

Siv For Afghan

Steve Miska

Afghanistan United States. Government Accountability Office,2015 Congress established an SIV program in 2009 for Afghan nationals with at least 1 year of U.S. government service, given the risk these employees face. Local staff at the U.S. diplomatic mission in Afghanistan are key to implementing U.S. policies and programs because of their institutional knowledge, language skills, and local relationships. A high rate of Afghan staff resigning after receiving an SIV could diminish the U.S. government's capacity to carry out its mission. GAO was asked to review State's and USAID's efforts to mitigate the loss of Afghan staff. GAO evaluated (1) SIV-related resignations, including how, if at all, State's and USAID's workforces in Afghanistan have been affected in recent years; (2) the actions, if any, State and USAID have taken to mitigate any effects related to attrition of Afghan staff, including SIV recipients; and (3) the extent to which State and USAID have evaluated mitigating actions related to the attrition of Afghan local staff, including SIV recipients. GAO analyzed data from 2010 to 2015, reviewed documents regarding the Afghan workforce, and interviewed State and USAID officials--Preliminary page.

The Last Days of the Afghan Republic Arsalan Noori,Noah Coburn,2023-05-22 A nuanced and human portrait of a generation of young Afghans who bought into the promise of the international intervention and were caught in the structures of the Forever War--

Iraq Joseph A. Christoff,2010-11 Since the Feb. 2006 bombing of the Al-Askari Mosque in Samarathat triggered the displacement of thousands of Iraqis, the U.S. has taken a lead role in resettling the displaced. The admin. has indicated its intent to assist those Iraqis who supported the U.S. in Iraq. In addition, Congress authorized the Depts. of Defense (DoD) and State (State) to jointly establish and operate a program to offer temporary employment to Iraqi special immigrant visa (SIV) holders in the U.S. This report provides information on the: (1) status of resettled Iraqis in the U.S. and the initial challenges they face; (2) benefits afforded Iraqi refugees and SIV holders; and (3) challenges they face obtaining employment with the federal government. Charts and tables.

The President and Immigration Law Adam B. Cox,Cristina M. Rodríguez,2020-08-04 Who controls American immigration policy? The biggest immigration controversies of the last decade have all involved policies produced by the President policies such as President Obama's decision to protect Dreamers from deportation and President Trump's proclamation banning immigrants from several majority-Muslim nations. While critics of these policies have been separated by a vast ideological chasm, their broadsides have embodied the same widely shared belief: that Congress, not the President, ought to dictate who may come to the United States and who will be forced to leave. This belief is a myth. In *The President and Immigration Law*, Adam B. Cox and Cristina M. Rodríguez chronicle the untold story of how, over the course of two centuries, the President became our immigration policymaker-in-chief. Diving deep into the history of American immigration policy from founding-era disputes over deporting sympathizers with France to contemporary debates about asylum-seekers at the Southern border they show how migration crises, real or imagined, have empowered presidents. Far more importantly, they also uncover how the Executive's ordinary power to decide when to enforce the law, and against whom, has become an extraordinarily powerful vehicle for making immigration policy. This pathbreaking account helps us understand how the United States has come to run an enormous shadow immigration system-one in which nearly half of all noncitizens in the country are living in violation of the law. It also provides a blueprint for reform, one that accepts rather than laments the role the President plays in shaping the national community, while also outlining strategies to curb the abuse of law enforcement authority in immigration and beyond.

Refugees in America in the 1990s David W. Haines,1996-07-17 A study of refugees in the United States, discussing the general patterns and

policies governing refugee resettlement, looking at the histories of immigrants from individual countries, and comparing the experiences of multiple refugee groups.

The Tribes and Castes of Bengal H. H. Risley, 1891

The Modern Mercenary Sean McFate, 2017-05-10 In *The Modern Mercenary*, Sean McFate lays bare this opaque world, explaining the economic structure of the industry and showing in detail how firms operate on the ground. A former U.S. Army paratrooper and private military contractor, McFate provides an unparalleled perspective into the nuts and bolts of the industry, as well as a sobering prognosis for the future of war. While at present, the U.S. government and U.S. firms dominate the market, private military companies are emerging from other countries, and warlords and militias have restyled themselves as private security companies in places like Afghanistan and Somalia. To understand how the proliferation of private forces may influence international relations, McFate looks back to the European Middle Ages, when mercenaries were common and contract warfare the norm. He concludes that international relations in the twenty-first century may have more in common with the twelfth century than the twentieth. This back to the future situation, which he calls neomedievalism, is not necessarily a negative condition, but it will produce a global system that contains rather than solves problems.

