Hypnotizing His Sissy Boy: The Complete Series James Hardick,2014-06-19 Hypnotizing His Sissy Boy: The Complete Series is 20,100 words. Hypnotizing His Sissy Boy 1 Ben's roommate refuses to clean, and Ben has had enough. His parents are coming tomorrow and he needs to make sure everything is ready. Then he gets the idea that maybe he can control his roommate's mind and make him do all the cleaning. It's a silly idea, but he has to try something. When he finally gets control, though, he finds that his roommate is more arousing than he initially thought. He has to have him. Hypnotizing His Sissy Boy 2 Ben is worried that Carter is going to catch on as to what's going on, and needs for everyone to just forget. Unfortunately, the store he bought the original potion from is now non-existent. When Carter comes to, Ben has to take desperate measures to keep his sissy boy under control. He needs for Carter to continue pleasing him. Hypnotizing His Sissy Boy 3 Carter still doesn't know that Ben has been taking over his mind with the help of a potion, and turning him into his sissy boy. The two roommates go out to relax and get some beers. Ben figures it's a good backstory for Carter's oncoming blackout. This time he uses less potion, though, and the consequences are dire. Hypnotizing His Sissy Boy 4 The secret is out. Carter knows that Ben has been taking advantage of him, but he can't quite place how it's happening. Ben has to make up an excuse in hopes that Carter will buy it. Otherwise, he'll have to take over his mind again in hopes that it'll last a bit longer. Either way, he needs to keep Carter as his sissy boy. It's the only thing he desires. Hypnotizing His Sissy Boy 5 Ben needs to find a way to keep his sissy boy under his control. With all of the mind control potion gone, he makes one last ditch effort to see if there is anything left at the abandoned magic shop. He just has to hope that his sissy doesn't regain control, and that they don't get caught. Hypnotizing His Sissy Boy 6 In the final installment of the series, Ben

has to give his sissy one last dose of the mind control potion to make it permanent, but Carter's friend is ruining everything. There's too much at stake, and if Ben is delayed any longer then Carter might regain control of his mind, which would spell disaster for Ben.

**My Extraordinary Ordinary Life** Sissy Spacek, 2012-05-01 In her delightful and moving memoir, Sissy Spacek writes about her idyllic, barefoot childhood in a small East Texas town, with the clarity and wisdom that comes from never losing sight of her roots. Descended from industrious Czech immigrants and threadbare southern gentility, she grew up a tomboy, tagging along with two older brothers and absorbing grace and grit from her remarkable parents, who taught her that she could do anything. She also learned fearlessness in the wake of a family tragedy, the grief propelling her like rocket fuel to follow her dreams of becoming a performer. With a keen sense of humor and a big-hearted voice, she describes how she arrived in New York City one star-struck summer as a seventeen-year-old carrying a suitcase and two guitars; and how she built a career that has spanned four decades with films such as *Carrie*, *Coal Miner's Daughter*, *3 Women*, and *The Help*. She details working with some of the great directors of our time, including Terrence Malick, Robert Altman, David Lynch, and Brian De Palma—who thought of her as a no-talent set decorator until he cast her as the lead in *Carrie*. She also reveals why, at the height of her fame, she and her family moved away from Los Angeles to a farm in rural Virginia. Whether she's describing the terrors and joys of raising two talented, independent daughters, taking readers behind the scenes on Oscar night, or meditating on the thrill of watching a pair of otters frolicking in her pond, Sissy Spacek's memoir is poignant and laugh-out-loud funny, plainspoken and utterly honest. *My Extraordinary Ordinary Life* is about what matters most: the exquisite worth of ordinary things, the simple pleasures of home and family, and the honest job of being right with the world. If I get hit by a truck tomorrow, she writes, I want to know I've returned my neighbor's cake pan.
