of his generation. When Gerda was killed in the Spanish Civil war at the age of 26, Robert Capa was her most notable mourner--his grief was beyond control. Her funeral drew crowds of thousands and she became a hero of the political left. Despite the legend that was built around her, she subsequently became a mere footnote in Capa's story. Seventy years after her death a long-lost suitcase was discovered in Mexico, containing thousands of negatives by Capa and Taro. Most astonishingly of all, the Mexican suitcase showed that photographs that had

been attributed previously to Capa were, in fact, the work of Taro. Jane Rogoyska's book will trace Taro's life and reveal the depth of her relationship with Capa. Charismatic and extraordinary, they epitomized one of the most tumultuous periods of the century.

Robert Capa: Death in the Making Robert Capa, 2020-09-29 Once a cult-status rarity, Capa's classic, impassioned Spanish Civil War photobook is available again with new, high-quality image scans and supplementary research Robert Capa's *Death in the Making* was published in 1938 as a poignant tribute to the men and women, civilians and soldiers alike, fighting in Spain against Franco's fascist insurrection. The book included only one year of images from the Republican position, but covered the spectrum of emotions of a civil war, from the initial excitement to the more harrowing realities of modern warfare. But over time, after World War II and rising anti-communist paranoia in the United States, association with the Spanish Civil War was a liability and the book became obscured. Today, however, *Death in the Making* has reached cult status, not least because copies are hard to find (particularly ones with Capa's famous *Falling Soldier* image on the dust jacket). With new scans of all the images, this facsimile of the original edition reproduces the original layout by photographer André Kertész, the original caption text by Capa and preface by writer Jay Allen. The muddy 1938 publication is entirely transformed by high-quality printing to reflect the beauty and pathos of the original intention. This edition also includes a new essay with new research

on the making and the reception of the original book, and a complete checklist identifying the author, location and date of each image. The most important new information is that Robert Capa and Gerda Taro are not the only photographers in the book, but also included was work by their good friend and colleague Chim, later known as David Seymour. Born Endre Erno Friedmann in Budapest, Robert Capa (1913-54) spent his early years moving from Hungary to Germany to France and Spain, first to dodge political strife and then to actively follow and document it. From 1936 to 1945 Capa photographed the Spanish Civil War, the Second Sino-Japanese War and World War II. In 1947, he founded the Magnum Photos agency with fellow photographers Henri Cartier-Bresson and David Chim Seymour, among others. Several years later, while documenting the First Indochina War, Capa died when he stepped on a landmine.

Blood and Champagne Alex Kershaw, 2003-07-25 Friend of Hemingway, John Huston, and lover of beautiful women, Capa lived a life that was equal parts glamour and danger. He was the best of combat photographers, yet no one knew that Capa was not his real name, and that his greatest artistic achievement may well have been himself. Two 8-page photo inserts.

Capa in Color Cynthia Young, Robert Capa, 2014 This text looks at Robert Capa's colour photography, a little-known but important aspect of the great photographer's work, and includes many never-before-published images. Capa regularly used colour film from the 1940s until his death in 1954. Some of these photographs were published in magazines of the day, but the majority

have never been printed, seen, or even studied. *Capa in Color* presents this work an integral part of his post-war career and fundamental in remaining relevant to magazines.

Robert Capa Florent Silloray,2017 *Robert Capa: A Graphic Biography*, written in the first person, follows [Capa's] personal and professional life and through his eyes, the social upheaval and earth-shattering wars of the 20th century.

Focusing on the story of his Paris studio, and organized chronologically, the book explores his relationship with notable photographers, friends and loved ones, as well as the environment in which his career developed.

A Russian Journal John Steinbeck,2001-05-03 Just as the Iron Curtain fell on Eastern Europe, Steinbeck and Capa began a remarkable journey through the Soviet Union. Combining Steinbeck's compassion and humour with Capa's photographs, this text is a unique portrait of Russia and its people as they emerged from the ravages of war.