Refugees and Asylum Seekers S. Megan Berthold, Kathryn R. Libal, 2019-06-24 This volume engages human rights, domestic immigration law, refugee policy in the United States, Canada, and Europe, and scholarship to examine forced migration, refugee resettlement, asylum seeker experiences, policies and programs for refugee well-being in North America and Europe. Given the recent re-politicization of forced migration and refugees in Europe and the U.S., this edited collection presents an in-depth, multi-dimensional analysis of the history of policies and laws related to the status of refugees and asylum seekers in the U.S., Canada, and Europe and the challenges and prospects of refugee and asylum seeker assistance and integration in the 21st century. The book provides rich insights on institutional perspectives critical to understanding the politics and practices of refugee resettlement and the asylum process in the U.S., Canada, and Europe, including international human rights and humanitarian law as well as domestic laws and policies related to forced migrants. Issues addressed include social welfare supports for resettled refugees; culturally responsive health and mental health approaches to working with refugees and asylum seekers; systemic failures in the asylum processing systems; and rights-based approaches to working with forced migrant children. The book also examines policy developments and strategies to advance the well-being and social inclusion of refugees in the U.S. and Europe.

Lions of Kandahar Rusty Bradley, Kevin Maurer, 2011 One of the most critical battles of the Afghan War is now revealed as never before. *Lions of Kandahar* is an inside account from the unique perspective of an active-duty U.S. Army Special Forces commander. As then-Captain Rusty Bradley he began his third tour of duty in southern Afghanistan in 2006, the Taliban were poised to reclaim Kandahar Province, their strategically vital onetime capital. To stop them, the NATO coalition launched Operation Medusa, the largest offensive in its history. This is the story of a two-week battle that raged in scorching heat over a territory the size of Rhode Island.--From publisher description.

Cato Handbook For Policymakers David Boaz, 2009-02-19 Now in its seventh edition, the *Cato Handbook for Policymakers* sets the standard in Washington for reducing the power of the federal government and expanding freedom. The 63 chapters—each beginning with a list of major policy recommendations—offer issue-by-issue blueprints for promoting individual liberty, free markets, and peace. Providing both in-depth analysis and concrete recommendations, *Cato's Handbook* is an invaluable resource for policymakers and anyone else interested in securing liberty and limiting

government.

The Pearl That Broke Its Shell Nadia Hashimi, 2014-05-06 Afghan-American Nadia Hashimi's literary debut novel is a searing tale of powerlessness, fate, and the freedom to control one's own fate that combines the cultural flavor and emotional resonance of the works of Khaled Hosseini, Jhumpa Lahiri, and Lisa See. In Kabul, 2007, with a drug-addicted father and no brothers, Rahima and her sisters can only sporadically attend school, and can rarely leave the house. Their only hope lies in the ancient custom of bacha posh, which allows young Rahima to dress and be treated as a boy until she is of marriageable age. As a son, she can attend school, go to the market, and chaperone her older sisters. But Rahima is not the first in her family to adopt this unusual custom. A century earlier, her great-great grandmother, Shekiba, left orphaned by an epidemic, saved herself and built a new life the same way. Crisscrossing in time, *The Pearl the Broke Its Shell* interweaves the tales of these two women separated by a century who share similar destinies. But what will happen once Rahima is of marriageable age? Will Shekiba always live as a man? And if Rahima cannot adapt to life as a bride, how will she survive?

Honorable Exit Thurston Clarke, 2019-04-30 A MAIN SELECTION OF THE MILITARY BOOK CLUB A groundbreaking revisionist history of the last days of the Vietnam War that reveals the acts of American heroism that saved more than one hundred thousand South Vietnamese from communist revenge In 1973 U.S. participation in the Vietnam War ended in a cease-fire and a withdrawal that included promises by President Nixon to assist the South in the event of invasion by the North. But in early 1975, when North Vietnamese forces began a full-scale assault, Congress refused to send arms or aid. By early April that year, the South was on the brink of a defeat that threatened execution or years in a concentration camp for the untold number of South Vietnamese who had supported the government in Saigon or worked with Americans. Thurston Clarke begins *Honorable Exit* by describing the iconic photograph of the Fall of Saigon: desperate Vietnamese scrambling to board a helicopter evacuating the last American personnel from Vietnam. It is an image of U.S. failure and shame. Or is it? By unpacking the surprising story of heroism that the photograph actually tells, Clarke launches into a narrative that is both a thrilling race against time and an important corrective to the historical record. For what is less known is that during those final days, scores of Americans--diplomats, businessmen, soldiers, missionaries, contractors, and spies--risked their lives to assist their current and former translators, drivers, colleagues, neighbors, friends, and even perfect strangers in escape. By the time the last U.S. helicopter left Vietnam on April 30, 1975, these righteous Americans had helped to spirit 130,000 South Vietnamese to U.S. bases in Guam and the Philippines. From there, the evacuees were resettled in the U.S. and became American citizens, the leading edge of one of America's most successful immigrant groups. Into this tale of heroism on the ground Clarke weaves the political machinations of Henry Kissinger advising President Ford in the White House while reinforcing the delusions of the U.S. Ambassador in Saigon, who, at the last minute, refused to depart. Groundbreaking, page-turning, and authoritative, *Honorable Exit* is a deeply moving history of Americans at a little-known finest hour.

