The Lady and the Unicorn Tracy Chevalier,2004-12-28 A tour de force of history and imagination, *The Lady and the Unicorn* is Tracy Chevalier's answer to the mystery behind one of the art world's great masterpieces—a set of bewitching medieval tapestries that hangs today in the Cluny Museum in Paris. They appear to portray the seduction of a unicorn, but the story behind their making is unknown—until now. Paris, 1490. A shrewd French nobleman commissions six lavish tapestries celebrating his rising status at Court. He hires the charismatic, arrogant, sublimely talented Nicolas des Innocents to design them. Nicolas creates havoc among the women in the house—mother and daughter, servant, and lady-in-waiting—before taking his designs north to the Brussels workshop where the tapestries are to be woven. There, master weaver Georges de la Chapelle risks everything he has to finish the tapestries—his finest, most intricate work—on time for his exacting French client. The results change all their lives—lives that have been captured in the tapestries, for those who know where to look. In *The Lady and the Unicorn*, Tracy Chevalier weaves fact and fiction into a beautiful, timeless, and intriguing literary tapestry—an extraordinary story exquisitely told.

The Unicorn Tapestries at the Metropolitan Museum of Art Adolph S. Cavallo, Metropolitan Museum of Art (New York, N.Y.), 1998 Among the most popular attractions at The Cloisters, the medieval branch of The Metropolitan Museum of Art, New York, is a set of tapestries depicting the hunt of the fabled unicorn. Each of the seven exquisite tapestries is reproduced in large colorplates and with a wealth of color details. Created in the Netherlands in 1495-1505, they contain supremely memorable images - from the vulnerable unicorn and the individualized faces of the hunters to the naturalistically depicted flora and fauna. The author also looks at the construction of the tapestries and the historical and cultural context in which they were woven.

The Lady and the Unicorn Rumer Godden, 2016-12-20 Three sisters battle poverty and prejudice in 1930s India in this heart-wrenching tale from a New York Times–bestselling novelist. Life is difficult for the three Lemarchant sisters in the latter years of the British Raj. Born of two cultures and rejected by both—the “half-caste” daughters of an Englishman and an Indian mother—twins Belle and Rosa and their younger sibling, Blanche, live with their widowed father and “Auntie” in an apartment in a crumbling mansion in Calcutta. Having grown to young womanhood in poverty—the result of their father’s indolence and society’s intolerance—tough-minded Belle is determined to improve her lot in life, even if it means compromising her principles and her pride. Her beautiful twin, Rosa, however, dreams of a different, grander escape and foolishly puts her faith in love. For Blanche, the entire world is the decaying estate the Lemarchants share with other Anglo-Indian outcasts. Rejected by her own siblings due to the darkness of her skin, the lonely little girl wanders the halls and grounds, enjoying the fantasy of a phantom pet while communing with ghosts only the purest of souls can see. An extraordinary novel rich in color and heartbreaking human drama, *The Lady and the Unicorn* is the poignant tale of one family’s struggle to make a future in a society blinded by prejudice and divided by caste. A powerful story of coming-of-age and coming to terms, it is a masterful fiction from one of the preeminent British authors of the twentieth century. This ebook features an illustrated biography of the author including rare images from the Rumer Godden Literary Estate.

The thirteen tapestries that compose the two sets—six at the Cluny and seven at The Met—remain shrouded in mystery, with their origins and original owners still unknown. Considering the iconography of these two collections together and drawing from primary sources, this Bulletin aims to reach a better understanding of these masterworks and their mythical subject that has captured the public imagination for centuries.