Watches Without Time Matt Zeller, 2012 For eight months in 2008, U.S. Army Capt. Matt Zeller served as an embedded combat adviser with Afghan security forces in Ghazni, Afghanistan. *Watches Without Time* is a compilation of the emails he sent home to family and friends during that period--so that, as he writes in the Preface, should anything have ever happened to me, they would know what I went through. *Watches Without Time* gives a granular account of the challenges Zeller and his men encountered in Ghazni, and of the complex missions they undertook there. Written in clear and searingly intimate prose, it highlights the many emotion-laden experiences he underwent both during his tour and after his return to the United States.

Getting Out Michael Walzer, Nicolaus Mills, 2011-07-06 Eventually every conqueror, every imperial power, every occupying army gets out. Why do they decide to leave? And how do political and military leaders manage withdrawal? Do they take with them those who might be at risk if left behind?

What are the immediate consequences of departure? For Michael Walzer and Nicolaus Mills, now is the time to ask those questions about exiting—and to worry specifically about the difficulties certain to arise as we leave—Iraq. *Getting Out* approaches these issues in two sections. The first, entitled *Lessons Learned*, examines seven historical cases of how and how not to withdraw: Britain's departure from the American colonies and from India, the French withdrawal from Algeria, Israel's unilateral withdrawal from Gaza, and the U.S. decision to leave (or not leave) the Philippines, Korea, and Vietnam. These cases offer a comparative perspective and an opportunity to learn from the history of political and military retreats. The second section, *Exiting Iraq*, begins with an introduction to just how the United States got into Iraq and continues with an examination of how the U.S. might leave from a diversity of voices, ranging from those who believe that the Iraq war has produced no real good to those who hope for a decent ending. In addition to essays by volume editors Walzer and Mills, *Getting Out* features contributions by Shlomo Avineri, Rajeev Bhargava, David Bromwich, Frances FitzGerald, Stanley Karnow, Brendan O'Leary, George Packer, Todd Shepard, Fred Smoler, and Stanley Weintraub.

Baghdad Underground Railroad Steve Miska, 2021-05-11 During the war's worst fighting in 2006 and 2007, a handful of Iraqi interpreters put their lives on the line to help American troops. Families threatened, a bounty on their heads, ignored by the powers that be, they faced execution as collaborators with the enemy if they remained in their homeland. A Task Force Commander decides a promise made should be a promise kept. After the murders of several Iraqi allies, Lt. Col Steve Miska decides to slice through the bureaucratic red tape to get interpreters to safety. His team creates the Baghdad Underground Railroad to get the terps and other allies out of the country to Jordan for their Embassy interviews. Soldiers also tap their own families in the United States to serve as sponsors to house and assist the new immigrants. For the Iraqis, they face the struggle of adapting to a culture vastly different from their own. One of them even joins the U.S. Army and returns to Iraq as an American soldier. In this compelling memoir that illustrates humanity and compassion in the midst of war, Steve Miska highlights the plight of local allies, who are essential to the American cause in foreign wars but are often left behind. He also offers an insider's look at the complex and frustrating political reality of Iraq facing U.S. commanders and policymakers following the downfall of Saddam Hussein.

After Saigon's Fall Amanda C. Demmer, 2021-04-08 Few historians of the Vietnam War have covered the post-1975 era or engaged comprehensively with refugee politics, humanitarianism, and human rights as defining issues of the period. *After Saigon's Fall* is the first major work to uncover this history. Amanda C. Demmer offers a new account of the post-War normalization of US-Vietnam relations by centering three major transformations of the late twentieth century: the reassertion of the US Congress in American foreign policy; the Indochinese diaspora and changing domestic and international refugee norms; and the intertwining of humanitarianism and the human rights movement. By tracing these domestic, regional, and global phenomena, *After Saigon's Fall* captures the contingencies and contradictions inherent in US-Vietnamese normalization. Using previously untapped archives to recover a riveting narrative with both policymakers and nonstate advocates at its center, Demmer's book also reveals much about US politics and society in the last quarter of the twentieth century.

Siv For Afghan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Siv For Afghan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Siv For Afghan has opened up a world of possibilities. Downloading Siv For Afghan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Siv For Afghan has democratized knowledge. Traditional books and academic

journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Siv For Afghan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Siv For Afghan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Siv For Afghan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Siv For Afghan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Siv For Afghan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook

platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Siv For Afghan is one of the best book in our library for free trial. We provide copy of Siv For Afghan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Siv For Afghan. Where to download Siv For Afghan online for free? Are you looking for Siv For Afghan PDF? This is definitely going to save you time and cash in something you should think about.
